**Sean Casey's Odyssey** D. Leas, 2005-08 Young Sean Casey forced to immigrate to New York by the potato famine survives a shipboard assassination attempt by a fellow passenger only to be deserted by his uncle upon arrival On a farm he acquires extensive knowledge of horses and guns Criminal charges by the promiscuous daughter of the farm owner forces him to flee Grisly Indian encounters and work on a Missouri horse ranch preclude Sean s meeting his lifelong friend JJ He is the runaway son of a plantation owner and a Mulatto slave They join a wagon train bound for California accompanied by hardships Sean s marriage to a young Mexican girl produces a son Patrick A second marriage is interspersed with the struggles Sean and JJ face as they fight to save their ranch Happiness and heartache follow Sean as he learns that life can be brutally cruel in this fast paced story from 1846 to its conclusion in California in 1902 **Sean O'Casey R.**

Ayling, 1969-02-01 **The Romare Bearden Reader** Robert G. O'Meally, 2019-06-14 The Romare Bearden Reader brings together a collection of new essays and canonical writings by novelists poets historians critics and playwrights The contributors who include Toni Morrison Ralph Ellison August Wilson Farah Jasmine Griffin and Kobena Mercer contextualize Bearden s life and career within the history of modern art examine the influence of jazz and literature on his work trace his impact on twentieth century African American culture and outline his art s political dimensions Others focus on specific pieces such as *A Black Odyssey* or the ways in which Bearden used collage to understand African American identity The Reader also includes Bearden s most important writings which grant readers insight into his aesthetic values and practices and share his desire to tell what it means to be black in America Put simply The Romare Bearden Reader is an indispensable volume on one of the giants of twentieth century American art Contributors Elizabeth Alexander Romare Bearden Mary Lee Corlett Rachel DeLue David C Driskell Brent Hayes Edwards Ralph Ellison Henri Ghent Farah Jasmine Griffin Harry Henderson Kobena Mercer Toni Morrison Albert Murray Robert G O Meally Richard Powell Richard Price Sally Price Myron Schwartzman Robert Burns Stepto Calvin Tomkins John Edgar Wideman August Wilson *The Anatomy of Drama* Alan Reynolds Thompson, 2023-11-15 The Anatomy of Drama by Alan Reynolds Thompson argues that drama as an art form is essential to the vitality of civilization especially during times of global upheaval Thompson asserts that while art is often overlooked during crises it is a key measure of a culture s quality He argues that truly impactful drama stems from more than mere technical skill or entertainment value it requires a deep engagement with the social ethical and psychological issues of its time Thompson emphasizes that an understanding of a dramatist s cultural and philosophical background is crucial as the writer s environment and beliefs profoundly shape their work This book encourages readers from students to theater professionals to study drama within its broader context linking plays not only to theatrical traditions but also to the historical and social forces that give them meaning Thompson also highlights the role of audiences in sustaining a vibrant theater culture He suggests that universities should focus not just on producing professionals but also on cultivating educated

audiences who can appreciate the substance of a play beyond its surface appeal Such audiences would demand quality from the theater fostering an environment where plays of genuine artistic and intellectual value can thrive Addressing the structural challenges faced by playwrights in the American theater system Thompson advocates for greater support for emerging playwrights and stresses that a living drama is essential for the cultural health of society In this way Thompson envisions a theater that not only entertains but also inspires educates and enriches its community preserving civilization's core values through art This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1942      *Aftermaths* Marcus Paul Bullock, Peter Yoonsuk Paik, 2009

*Aftermaths* is a collection of essays offering compelling new ideas on exile migration and diaspora that have emerged in the global age In seeking fresh perspectives on the movement of people and ideas the essays included here look to the power of the aesthetic experience especially in literature and film to unsettle existing theoretical paradigms and enable the rethinking of conventionalized approaches      *The Black Comedy of John Guare* Gene A. Plunka, 2002 This book the first full length study of Guare's theater will make his plays more accessible through an examination of the often unnerving type of black comedy that makes his plays work      *The Psychology of Friendship and Enmity* Rom Harré, Fathali M. Moghaddam, 2013-10-21 This two volume exploration of what might be termed interpersonal war and peace reveals why individuals and groups coalesce or collide and how more positive relationships can be achieved In this two volume set the most comprehensive treatment of its subject to date eminent social scientists explore the processes involved in becoming friends or enemies Volume 1 Interpersonal and Intrapersonal Insights focuses on friendship and enmity between individuals examining situations that arise in romances at school at work and between races genders and sexual identities The text is enriched by a discussion of individual interactions in classic books and movies what those stories reflect and what they teach about human nature Volume 2 Group and Intergroup Understanding focuses on group dynamics across time and around the globe Topics range from group interactions before and after the American Civil War to friendship and enmity between Afghans and Americans today The work's ultimate concern however is to present ways in which individuals groups and nations can learn to be friends      *The Most Dangerous Book* Kevin Birmingham, 2014-06-12 Recipient of the 2015 PEN New England Award for Nonfiction The arrival of a significant young nonfiction writer A measured yet bravura performance

