

Seascape Needles Eye

Matthew G. Jenkins

Seascape Needles Eye:

Seascape: Needle's Eye George Oppen, 1969 Notes on George Oppen's Seascape: Needle's Eye Donald Davie, 1973

New Collected Poems George Oppen, 2008 Michael Davidson has done a masterful job of editing this new edition of the Collected Poems Few poets significantly alter and enhance the state of the art Oppen is one of them Michael Palmer Bookforum *Speaking with George Oppen* Richard Swigg, 2014-01-10 Seventeen interviews with George and Mary Oppen conducted between 1968 and 1987 are here brought together for the first time Two are fresh discoveries while re audited recordings of other interviews have given a new authoritative accuracy to the text These conversations provide a unique account of a major American poet's evolution through the Depression war exile and a return to poetry after two decades of silence They span Oppen's early years as an Objectivist his assessments of such as Ezra Pound and William Carlos Williams and his views on the merits of his later contemporaries Allen Ginsberg Jerome Rothenburg and others Above all it is Oppen's detailed commentary on his own writing and his explanations of how individual poems unfold which gives special importance to these new collected interviews *Aberration in Modern Poetry* Lucy Collins, Stephen Matterson, 2011-12-22 This critical work considers the role played by elements that might be considered aberrational in a poet's oeuvre With an introductory essay exploring the nature of aberration these fourteen contributions investigate the work of major 20th century poets from the U S Britain Ireland Australia and New Zealand Aberration is considered from the standpoint of both the artist and the audience prompting discussion on a range of important issues including the formation of the canon Each essay discusses the status of the aberrant work and the ways in which it challenges enlarges or supports the overall perception of the poet

George Oppen George Oppen, 2003 A selection of innovative poems by the groundbreaking Pulitzer Prize winner **The "winter Mind"** Burt Kimmelman, 1998 Through special attention to his uniquely elegant style this study demonstrates how Bronk has brought together earlier American poetics and philosophy with modern and postmodern notions of being emptiness and nothingness **George Oppen** Richard Swigg, 2016-08-26 George Oppen's standing in American poetry has never been greater Yet despite the mass of critical writing since his death in 1984 the essential basis of the verse the words on the page and their acoustics has rarely been the subject of discussion In this book therefore Richard Swigg breaks away from the general trend of Oppen studies and offers the reader a direct way into the visual and auditory dimension of the poems Ranging across the entire span of the work from the 1930s to the 1970s he traces for the first time the full extent of Oppen's engagement with the concrete world and his important poetic relationships with Charles Reznikoff Denise Levertov Charles Tomlinson and others **George Oppen** Lyn Graham Barzilai, 2006-07-25 This book offers a detailed look into the life and works of Pulitzer Prize winning Jewish American poet George Oppen Born in 1908 in New York State Oppen spent parts of his life working as a die cutter and carpenter and later running a furniture factory Like the work he did with his hands during those years his poetry used basic materials he favored short simple nouns and focused on concrete objects

rather than abstractions This book examines the characteristics of Oppen's work particularly his use of small and often odd phrasings and unusual line formations to express the ultimately inexpressible The first three chapters delve into his primitive modes language and materials Subsequent chapters tackle his subjects cityscapes light and water and then animals and their relation to human history and struggles His final collection of poems *Primitive* is examined in its own chapter which is followed by an exploration of recurring specific phrases and concrete images The author demonstrates how Oppen's poetry restores to readers an essential dimension of communication and experience that has been ignored or forgotten George Oppen and the Fate of Modernism Peter Nicholls, 2007-10-25 This study of 20th century American poet George Oppen promises to become a key resource for those interested not only in Oppen himself but in the history of literary modernism Drawing extensively on largely unpublished papers and presenting material that has not yet appeared in print Peter Nicholls gives a detailed account of Oppen's life and work enriched by close readings of many of his poems *The Book of Samuel* Mark Rudman, 2009-03-21 Crisis breakdown rejuvenation this is the territory of poetry that Rudman takes readers into with this set of essays Constructed as a series of character studies the essays are rooted in autobiographical material with biographical counterpoints tying the poets distinctly to places Even as they are placed however they are displaced Rudman's subjects from D H Lawrence to Czeslaw Milosz to T S Eliot are almost all exiles either geographically or within themselves This exile spins anger into energy transmuting emotion into imagination the same way that Passaic Falls known to William Carlos Williams turns water into power The mosaic style of the essays touches on nerve after nerve avoiding the snags of academic jargon to ease towards an illuminating truth about the artists shifting work and worlds Some of the Samuels Beckett and Fuller were able to navigate these shifts while others Coleridge and Johnson are shown to be less able to transmute their energy into motion Ghostlier Demarcations Michael Davidson, 1997-01-01 Why do modern poets quote from dictionaries in their poems How has the tape recorder changed the poet's voice What has shopping to do with Gertrude Stein's aesthetics These and other questions form the core of *Ghostlier Demarcations* a study of modern poetry as a material medium One of today's most respected critics of twentieth century poetry and poetics Michael Davidson argues that literary materiality has been dominated by an ideology of modernism based on the ideal of the autonomous work of art which has hindered our ability to read poetry as a socially critical medium By focusing on writing as a palimpsest involving numerous layers of materiality from the holograph manuscript to the printed book Davidson exposes modern poetry's engagement with larger historical forces The palimpsest that results is less a poem than an arrested stage of writing in whose layers can be discerned ghostly traces of other texts Why do modern poets quote from dictionaries in their poems How has the tape recorder changed the poet's voice What has shopping to do with Gertrude Stein's aesthetics These and other questions form the core of *Ghostlier Demarcations* a study of modern poetry as a material medium One of today's most respected critics of twentieth century poetry and poetics Michael Davidson argues that literary materiality has been dominated by an ideology of

