Take It Easy, Vol 1 Talks on Zen Buddhism Osho, 2023-03-07 Religion is the vast sky of existence Reason is a tiny human phenomenon The reason has to be lost has to be dropped Only by going beyond the mind does one start understanding what is That's the radical change No philosophy can bring that radical change only religion Religion is non philosophic anti philosophic and Zen is the purest form of religion Zen is the very essence of religion Hence it is irrational it is absurd If you try to understand it logically you will be bewildered It can only be understood illogically It has to be approached in deep sympathy and love YOU CANNOT approach Zen through empirical scientific objective concepts They all have to be dropped It is a heart phenomenon You have to feel it rather than think it You have to BE it to know it Being is knowing And there is no other knowing

Theosophy 1 Ken Carter, 2016-04-11 I have watched and followed religion all my life and a summary will never happen it seems My efforts have both opened and closed doors in light and darkness and fortunately the light never goes away Once a lesson or point is understood it serves as a beacon during the worst times When I decided to accept God's words as truth and tried living them His commandments became easier and troubles are now few and understood The doctrines of men that Jesus Christ refused stand in the way of our getting to know God on a more personalized experience God created men and awe with reverence is expected but what we have are just various forms of religion Most fade away as time passes Jesus was taught from the Torah The laws and the prophets was his mainstay but he declared a change had to take place Many modern religions no longer accept what is known as the old Testament while the new Testament plainly states that All scripture is inspired by God and beneficial It is the work of men that demands decision about religion Its the reason I love the idea of tolerance It is necessary to make way for tearing down walls that divide us and at the same time it urges us not to be misled by false prophets and teachings I went through turmoil and stress while writing this book as spirits both of light and the dark bared reasons and insight True students of bible may find themselves listening while people who just listen may get offended In all our dealings with God and men there are differences due to upbringing and cognitive natures Most of what we know and understand has been handed down and accepted without question or search This book offers a reminder that we should examine what we are told closely since pure worship is needed if everlasting life is the goal Upon finding out what is truth or not it is our duty as people to find the acceptable way that constitutes pure worship They can't all be right with God and he does hold us responsible plus we will be held accountable Like the laws of the lands ignorance has no place Its a fact God does have rules God's Holy Spirit decides what is revealed gained or destroyed throughout all the times of our experience and existence Minds can be opened and closed depending on his purposes He may use any of his creations as he chooses to complete any task or goal I prayed and asked him to let me serve him It has not stopped You may be surprised if you knew the changes that I have been through since I started working Life's problems do not go away but they are much easier to understand and manage because answers and solutions are normally used to conquer in the physical world and space we occupy Nothing happens right or wrong without us making steps in those directions while taking God's warnings and words seriously Isaiah 45:7 tells us this The spiritual sense and form we hope for has made confusion a master of men Jesus is the closest example for Christians and all the other religions of the world have their own Righteousness I think is what God looks for in a person You should know that obedience leads the way to it Thank

A. Yonkers,2004 Twins Gabe and Steve had nearly the perfect childhood never lacking for a thing Kyle had nothing but Jenna She wanted nothing more than to make Kyle happy but was torn away from him far too soon Growing up in a small Montana town the four children discovered the realities of life The love of parents the loss of friends the betrayal of a brother the sordid secret life of a mother Searching for a dream but finding that even if it does exist it seems unattainable Yet they continued on searching Gabe longed to be a musician up on stage before thousands of adoring fans loving to be loved by them Steve hoped to make his living as a cowboy traveling with the rodeo and earning enough to survive Kyle only wished to survive from one day to the next his guitar and letters from Jenna forcing him to cling to one more day of life Jenna fought her own battles learning to walk again after her dream of becoming a dancer was shattered in a fall Overcoming all odds the foursome made their way into adulthood finding a little fame and a little fortune and each other Household Words : ,1856 Overflowing Kyle Farran,2022-02-08 Do you long to be useful to God and hear Well done good and faithful servant Matthew 25 21 Overflowing is born out of ten years meditating on this question Why does God use some people more than others In our zeal to be used by God we have a tendency to rely on doing things for God However when God chose to use certain individuals in the Bible it wasn t because of their effort or abilities God was looking at their heart God still searches hearts You can become a person that is useful to God not because of great things you do but because of a heart that pleases Him When God finds a heart that is fully His He fills it to overflowing **Modern Relationships** Vladimir Živković,2019 Men and women evolve Their love relationships evolve too In every new era there are different behavioral norms In the modern age there is no more interesting subject for people than love and sexual relationships and achieving happiness in them The main subject of this book is bad behavioral patterns of modern people in love relationships as well as unavoidable attaining of self satisfaction and satisfaction with one s life This book consists of three parts The first part deals with generalities on men women and their dispositions Because of the inevitable question that arises related to any human being when it comes to luck love and

meaning of life spirituality and God had to be a mandatory subject of this book Thus the first part is named Return to God Men and Women and it consists of texts which unite search for the meaning and spirituality of the modern man with its own wishes wants and fallacies of the modern men and women The second part of the book is even more intriguing for the mind of the modern man because it deals with sexuality games of seduction and sexual relationships of both sexes It is called Sexuality and Seduction and the title itself reveals that it s the endeavor of living positive sexuality as well as about the truth that s hidden between people playing games of seduction and manipulation The third part of the book is named Return to God Love Relationships and it is the pinnacle of this delicacy because it reveals many secrets but also mistakes that people nurture in the love relationships and due to them they cannot reach happiness and fulfillment All in all this book carries authenticity originality but also the positive experience because it reveals answers to a very big number of troubling and important questions of the modern people to which other books don t offer answers and if they do they are incomplete or wrong in the most of the cases This can already be reckoned by the incidence of misery and loneliness as well as broken marriages of people of both sexes Even if this book revolts the reader it is also useful for reading in that case Good luck

Learning to Be You David D. Swanson,2012-09-01 We all want the confidence that comes from living out of our true identity but how do we get there We don t magically discover our true selves when we reach our twenties And some of us spend our entire lives feeling like we are living a lie We can be torn apart by our duplicity or we can become so comfortable with putting on various personas to suit our situation that we don t even realize we re doing it But if we are followers and disciples of Christ our identity is already decided What we need to learn is how to understand and embrace it In this honest and penetrating book David D Swanson calls readers to take off their masks discover the true source of their identities and enjoy the peace and satisfaction that comes from being authentic and transparent to ourselves our God and the people who surround us He gently leads readers from their hiding places to a life of conviction and courage **The Yorkshire**