Dwight Garner The New York Times James Joyce's big blue book *Ulysses* ushered in the modernist era and changed the novel for all time But the genius of *Ulysses* was also its danger it omitted absolutely nothing Joyce along with some of the most important publishers and writers of his era had to fight for years to win the freedom to publish it *The Most Dangerous Book* tells the remarkable story surrounding *Ulysses* from the first stirrings of Joyce's inspiration in 1904 to the book's landmark

federal obscenity trial in 1933 Written for ardent Joyceans as well as novices who want to get to the heart of the greatest novel of the twentieth century *The Most Dangerous Book* is a gripping examination of how the world came to say Yes to Ulysses Irish Writing ,1949 **Theatre Studies: The Basics** Robert Leach,2013-07-18 Now in a second edition Theatre Studies The Basics is a fully updated guide to the wonderful world of theatre The practical and theoretical dimensions of theatre from acting to audience are woven together throughout to provide an integrated introduction to the study of drama theatre and performance Topics covered include dramatic genres from tragedy to political documentary theories of performance the history of the theatre in the West acting directing and scenography With a glossary chapter summaries and suggestions for further reading throughout Theatre Studies the Basics remains the ideal starting point for anyone new to the subject The Book of Origins Trevor Homer,2007-05-29 Everything from the mundane the pencil to the catastrophic the atom bomb has an origin but often it s not what we expect A few things you may not have known Gandhi was married at age thirteen Chinese fortune cookies are an American invention and were not eaten in China until the 1990s when they were advertised as Genuine American Fortune Cookies Bayer lost the trademark for aspirin which they had held since 1897 as part of the reparations Germany was forced to pay after World War I The original idea for the electric chair came from an American dentist For aspiring mindblowers and wanna be know it alls The Book of Origins is a treasure trove of trivia and fascinating facts guaranteed to entertain and enlighten *The American Musical* Ben West,2024-04-01 The American Musical is a comprehensive history of an American art form It delivers a detailed and definitive portrait of the American musical s artistic evolution over the course of seven distinct newly defined eras with a unique perspective gleaned from research at more than twenty different archives across the United States Individual in both its approach and coverage The American Musical traces the form s creative journey from its 19th century beginnings through its 20th century maturation and to the turn of the 21st century shedding new light on a myriad of authors directors and craftspeople who worked on Broadway and beyond This book actively addresses the form s often overlooked female and African American artists provides an in depth accounting of such outside influences as minstrelsy vaudeville nightclubs and burlesque and explores the dynamic relationship between the form and the consciousness of its country The American Musical is a fascinating and insightful read for students artists and aficionados of the American musical and anyone with an interest in this singular form of entertainment *The Golden Book Magazine* ,1926 **Artists All** Burton Raffel,1991 Basic human drives that the arts and aesthetic experiences frequently inspire insight in scientists and sociologist that the arts themselves though mutually untranslatable share a deep unity that disciplinary boundaries and divisions can frequently stunt creativity that and that there is always a link between what artists produce and their stance toward their society s place and posture in the world When used to define intellectual disciplines the very word Interdisciplinary is a misnomer almost a contradiction in terms Raffel contends because it implies boundaries rather than interconnectedness and interrelationships Since it is his own

primary concern Raffel uses literature as a touchstone analyzing its relationships with social science natural science music and the visual arts He then provides practical recommendations addressed to the academic community as a whole about ways of restructuring universities to reflect functioning interdisciplinary realities rather than convenient but artificial and seriously constrictive disciplinary boundaries Written with humor and sensitivity Artists All makes a significant contribution to current thinking about higher education

