The Collected Poems of Kenneth Koch Kenneth Koch, 2012-07-25 Kenneth Koch has been called one of our greatest poets by John Ashbery and a national treasure in the 2000 National Book Award Finalist Citation Now for the first time all of the poems in his ten collections from *Sun Out* poems of the 1950s to *Thank You* published in 1962 to *A Possible World* published in 2002 the year of the poet's death are gathered in one volume Celebrating the pleasures of friendship art and love the poetry of Kenneth Koch has been dazzling readers for fifty years Charter member along with Frank O'Hara John Ashbery and James Schuyler of the New York School of poets avant garde playwright and fiction writer pioneer teacher of writing to children Koch gave us some of the most exciting and aesthetically daring poems of his generation These poems take sensuous delight in the life of the mind and the heart often at the same time O what a physical effect it has on me To dive forever into the light blue sea Of your acquaintance In Love with You Here is Koch's early work love poems like *The Circus* and *To Marina* and such well remembered comic masterpieces as *Fresh Air* *Some General Instructions* and *The Boiling Water* A serious moment for the water is when it boils And here are the brilliant later poems *One Train May Hide Another* the deliciously autobiographical address in *New Addresses* and the stately elegy *Bel Canto* poems that beneath a surface of lightness and wit speak with passion depth and seriousness to all the most important moments in one's existence Charles Simic wrote in *The New York Review of Books* that for Koch poetry has to be constantly saved from itself The idea is to do something with language that has never been done before In the ten exuberant hilarious and heartbreaking books of poems collected here Kenneth Koch does exactly that

The Collected Poems of Delmore Schwartz Delmore Schwartz, 2024-04-02 The first complete collection of the poetry of Delmore Schwartz the most underrated poet of the twentieth century John Berryman When Delmore Schwartz published his first short story *In Dreams Begin Responsibilities* in *Partisan Review* in 1937 he became an instant literary celebrity After the appearance of his first book by the same name he was inundated with praise The famed poet Allen Tate wrote to him Your poetic style is beyond any doubt the first real innovation that we've had since Eliot and Pound and T.S. Eliot himself wrote Schwartz a letter asking him to compose more poetry The brilliant start of his career is matched perhaps only by its tragic end a lonely death after an extended period of alcoholism depression and derangement Today more than fifty years after his death in 1966 Schwartz is often remembered for the tragedy of his life rather than for the innovation and sad brilliance of his greatest work This book brings together all of Schwartz's poetry for the very first time from his groundbreaking debut collection to his unpublished late work which he kept writing until his death Accompanied by Ben Mazer's illustrative notes and introduction *The Collected Poems of Delmore Schwartz* offers readers the long awaited opportunity to rediscover one of the most influential and original poets of the twentieth century As Mazer writes in his introduction It is the poems that count now And it is the glory of the poems that survives here awaiting new life
