Study of Furnishings Alternatives Sharon A. Brown,1985 *Hasanlu V* Michael D. Danti,2013-09-24 Hasanlu V provides archaeologists with a new more accurate chronology of Hasanlu the largest and arguably the most important archaeological site in the Gadar River Valley of northwestern Iran This revised chronology introduces Hasanlu Periods VIa V and IVc for the first time Based on new findings the report overturns current constructions of the origins of the archaeological culture in Hasanlu which sought to link the Monochrome Burnished Ware Horizon formerly known as the Early Western Grey Ware Horizon to the migration of new peoples into western Iran in the later second millennium B C Hasanlu V shows instead that the Monochrome Burnished Ware Horizon developed gradually from indigenous traditions This reappraisal has important implications for our understanding of Indo Iranian migrations into the Zagros region University Museum Monograph 137

Wlasuk, 2013-04-17 Why write another guide to observing the Moon That was the question I was pondering as I began this project having a fine collection of classic lunar guidebooks dating back to 1791 in my own library As a Fellow of the Royal Astronomical Society RAS member of the American Astronomical Society's Division for Planetary Sciences AAS DPS and member of the American Geophysical Union AGU I am fortunate to know many professional lunar scientists who keep me up to date with developments in lunar science contrary to public perception lunar science has definitely not stagnated since the last Apollo No 17 left the surface of the Moon in December 1972 I am also lucky to know many amateur lunar observers who like me enjoy actually looking at the Moon with telescopes and imaging it with a wide variety of devices ranging from regular 35 mm cameras to video recorders and CCD cameras My friends who study the Moon whether in their professions or just for fun gave me several reasons for doing another lunar guidebook First the last lunar observer's guide of any length was published over ten years ago and many reviewers noted that it was badly out of date even then **Northwestern Christian Advocate** ,1902 **Iowa Weekly Weather and Crop Report** ,1921 SUMMARY Data on Iowa weather and its effects on fields crops and livestock *Davis v.
