Press and Publications Summary United States Information Service (Taipei, Taiwan), 1963 *Government Secrecy* Jan Goldman Ph.D., Susan Maret, 2008-12-30 *Government Secrecy* presents the best that has been thought and written on the subject including history and philosophy theory and practice justification and critique Through readings which range from Georg Simmel on secrecy and Max Weber on bureaucracy and secret keeping to post 9/11 concerns regarding freedom of information and presidential secrecy it enables readers to explore the issues and questions that surround the government's right to keep necessary secrets or not This collection and the diverse perspectives it represents will engage students and other interested parties in a discussion of the benefits and dangers of government secrecy The collection is designed to generate questions regarding historical accuracy of government information information ethics professional neutrality ownership of information public right to information national security and transparency The essays explore the criteria and conditions for government secret keeping as well as contributing to public and academic discussion of the role of secrets in democracies **From Adam Smith to Maynard Keynes** Vincent W. Bladen, 1974-12-15 In this survey of the great exponents of the classical tradition Vincent Bladen examines the thought and works of Adam Smith T R Malthus Henry Thornton David Ricardo J S Mill Karl Marx W S Jevons Alfred Marshall and John Maynard Keynes and relates their views to modern situations This is a personal introduction by one of Canada's senior economists to some of the great books in the English literature of political economy Vincent Bladen wrote it to induce an interest in and an understanding of the economic

classics in the belief that contemplation of those works will increase our understanding of current economic writing and current economic problems For the purpose of discussing the development of wealth the major concern of economists Bladen defines four periods within the classical tradition and demonstrates that in each there appeared a characteristic preoccupation with a particular area of economics From Adam Smith to John Stuart Mill the principal concern was productivity and growth the neoclassical economists represented by Jevons and Marshall emphasized the problems of allocation of given productive resources depressions in the twenties and thirties and the impact of Keynesian theory led to a preoccupation with employment and after World War II attention shifted to growth Bladen is critical of previous histories of economic thought by isolating the treatment of one element in a complex and integrated system of thought they frequently misrepresent each author s treatment of the particular element In this work he attempts to show each aspect of the work of the economists he has selected in the context of an integrated whole *Advances in Cryptology* David Chaum,2013-06-29

Index to Hanford Atomic Products Department Technical Documents C. T. Davis,1967 Wilhelm Meister's Johann von Goethe,Johann Wolfgang von Goethe,1894 Wilhelm Meister s Apprenticeship and Travels by Johann Wolfgang von Goethe Wilhelm Meister s Apprenticeship German Wilhelm Meisters Lehrjahre is the second novel by Johann Wolfgang von Goethe published in 1795 96 The eponymous hero undergoes a journey of self realization The story centers upon Wilhelm s attempt to escape what he views as the empty life of a bourgeois businessman After a failed romance with the theater Wilhelm commits himself to the mysterious Tower Society These two translations Meister s Apprenticeship and Meister s Travels have long been out of print but never altogether out of demand nay it would seem the originally somewhat moderate demand has gone on increasing and continues to increase They are therefore here republished and the one being in some sort a sequel to the other though in rather unexpected sort they are now printed together The English version of Meister s Travels has been extracted or extricated from a compilation of very various quality named German Romance and placed by the side of the Apprenticeship its forerunner which in the translated as in the original state appeared hitherto as a separate work

Undertones of War Edmund Blunden,2015-07-09 This military memoir from the six time Nobel Prize nominated poet and British WWI soldier is one of the permanent works engendered by the memories of war Paul Fussell National Book Award winning author of *The Great War and Modern Memory* I took my road with no little pride of fear one morning I feared very sharply as I saw what looked like a rising shroud over a wooden cross in the clustering mist Horror But on a closer study I realized that the apparition was only a flannel gas helmet What an age since 1914 In *Undertones of War* one of the finest autobiographies to come out of World War I the acclaimed poet Edmund Blunden records his devastating experiences in combat After enlisting at the age of twenty he took part in the disastrous battles at the Somme Ypres and Passchendaele describing them as murder not only to the troops but to their singing faiths and hopes All the horrors of trench warfare all the absurdity and feeble attempts to make sense of the fighting all the strangeness of observing war as a writer of being

simultaneously soldier and poet pervade Blunden's memoir. In steely-eyed prose as richly allusive as any poetry he tells of the endurance and despair found among the men of his battalion including the harrowing acts of bravery that won him the Military Cross. Now back in print for American readers the volume includes a selection of Blunden's war poems that unflinchingly juxtapose death in the trenches with the beauty of Flanders's fields. *Undertones of War* deserves a place on the bookshelves of military buffs and poetry lovers.

God of Battles Peter Partner, 1998 Peter Partner shows how the ideal of the crusade God's War came to permeate medieval Christendom and how it influenced later Western societies. Above all this book examines the fear that Islamic fundamentalism excites in the west and warns against allowing crusading war propaganda to affect our judgment today. 24 illustrations. Maps.
