Search for Greener Pastures Nathaniel I. Ndiokwere,1998-06 *Search for Greener Pastures* Nathaniel I.

Ndiokwere,1998 *Achievement as Value in the Igbo/African Identity* Vernantius Emeka Ndukaihe,2006 Achievement seems to be a first class value in our world today With the ongoing global debate on what constitutes identity can we include achievement as one of the constituents In the Igbo African identity the achievement instinct is basically innate The ethics of this phenomenon needs an evaluation aimed at improving the status quo What is the plight of the Igbo African achieving in the face of modern capitalistic tendencies What has become of the many other values in her identity which has been her pride as a race How is her religiosity which is inseparable from daily living affected by modernity and its new trends of the achievement ethos These are some of the issues that are addressed in this book with the conviction that theology achievement and identity are continuity Overcoming Women's Subordination in the Igbo African Culture and in the Catholic Church Rose N. Uchem,2001 When African scholars lament over the near destruction of African cultures they do not reflect the reality of African women s historical traditions of empowerment and inclusion in pre colonial pre Christian African societies which were also lost in the same process of Western Christian cultural imperialism Similarly most male Church theologians writing or speaking about inculturation do not address the deeper cultural issues which impact heavily on African women from back cover *Foreign Missionary Background and Indigenous Evangelization in Igboland* Nkem Hyginus M. V. Chigere,2001 **Rochas Revolution** Nathaniel I. Ndiokwere,2012-11 The Man Rochas Anayo Okorocha Governor Rochas Anayo Okorocha is the present governor of Imo State Nigeria and has been in the limelight of Nigerian politics for some time now He seems to be a leader the Imo people and Nigerians as whole need at the moment Nigeria needs leaders that have vision charisma strength and indomitable will to succeed leaders who are motivated to action and that can motivate others to embrace hard work Many Imolites believe that Governor Okorocha at the age of fifty as of September 2012 has lived a fulfilled and fulfilling life The governor s tremendous rise from abject poverty to a high rated philanthropist of fame highlights important parts of his story By touching positively the lives of many young people in Nigerian society through his Rochas Foundation and choosing to be a selfless leader Owelle Rochas Okorocha has distinguished himself as an exemplary leader who chose to be on the path that intersects those of the people determined to make their lives brighter Nigeria needs honest compassionate benevolent detribalized men of vision and strength One will find all these virtues and many more inhabiting Governor Okorocha There is no doubt that the present administration in Imo will be adjudged the best in the history of the state as the governor has vowed to make Imo one of the fastest developing states He is fulfilling his vow by sustaining the massive infrastructural projects and people oriented programs embarked upon by his administration No one may doubt the governor s words when he insisted Today the bar of governance and leadership in Nigeria has been raised Men and women who must govern our country or our states must now be men of vision integrity and repute After and when I

must have become your governor and left that office before anybody would be governor again he has to think twice because of what I will leave on ground *African Science Education* Jamaine Abidogun,2018-03-15 Based on interrogation and review of historical and current cultural and indigenous knowledge combined with extensive curriculum and classroom analysis this book identifies how indigenous science gender roles may be utilized to provide a more gender balanced and indigenous centered learning experience The book argues for the integration of African indigenous science into the secondary school curriculum as a way to strengthen students science comprehension by affirming their society s science contributions making clear connections between Indigenous and Western science and also as a way to promote female representation in the sciences This book will be of interest to scholars and practitioners of science education African education and indigenous knowledge **Economic Emancipation** Albert Okechukwu Ikpenwa,2011 This work focuses on economic activities especially in the era of globalization taking into consideration their relationship with some of the traditional values of the Church It focuses particulrly on the dignity of the human person and how such relationship can promote or alienate the human person from God self fellow humans society and nature Rev Father Dr Albert Okechukwu Ikpenwa holds B Phil and BD from Pontifical Urban University Rome Masters and Doctorate degrees from Alphonsian Academy Alfonsianum Higher Institute of Moral Theology of the Pontifical Lateran University Rome **From What We Should Do to Who We Should Be** Benedict Chidi Nwachukwu-Udaku,2011-08-05 HIV AIDS constitutes a global problem A

good number of scholars from different nationalities multiple rationalities religious sensibilities theological intelligibilities and ethical cultural and ecclesiastical backgrounds have affirmed that this worldwide quagmire constitutes a global health problem and social malady which does not have a well defined geographically limited spread The global nature of HIV AIDS as seen in the statistics does not however undermine the fact that the effects of this sickness are not felt proportionally from one nation to another This book proposes to situate the local as a veritable site of empowerment for communities dealing with HIV AIDS as it is the case with the African continent The author of this book over and above the way the problem of HIV AIDS has been constructed projected and reviewed decided to situate this epidemic of the 20th Century within the socio cultural and political context of the Nigerian nation with particular reference to the Igbo people The task of contextualizing this problem reveal the identity of the author as an Igbo and as a theologian who engages the indigenous ethical principles unsophisticated traditional wisdom cultural and religious values of his people in offering solutions that resonate the cultural identity of his people in dialogue with modern and post modern constructs *Foundation for Greatness* Victor

