Search For Ancient Egypt:

The Search for Ancient Egypt Jean Vercoutter, 1992 **Thousands of Years** John Albert Wilson, 1972 The Search for God in Ancient Egypt Jan Assmann, 2001

What for the ancient Egyptians was the nature of the world's governing spirits. With the evidence of ancient texts Assmann considers Egyptian theology and cults and rites. This deep analytic book is of the greatest interest not only for specialists in matters Egyptian but also for comparative studies. Antiquity First English language edition with revisions and additions by the author. This classic work by one of the world's most distinguished Egyptologists was first published in German in 1984. The Search for God in Ancient Egypt offers a distillation of Jan Assmann's views on ancient Egyptian religion with special emphasis on theology and piety. Deeply rooted in the texts of ancient Egypt and thoroughly informed by comparative religion, theology, anthropology, and semiotic analysis, Assmann's interpretations reveal the complexity of Egyptian thought in a new way. Assmann takes special care to distinguish between the implicit theology of Egyptian polytheism and the explicit theology that is concerned with exploring the problem of the divine. His discussion of polytheism and mythology addresses aspects of ritual, the universe, and myth. His consideration of explicit theology deals with theodicy and the specifics of Amarna religion.

The Treasures of Ancient Egypt Jaromir Malek, 2010

The pyramids were already millennia old when the ancient Romans began what eventually would become the modern science of archaeology. This stirring account begins in Roman times and traces the adventures of generations of intrepid men and women who uncovered tombs, deciphered hieroglyphic inscriptions, and brought to light spectacular treasures all to give us a deeper understanding of Egypt's remarkable civilization. Illustrated with pictures of important discoveries and including facsimiles of archaeologists' maps, sketches, and journal pages, this is an irresistible introduction to the fascinating world of Egyptology.

The Material World of Ancient Egypt William H. Peck, 2013-08-12

The Material World of Ancient Egypt examines the objects and artifacts, the representations in art, and the examples of documentation that together reveal the day-to-day physical substance of life in ancient Egypt. This book investigates how people dressed, what they ate, the houses they built, the games they played, and the tools they used among many other aspects of daily life, paying great attention to the change and development of each area within the conservative Egyptian society. More than any other ancient civilization, the ancient Egyptians have left us with a wealth of evidence about their daily lives in the form of perishable objects from leather sandals to feather fans, detailed depictions of trades and crafts on the walls of tombs, and a wide range of documentary evidence from temple inventories to personal laundry lists. Drawing on these diverse sources and richly illustrating his account with nearly one hundred images, William H. Peck illuminates the culture of the ancient Egyptians from the standpoint of the basic materials they employed to make life possible and perhaps even enjoyable.

The Story of Egypt Joann Fletcher, 2015-09-24

Fletcher pulls together the complete Story of Egypt charting the rise and fall of the ancient Egyptians while putting their whole world into a context that we can all relate to Joann Fletcher uncovers some fascinating revelations from Egypt's oldest art to the beginnings of mummification almost two thousand years earlier than previously believed She also looks at the women who became pharaohs on at least 10 occasions and the evidence that the Egyptians built the first Suez Canal circumnavigated Africa and won victories at the original Olympic games From Ramses II's penchant for dying his greying hair to how we know Montuhotep's wife bit her nails and the farmer Baki liked eating in bed Joann Fletcher brings alive the history and people of ancient Egypt as nobody else can Searching for the Lost Tombs of Egypt Chris Naunton,2019-09-24
