Indira Files: A Critical Look At The Controversial Side of Indira Gandhi Vishnu Sharma, 2023-12-21 Analyze the controversial side of Indira Gandhi's political legacy with Indira Files offering a critical examination of her leadership and policies I have always felt that Indira Gandhi is the exceptional and foremost example of the dynastic politics of independent India She is a perfect example of dynastic rule on one hand she is called the Iron Lady on the other hand people pay tribute to her dictatorship for imposing emergency in the country Where on one hand Indira Gandhi carved her name in golden letters in Indian history by dividing Pakistan into two on the contrary she has also endured the slogans like Sanjay ki mummy badi nikammi for blindly loving her son like Gandhari loved Duryodhana Nonetheless we cannot forget that it was Indira Gandhi who gave wings to India's strength and courage by conducting the Nuclear Test however she was also the Prime Minister for whom the High Court issued orders to be removed from her office In fact Indira Gandhi is merely a symbol of dynasty politics The point here is to remind the young people that they cannot strive for ideal politics by idolising those who have flourished through family inheritance of post or position In today's scenario there are numerous political parties that operate under a single family's control Although I hold great admiration for Indira Gandhi however her darker side is perhaps more prominent Hence I believe that young aspirants who are interested in politics can learn valuable lessons from this book on what not to do

A New GCC Fiscal Era - A Look at the Macro and Firm-Level Impact of Tax Reforms Ms. Anja Baum, Ms. Dorothy Nampewo, Greta Polo, 2025-04-11 In 2014 the collapse of global oil prices and the resulting increase in fiscal deficits and debt triggered a wave of spending cuts tax policy and subsidy reforms The introduction of excises and VAT broadening of CIT and subsidy reform have changed the GCC fiscal landscape Little is known on how those recent changes have been impacting the economy This paper first highlights the fiscal history and current fiscal landscape across the GCC It then utilizes both macroeconomic and firm level financial data to analyze the impact of tax policy reforms on economic and firm level outcomes using panel data techniques The paper finds that the different reforms have had a minor impact on GDP growth inflation and other economic variables while the impact on firms is more nuanced VAT is not found to impact firm financials suggesting well functioning VAT refund systems Changes to CIT however have some impact especially on smaller companies while the impact of excises depends on analyzed subgroups The emerging picture suggests that tax policy reforms have had an overall

rather small impact on the GCC economies but care should be taken in exact policy design