Uzoma,2013-01-31 Foundation for Greatness helps you to discover the secrets that were hidden in every foundation that determines the outcome of every venture The primary assignment of this laudable book is to show you How to discover the power and indispensability of foundation on every embarked journey either for a glorious life or a lifetime project How to constitute an impactful foundation that enthrones one as a celebrated figure through the generations It provides an ample

safe exit for a regrettable life by helping you create new wills and dispel the old ones It thoroughly furnishes you with the techniques on how to establish an enviable destiny It answers most of your boggling questions that concerns your journey to success fulfillment great accomplishment fame and generational legacy The revealed secrets are loaded with wisdom fit for exceeding results which are unmatched and inevitable in our race for a fully fulfilled life with positive generational legacy as a back up

All Alone Adolphus Ezeakor,2013 Broad in its scope and detailed in its research this book analyzes the psychosocial conditions of Nigerian widows and childless women on inheritance and property relations and highlights incidence of major trauma events such as violence abuse and neglect that affect millions of the female population every year Currently there is no mental health care model with the potential to address the psychological and social needs of survivors in a cost effective dimension This book presents such a model of raising awareness on the impact of cognitive predictors of mental distress prolonged grief associated with traumatic stressful experience and behaviour making it invaluable for both policy makers and mental health professionals Building on more than seven years of extensive research on gender studies culture and healthcare as well as presentation and participation on academic seminars conferences and workshops and some other religious and social scientific insights this book provides a learning curve to harmful traditional practices and ideological cultural belief to aid understanding of various forms of psychological effects for abuse and domestic violence and how its adverse effect can be overcome through counselling and psychotherapy treatment The book also offers a critical analysis of various controversial issues around patriarchal practice in patrilineal and kinship system associated with women s disinheritance rite of passage and their psychosocial conditions in the light of the present research findings The author suggests education as a starting point around harmful traditional practices among the minority groups in developing countries whilst seeking to promote value centred vision on people s cultural rights and healthcare covering improvement on coping mechanism for abuse the book will be of use to survivors themselves as well as care providers

Towards a Politics of Compassion Emeka Christian Obiezu,2008 Wise beyond his years Johnny Black Hawk takes pride in his mixed heritage believing in the inherent good of both the Indians and whites Then the Civil War brings unbearable grief and suffering Amid troubles triumphs deception and daring Johnny struggles to follow his father s teachings about honor Emotions long dormant are revealed as he discovers decency in a person long considered evil and the miraculous faith of another once thought a fool Then the white mans broken promises and greed bring death and destruction to the Indian people and he must learn to listen with his heart to an ancient sacred voice But will he ever understand the meaning of his gift from the Grandfathers

The Future of the Catholic Priesthood in Igboland Cornelius Uchenna Okeke,2006

Rediscovering Our Identity as Africans Bekeh Ukelina Utietiang,2000

Sida en África Benedict Chidi Nwachukwu-Udaku,2010-11-02 El autor de esta obra aborda el problema del sida desde su propio contexto nigeriano confrontando nicamente con la realidad vivida de tantos amigos y parientes a los que la enfermedad se ha llevado consigo Lo aborda como igbo y como te logo en di logo con la

modernidad y con el mundo occidental pero con la esperanza siempre presente de que tambi n su pueblo desde valores y convicciones m s profundas tienen la capacidad y los medios necesarios para que el sida con una original propuesta de prevenci n se convierta en una nueva mirada de vida y esperanza **Indigenous Peoples' Food Systems** Harriet V. Kuhnlein,Bill Erasmus,Dina Spigelski,2009 Today globalisation and homogenisation have replaced local food cultures The 12 case studies presented in this book show the wealth of knowledge in indigenous communities in diverse ecosystems the richness of their food resources the inherent strengths of the local traditional food systems how people think about and use these foods the influx of industrial and purchased food and the circumstances of the nutrition transition in indigenous communities The unique styles of conceptualising food systems and writing about them were preserved Photographs and tables accompany each chapter The News ,1999 **Unizik Journal of Arts and Humanities** ,2010 Communication and Global Society Guo-Ming Chen,William J. Starosta,2000 Communication and Global Society considers continuity and change of identity in the global community the emergence and impact of global media and expected directions for interaction in global society It details frictions between social institutions and new communication technologies such as e mail and asks if changes in communication will do more to preserve or to undermine the nation state **American Book Publishing Record** ,1998
