Long Slide:

The Long Slide Tucker Carlson, 2021-08-10 INSTANT NEW YORK TIMES BESTSELLER From the host of Tucker Carlson Tonight on Fox News and the New York Times bestselling author of *Ship of Fools* a collection of nostalgic writings that underscore America's long slide from innocence to orthodoxy Thirty years ago Tucker Carlson got his first job out of college fact checking for a quarterly magazine and he went on to write for many other publications before becoming the primetime Fox News host he is today In *The Long Slide* Tucker delivers a few of his favorite pieces annotated with new commentary and insight to memorialize the tolerance and diversity of thought that the media used to celebrate instead of punish In snapshots spanning the 1990s to today he'll take you on a visit to Africa with Al Sharpton and members of the Nation of Islam to stop the civil war in Liberia in 2003 inside the not so secret armies of Operation Iraqi Freedom and on the campaign trail with Donald Trump in 2016 In case you missed it the first time around you'll also learn about the aesthetic merits of British colonialism the second shift at a baked bean factory the unexpected charm of James Carville and the simple beauty of rural western Maine With his signature wit and 20/20 hindsight Tucker investigates in this patriotic and memorable collection a question on all of our minds Has America really changed that much in recent decades The answer is unequivocally yes

Friction Coefficients for Stainless Steel/PTFE (teflon) Bearings John Stanton, Josef C. Taylor, 2010 **Oligarchy in America** Luke Winslow, 2024 A fascinating survey of the history of political and economic ideas in the US that have led to an increasingly entrenched ultra rich class of oligarchs To an American oligarchy is something that happens somewhere else In *Oligarchy in America* Luke Winslow reveals oligarchy's deep intellectual roots and alarming growth in America The book provides conceptual tools the lack of which have prevented Americans from recognizing oligarchy at home Winslow argues that generic labels like billionaires for a class of ultra rich masks the pervasive structures that entrench their power He introduces instead the concept of democratic oligarchy an institutional arrangement in which the ultra rich form a class consciously creating and leveraging state power to accumulate wealth Like a master class in political ideas Winslow traces the intellectual lineage of oligarchy in the US His lively and compulsively readable survey examines key rhetorical sources such as Herbert Spencer Andrew Carnegie Friedrich Hayek Lewis Powell Milton Friedman Charles Koch Donald Trump Tucker Carlson and others *Oligarchy in America* maps the connective web of oligarchic ideas uniting these disparate figures By offering a lucid framework through which to view oligarchic ideas ambient in American culture Winslow makes a vital contribution to readers and scholars of communication and rhetorical studies public address economics and political science

The technical educator, an encyclopædia Technical educator, 1844 *The Technical Educator* Anonymous, 2023-07-16 Reprint of the original first published in 1873 **Brand Vs. Chapter 11 Do Conclusion About the Author References Index *Curling Rocks!* John Cullen, 2025-10-14 Drawing on author John Cullen's years of experience as both a stand up comic and an elite curler *Curling Rocks* offers a lighthearted expertly detailed look at a unique sport and its history from the most absurd curling fashions to the most sublime matches ever played. The sport of curling continues to expand its global reach attracting new players and fans far beyond traditional strongholds. Yet even in Canada a country with a long curling history and fifteen hundred clubs of its own the game is often dismissed as an eccentric pastime. According to author John Cullen this is because curling is both inherently funny and chronically underestimated as a battle of skill and strategy. And Cullen is perfectly qualified to make this double edged claim not only is he a stand up comic with many years of experience at the mic but he's had years on the ice as an elite curler. Because most previous books on curling have been either how to guides or standard biographies of prominent players there has long been space for a reader friendly overview of the roaring game a nickname inspired by the sound of the forty pound stone en route to its target. *Curling Rocks* sets out to fill this gap with a lighthearted expertly detailed account of the sport ranging from the absurd to the sublime. Next to his observations on ill fitting fashions and odd scandals among them Broomgate when controversial new sweeping technology almost took out the curling world Cullen offers insights on everything from the greatest matches ever played to the peculiar heartbreak that comes with losing. In these inviting irreverent and often deeply personal essays Cullen finally gives the perplexing beloved game its due. **Gun Trader's Guide, Thirty-Fourth Edition** Stephen D. Carpenter, 2012-10-01 *Gun Trader's Guide* is the original reference guide for gun values. For more than half a century this book has been the standard reference for collectors curators dealers shooters and gun enthusiasts.