modernism based on the ideal of the autonomous work of art which has hindered our ability to read poetry as a socially critical medium By focusing on writing as a palimpsest involving numerous layers of materiality from the holograph manuscript to the printed book Davidson exposes modern poetry's engagement with larger historical forces The palimpsest that results is less a poem than an arrested stage of writing in whose layers can be discerned ghostly traces of other texts

The Forms of Youth Stephen Burt, 2007 Early in the twentieth century Americans and other English speaking nations began to regard adolescence as a separate phase of life Associated with uncertainty inwardness instability and sexual energy adolescence acquired its own tastes habits subcultures slang economic interests and art forms The first comprehensive study of adolescence in twentieth century poetry The Forms of Youth recasts the history of how English speaking cultures began to view this phase of life as a valuable state of consciousness if not the very essence of a Western identity BOOK JACKET

"Objectivists" 1927-1934 Tom Sharp, 1982 Writing Into the Future Alan Golding, 2022-09-13 The dial The little review and the dialogics of the modernist new The new American poetry revisited again New newer and the newest American poetries Poetry anthologies and the idea of the mainstream Serial form in George Oppen and Robert Creeley Place space and new syntax in Oppen's Seascape needle's eye Macro micro material Rachel Blau DuPlessis's Drafts and the post objectivist serial poem Drafts and fragments Rachel Blau DuPlessis's counter Poudian project Drawings with words Susan Howe's visual feminist poetics Authority marginality England and Ireland in the work of Susan Howe Bruce Andrews writing and poetry What about all this writing Williams and alternative poetics Language writing digital poetics and transitional materialities

Thinking Poetry Peter Nicholls, Peter Boxall, 2016-03-16 This collection brings together some of the most prominent critics of contemporary poetry and some of the most significant poets working in the English language today to offer a critical assessment of the nature and function of poetic thought Working at once with questions of form literary theory and philosophy this volume gives an extraordinarily diverse original and mobile account of the kind of thinking that poetry can do The conviction that moves through the collection as a whole is that poetry is not an addition to thought nor a vehicle to express a given idea nor an ornamental language in which thinking might find itself couched Rather all the essays suggest that poetry itself thinks in ways that other forms of expression cannot thus making new intellectual political and cultural formulations possible This book was originally published as a special issue of Textual Practice

Poetic Obligation Matthew G. Jenkins, 2008-04 Since at least the time of Plato's Republic the relationship between poetry and ethics has been troubled Through the prism of what has been called the new ethical criticism inspired by the work of Emmanuel Levinas G. Matthew Jenkins considers the works of Objectivists Black Mountain poets and Language poets in light of their full potential to reshape this ancient relationship American experimental poetry is usually read in either political or moral terms Poetic Obligation by contrast considers the poems of Louis Zukofsky Charles Reznikoff George Oppen Edward Dorn Robert Duncan Susan Howe and Lyn Hejinian in terms of the philosophical notion of ethical obligation to the Other in language Jenkins's

historical trajectory enables him to consider the full breadth of ethical topics that have driven theoretical debate since the end of World War II This original approach establishes an ethical lineage in the works of twentieth century experimental poets creating a way to reconcile the breach between poetry and the issue of ethics in literature at large With implications for a host of social issues including ethnicity and immigration economic inequities and human rights Jenkins s imaginative reconciliation of poetry and ethics will provide stimulating reading for teachers and scholars of American literature as well as advocates and devotees of poetry in general Poetic Obligation marshals ample evidence that poetry matters and continues to speak to the important issues of our day **Encyclopedia of American Poetry: The Twentieth Century** Eric L.