*Ten Million Steps* M. J. Eberhart, 2007-04-11 M J Eberhart aka the Nimblewill Nomad was a 60 year old retired doctor in January 1998 when he set off on a foot journey that carried him 4 400 miles twice the length of the Appalachian Trail from the Florida Keys to the far north of Quebec Written in a vivid journal style the author unabashedly recounts the good friendships with other hikers he met the bad sore legs cutting winds and rain and the godawful those dispiriting doubts aspects of his days of walking along what has since become known as the Eastern Continental Trail ECT An amazing tale of self discovery and insight into the magic that reverberates from intense physical exertion and a high goal Eberhart s is the only written account of a thru hike along the ECT Covering 16 states and 2 Canadian provinces *Ten Million Steps* deftly mixes practical considerations of an almost unimaginable undertaking with the author s trademark humor and philosophical musings

**The Literary Guide & Companion to Southern England** Robert M. Cooper, 1998 In a series of intriguing routes through the English countryside Professor Robert Cooper notes those attractions that the casual tourist might unknowingly pass by such as the house where Dickens wrote *A Tale of Two Cities* or the windswept quay where John Fowles s *French Lieutenant s woman* walked Maps and information about restaurants and accommodations give the traveler the opportunity of having pints of half and half where Jane Austen dined or visiting the pub where Blake s scuffle led to his trial for treason This newly revised and updated edition of Robert Cooper s acclaimed handbook combines the utility of current travel information with the appeal of literary history biography and anecdote in a leisurely and flavorful guide to the broad sweep of southern England outside of London A rich and reliable guide to the landscape that fostered one of our most cherished cultures *The Literary Guide and Companion to Southern England* is an indispensable resource for those who wish to experience literature firsthand

**Philosophy of Samuel Beckett** John Calder, 2018-01-01 Increasingly Samuel Beckett s writing is seen as the culmination of the great literature of the twentieth century succeeding the work of Proust Joyce and Kafka Beckett is a writer whose relevance to his time and use of poetic imagery can be compared to Shakespeare s in the late Renaissance John Calder has examined the work of Beckett principally for what it has to say about our time in terms of philosophy theology and ethics and he points to aspects of his subject s thinking that others have ignored or preferred not to see Samuel Beckett s acute mind pulled apart with courage and much humour the basic assumptions and beliefs by which most people live His satire can be biting and his wit devastating He found no escape from human tragedy in the comforts we build to shield ourselves from reality even in art which for most intellectuals has replaced religion However he did develop a moral message one which is in direct contradiction to the values

of ambition success acquisition and security which is normally held up for admiration and he looks at the greed God worship and cruelty to others which we increasingly take for granted in a way that is both unconventional and revolutionary If this study shocks many readers it is because the honesty the integrity and the depth of Beckett s thinking expressed through his novels plays and poetry but also through his other writings and correspondence is itself shocking to conventional thinking Yet what he has to say is also comforting He offers a different ethic and prescription for living a message based on stoic courage compassion and an ability to understand and forgive

Sacred Contracts Caroline Myss,2013-09-04 Caroline Myss author of the New York Times bestsellers *Anatomy of the Spirit* and *Why People Don t Heal and How They Can* presents an exciting highly original program in this long awaited book Based on her internationally popular workshop of the same name *Sacred Contracts* is a brilliant synthesis of psychology healing guidance and spiritual insight As a medical intuitive Myss has found that people often don t understand their purpose in life which has led to a spiritual malaise of epidemic proportions This metaphysical disease in turn leads to depression anxiety fatigue and eventually physical illness But our purpose our individual Sacred Contract is often difficult to apprehend For this reason Myss developed an enjoyable and ingenious process for deciphering your own Contract using a new theory of archetypes that builds on the works of Jung Plato and contemporary thinkers She first recounts how the concept of Sacred Contracts took form in myths and other cultural traditions through the ages She then examines the lives of the spiritual masters and prophets Abraham Jesus the Buddha and Muhammad whose archetypal journeys illustrate the four stages of a Sacred Contract and provide clues for discovering your own With her signature motivational style and stories Myss explains how you can identify your particular spiritual energies or archetypes the gatekeepers of your higher purpose and use them to help you find out what you are here on earth to learn and whom you are meant to meet In coming to know your archetypal companions you also begin to see how to live your life in ways that make the best use of your personal power and lead you to fulfill your greatest in fact your divine potential In this process you learn how to see your life and the lives of others symbolically allowing you to manage your personal power without getting caught up in emotional drama You will also learn how to fulfill your Sacred Contract what you and only you are here on earth to do Finally Myss offers specific guidance for locating your physical and emotional vulnerabilities and healing any susceptible areas Both visionary and practical *Sacred Contracts* is a completely unique process of self discovery and spiritual archaeology and a bold powerful work of spiritual wisdom
