Andrew Swann,2016-03 The third book in this humorous and offbeat fantasy series where magic is rarely perfect heroes are rarely

honorable and you just might wake up in a body that's not your own. It has been a year since former thief Frank Blackthorne became Princess of Lendwyn and married a dragon. He's coming to terms with his new life but during the royal anniversary banquet an elven prince reads a scroll of evil magic and Frank's world is turned upside down. Again. The scroll's spell causes a murderous rampage in a palace full of noble dignitaries so it's no surprise Frank's visitors are angry. The Elf King Timoras threatens war but Frank can't do anything about it because of the same bit of scroll magic the ex-Dragon Lucille has taken over the princess's body unaware that Frank is still there locked in her skull. And worst of all the fate of everyone may soon rest on the shoulders of the man responsible for the whole mess someone who should be safely dead.

Dragon Bones

Brendan Hudson, 2012-10-20 Something evil is stirring. With the war over Emily was hoping to begin her adventure and finally have some fun in the dragon world. But with her transformation into a dragon steadily worsening every time she goes home she is becoming increasingly frustrated distancing herself from everyone and behaving recklessly. Emily travels deeper into the dragon world in search of a magical ingredient to cure her problem but instead she discovers the truth behind the war. A truth she wishes she never unveiled. With evil threatening to return time is running out. With some new friends to help and old enemies to fight Emily will have the fight of her life to save both worlds and keep herself alive.

Dragon Blood

Brendan Hudson, 2012-12-01 Battles are raging in both worlds and time is rapidly running out. With Ze'ev creating a massive army to invade the human world and Uhila Ruark hell-bent on destroying Onani once again this is Emily's last chance. With her new weapon and new skills she is ready to take on evil and end it once and for all. But with her dragon friends trapped in the human world and her other friends spread throughout the land fighting their own battles the odds are stacking up against her and just to make matters worse the military have found their way into the dragon world. Two evil dragons and an entire army against one fourteen-year-old girl isn't very fair but everyone knows that Emily Sutton is not an ordinary fourteen-year-old girl. The fate of both worlds is on her shoulders.