Haralson,2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States Songs of Degrees John Taggart,1994 Songs of Degrees brings together 19 related essays on contemporary American poetry and poetics published as journal articles between 1975 and 1989 by poet and theorist John Taggart Over the past two decades Taggart has been a significant intellectual and artistic force for a number of major American poets By focusing on the work of several major and less well known American experimental poets from the 1930s to the present Taggart not only traces the origins and evolution of this experimental tendency in recent poetry but also develops new theoretical tools for reading and appreciating these innovative and complex works The essays are written from the engaged perspective of an active poet for other poets as well as for those who would like to read and think about poetry in a participatory fashion The essays thus present inside narratives of some of the most challenging contemporary American poetry The range of Songs of Degrees extends from the Black Mountain poets Charles Olson and Robert Duncan to such language poets as Bruce Andrews and Susan Howe Taggart closely examines the work of the objectivist poets George Oppen and Louis Zukofsky Three essays are devoted to each of these poets providing detailed readings of individual poems and considerations of each poet s overall achievement Taggart also concentrates on poets whose work has not been widely recognized or is only now beginning to be recognized These include Theodore Enslin Frank Samperi and William Bronk Taggart s essay Reading William Bronk is the first extensive reading of this relatively unknown but truly outstanding poet Taggart s essays also focus on his own poetry He describes the composition process and the thinking behind it as well as the poet s own evolving sense of what the poem can and ought to be These very personal reflections are unique in their attention to current questions concerning form and the issue of spiritual vision Avoiding political and cultural reductionism Taggart throughout keeps his eye and heart on the poetic

singing his own Songs of Degrees even as he discovers notes of the same music in the works of other The Music of Thought in the Poetry of George Oppen and William Bronk Henry Weinfield, 2009-03 George Oppen 1908 1984 born into a prosperous German Jewish family began his career as a protégé of Ezra Pound and a member of the Objectivist circle of poets he eventually broke with Pound and became a member of the Communist party before returning to poetry more than twenty five years later William Bronk 1918 1999 by contrast a descendant of the first European families in New York was influenced by the works of Shakespeare the King James Bible and the work of the New England writers of the American Renaissance Despite differences in background and orientation the two men formed a deep friendship and shared a similar existential outlook As Henry Weinfield demonstrates in this searching and original study Oppen and Bronk are extraordinary thinkers in poetry who struggled with central questions of meaning and value and whose thought acquires the resonance of music in their work These major writers created poetry of enduring value that has exerted an increasing influence on younger generations of poets From his careful readings of Oppen's and Bronk's poetry to his fascinating examination of the letters they exchanged Weinfield provides important aesthetic epistemological and historical insights into their poetry and poetic careers In bringing together for the first time the work of two of the most important poets of the postwar generation The Music of Thought not only illuminates their poetry but also raises important questions about American literary history and the categories in terms of which it has generally been interpreted

The Enigmatic Realm of **Seascape Needles Eye**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Seascape Needles Eye** a literary masterpiece penned by a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of people who partake in its reading experience.

Seascope Needles Eye Introduction

Seascope Needles Eye Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Seascope Needles Eye Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Seascope Needles Eye : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Seascope Needles Eye : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Seascope Needles Eye Offers a diverse range of free eBooks across various genres. Seascope Needles Eye Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Seascope Needles Eye Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Seascope Needles Eye, especially related to Seascope Needles Eye, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Seascope Needles Eye, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Seascope Needles Eye books or magazines might include. Look for these in online stores or libraries. Remember that while Seascope Needles Eye, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Seascope Needles Eye eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Seascope Needles Eye full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Seascope Needles Eye eBooks, including some popular titles.

FAQs About Seascope Needles Eye Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Seascope Needles Eye is one of the best book in our library for free trial. We provide copy of Seascope Needles Eye in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Seascope Needles Eye. Where to download Seascope Needles Eye online for free? Are you looking for Seascope Needles Eye PDF? This is definitely going to save you time and cash in something you should think about.
