

A scenic landscape at sunset or sunrise. The sky is a mix of orange, yellow, and blue, with the sun low on the horizon. A winding road curves through the landscape, and a body of water in the foreground reflects the sky and the surrounding hills. The overall mood is peaceful and contemplative.

We have all known the long
loneliness and we have learned
that the only solution is love and
that love comes with community.

Autobiographical writings on faith frequently come from the lives of ordinary persons whose struggles with faith are often lived at the margins of the church academy and society Yet these voices have the potential to reshape the ways in which each of these fields function To find out what it means to stand before God with all of one's humanity on display is to engage in not only the act of confession but to demonstrate a bold theological reflection that needs to be more explicitly understood By turning to spiritual autobiographies as theological source texts we learn to place our emphasis where it matters most on the people whose lives of faith move us deeply and cause us to re-examine our own lives in light of their witness Moving through a range of ancient early modern and contemporary spiritual writers in order to demonstrate a profound connection that unites them all this book portrays how a critical self-examination of one's most personal internal fractures our poverty as it were is the only way to develop a life of faith the dual meaning of the word confession which expresses both a revealing of one's sins or brokenness and the articulation of what one believes A Short Guide to Spiritual Formation Alex Sosler, 2024-05-28 Christianity Today 2025 Book Award Christian Living Spiritual Formation Outreach 2025 Resource of the Year Spiritual Growth With so many distractions in life we must be deliberate in our search for God and Sosler's book gives masterful guidance Christianity Today In a society always seeking the new and novel Christians can become more grounded and mature through a retrieval of our common tradition Alex Sosler sets forth the transcendentals of truth goodness and beauty along with community to help readers follow the way of Jesus Weaving together church history theology and devotional practice Sosler offers a holistic introduction to spiritual formation encompassing biblical truth the pursuit of the good life the contemplation of God and communal belonging Each section includes a biblical and historical precedent for the tradition and highlights an exemplar from church history Augustine on truth Dorothy Day on goodness Teresa of Avila on beauty and Dietrich Bonhoeffer on church commitment and community This accessible book provides avenues for a broader and deeper spirituality that can shape the complexity of our souls It is ideal for undergraduate students and as a formation primer for church adult education classes classical schools and homeschooling communities The Star Thrower Loren C. Dorothy Day and the Catholic Worker Nancy L. Roberts,1985-06-30 Fifty years ago Dorothy Day sold the first issue of the Catholic Worker in New York and one of the most remarkable newspapers in American history was born It advocated something revolutionary for 1933 America the union of Catholicism with a passionate concern for social justice and with personal activism Today the Catholic Worker still a monthly with some 100 000 subscribers remains a leader in pacifism and social justice activism The dean of American journalism historians Edwin Emery recently acknowledged the extremely significant role of the Catholic Worker in the history of advocacy and religious

journalism Dorothy Day and the Catholic Worker examines Dorothy Day's vital role as editor, publisher and chief writer, the person who guided the paper's content and tone until her death in 1980 at the age of 83. A devout Catholic, Dorothy Day never criticized the Church's teachings, only its failure to live up to them. Her determined leadership gave the Catholic Worker its consistency and continuity through even those periods in American history most hostile to its message. Dorothy Day and the Catholic Worker is the first full-length scholarly study of the newspaper. Drawing primarily on the Dorothy Day Catholic Worker Collection at Marquette University and on interviews with former Catholic Worker editors from the 1930s on, it traces the paper's history, highlighting crisis points such as the Spanish Civil War and World War II, when individuals selling the Catholic Worker were sometimes beaten in the streets. During the McCarthy era, the Korean War and the war in Vietnam, the Catholic Worker maintained its commitment to peace and social justice. A final chapter links the Catholic bishops' recent pastoral letter on nuclear warfare with the peace leadership provided by the Catholic Worker. *Unruly Saint* D.L. Mayfield,

The Catholic Worker Movement Mark Zwick, Louise Zwick, 2005 This book is essential reading for understanding the legacy behind the Catholic Worker Movement. The founders of the movement, Dorothy Day and Peter Maurin, met during the Great Depression in 1932. Their collaboration sparked something in the Church that has been both an inspiration and a reproach to American Catholicism. Dorothy Day is already a cultural icon. Once maligned, she is now being considered for sainthood. From a bohemian circle that included Eugene O'Neil to her controversial labor politics to the founding of the Catholic Worker Movement, she lived out a civil rights pacifism with a spirituality that took radical message of the Gospel to heart. Peter Maurin has been less celebrated but was equally important to the movement that embraced and uplifted the poor among us. Dorothy Day said he was a genius, a saint, an agitator, a writer, a lecturer, a poor man and a shabby tramp. Mark and Louise Zwick's thorough research into the Catholic Worker Movement reveals who influenced Peter Maurin and Dorothy Day and how the influence materialized into much more than good ideas. Dostoevsky, Catherine of Siena, Teresa of Avila, Francis of Assisi, Therese of Lisieux, Jacques and Raissa Maritain and many others contributed to fire in the minds of two people that sought to blow the dynamite of the Church in 20th-century America. This fascinating and detailed work will be meaningful to readers interested in American history, social justice, religion and public life. It will also appeal to Catholics wishing to live the Gospel with lives of action, contemplation and prayer.

Gandhi and Beyond David Cortright, 2020-03-10 David Cortright is a life-long activist and respected scholar. In *Gandhi and Beyond*, he convincingly shows the power of nonviolence as a philosophy of life, not just a method of social action. His practical analysis of Gandhi, Martin Luther King, Dorothy Day, Cesar Chavez and others brings new insights and inspiration to those of us attempting to live that philosophy and to those especially a new generation who are seeking a better way to respond to their world. I commend this book to all who are seeking an alternative to violence. Jim Wallis, author of *God's Politics* and editor of *Sojourners*. Is there room for nonviolence in an age of terrorism? Drawing on the legend and lessons of Gandhi, Cortright traces the history of nonviolent social activism.

through the early twentieth century to the civil rights movement the Vietnam era and up to the present war in Iraq Gandhi and Beyond offers a critical evaluation and refinement of Gandhi s message laying the foundation for a renewed and deepened dedication to nonviolence as the universal path to social progress and antidote to terrorism *Unruly Saint*
Danielle L. Mayfield,2022 In 1933 in the shadow of the Great Depression Dorothy Day launched the Catholic Worker Movement a worldwide crusade for equality In *Unruly Saint* D L Mayfield illuminates the ways in which Day found the love of God in and expressed it for her neighbors during a time of great upheaval
