Search For The Truth:

A Search for Truth Ernest J. Honigmann, 2016-08-03 The genesis of this book was in 1957 when the author was rejected from a loving courtship because he did not believe in the existence of God To quell the pain and to understand what had happened to him he researched the evidence as to why people believe that God exists The result was this book a predominance of evidence in favor of atheism Further the author found that truth should always be held provisionally not permanently pending discovery of new evidence and insights For example the author's atheism is provisional His search also brought a tough new world If God does not exist we need new concepts for the meaning of life the basis of morality and our unalienable Rights to Life Liberty and the pursuit of Happiness This book offers his solutions to those problems And one more thing The author's recommendation in his final chapter for a new way to search for religious truth forms the most exciting part of this book and possibly the most prophetic Now in 2016 50 years after it had been offered to the world and rejected by the publishers as a threat to their own interests our society has come of age And this book with its eye opening freshness still intact is finally yours to learn from and to enjoy *The Search for Truth* Paul A. Elwell, 2010-11-08 The Search for Truth offers a look at the critical issues asked by generations of people with a passion for making sense of human existence This book debates some of the most critical questions of our time from does absolute truth exist to what happens after death A fresh new approach is taken to these topics in well thought out and philosophical way On this journey readers will be treated to unique insights as fellow sojourners on life's highway This valuable and compelling book propels the reader through answering the following key questions in life Does absolute truth exist Are all belief systems based on Blind Faith How do you determine right and wrong Can man live without God Don't all religions lead to God Is there a God What is the meaning of life How do I know that I know How did I get here Why is there evil and suffering What happens after death In this quest for meaningful answers The Search for Truth explores philosophies from the past to present and unfolds multiculturalisms into easy to understand text which provides a complete and coherent worldview The topics are presented in a vibrant way that grabs hold of reader's minds as well as sprints and dives headlong into the reality of God heaven hell and hope This book is a must read for all those engaged in the thoughtful the meaningful search for truth Search For Truth The seeker begins... BRYAN RADZIN, 2014-08-18 I don't have so much tricks up my sleeve as much as journalistic fundamentals to take down powerful and influential people that think they're completely above the law and won't ever get caught I want to show them that we're watching and they will be held accountable So if a politician is only in it for the money and say they want illegals to leave is there a possibility they don't want them to leave Is there a chance they really want them here because immigrant labor is cheaper than American Are politicians making money hand over fist because the companies that employ immigrants make truckloads of it themselves and therefore contribute more to campaigns The vigilante types are probably linked to the corrupt politicians who both stand to lose equally if immigrants were made legal The politicians would lose the status quo of

cheap labor they can take advantage of and the vigilantes would have to deal with a multi racial society which is all meant to benefit the status quo

In Search of Truth DeLinda N. Baker,2017-11-29 There is a surge of fake news overtaking media outlets in the twenty first century This stands in stark contrast to the unbiased objective truth Integrity and truth seem to have become secondary to the desire to sensationalize and sway opinions How do we respond to this overwhelming saturation of lies and false teachings As Christians we are uniquely positioned to know and represent truth as revealed by the one true God First we must look to the source of truth God and his word Second we must be able to discern and recognize both truth and lies in what we are being told and in our culture Third we must become agents of truth individuals who live speak and promote truth Join us for a daily devotional as we explore scriptures that will guide us in our search for truth

In Search of Truth Dean Parrish,2020-09-01 Everyone s truth is in their own perspective and choosing What you choose to believe becomes your accepted truth However just because you accept something as truth does not mean it is real Some truths can be subjective but real or absolute truth remains constant and unchanging and will ultimately be revealed whether you believe it or not This easy to read book uses humor life experiences and stories to give valuable insights on truth and perspective You will be both entertained and challenged as you learn that finding real truth often requires you to dig deeper What you discover about the word truth may surprise you
