Robinson,2013-05-02 Innocence Knowledge and the Construction of Childhood provides a critical examination of the way we regulate children s access to certain knowledge and explores how this regulation contributes to the construction of childhood to children s vulnerability and to the constitution of the good future citizen in developed countries Through this controversial analysis Kerry H Robinson critically engages with the relationships between childhood sexuality innocence moral panic censorship and notions of citizenship This book highlights how the strict regulation of children s knowledge often in the name of protection or in the child s best interest can ironically increase children s prejudice around difference increase their vulnerability to exploitation and abuse and undermine their abilities to become competent adolescents and adults Within her

work Robinson draws upon empirical research to provide an overview of the regulation and governance of children's access to difficult knowledge particularly knowledge of sexuality explore and develop Foucault's work on the relationship between childhood and sexuality identify the impact of these discourses on adults' understanding of childhood and the tension that exists between their own perceptions of sexual knowledge and the perceptions of children reconceptualise children's education around sexuality Innocence Knowledge and the Construction of Childhood is essential reading for both undergraduate and postgraduate students undertaking courses in education particularly with a focus on early childhood or primary teaching as well as in other disciplines such as sociology gender and sexuality studies and cultural studies
