

Long Term Care Costs

across the United States

Annual Costs

Annual Median Cost of Long Term Care in the Nation

Home Health Care

\$44,616

Homemaker Services make it possible for people to live in their own homes or return to their homes by helping them complete household tasks that they can't manage alone.

\$45,760

Home health aides may offer care to people who need more extensive personal care than family or friends are able to or have the time or resources to provide.

\$17,904

Adult Day Health Care

Adult Day Health Care can offer a break to caregivers. This type of care provides services at a community-based center for adults who need assistance or supervision during the day but who do not need round the clock care. The centers may provide health services, therapeutic services and social activities.

\$43,200

Assisted Living Facility

These facilities are living arrangements that provide personal care and health services for people who may need assistance with Activities of Daily Living. The level of care provided is not as extensive as that which may be provided in a nursing home. Assisted living is not an alternative to a nursing home, but an intermediate level of long term care.

\$80,300

Nursing Home Care

Nursing Home Care is for people who may need a higher level of supervision and care than in an assisted living facility. They offer residents personal care, room and board, supervision, medication, therapies and rehabilitation, as well as skilled nursing care 24 hours a day.
