success and examines the battles they faced It presents the stories of champions who desired to reflect glory back to God by using their jersey and the platform God had given them to make a positive difference in the world Even so sometimes their great intentions were hijacked by pride materialism distractions and deficiencies within their own character that were never truly understood until the ultimate success had come their way Intended for players coaches and parents that want to learn and in turn teach important lessons about how to properly align their love of sports with Gods heart The Jersey Effect advocates for a full 360 degrees of influence coach on player player on coach player on parents parents on player and team on community The Jersey Effect demonstrates how to pursue the ultimate prize a goal that has little to do with winning a championship ring and everything to do with how we can have a positive effect on those around us through the sports we love
