Look What Happens At The Carwash:

This Is What Happened to Me Duet Brinson, 2020-06-18 Duet Brinson wrote *This Is What Happened to Me* to answer people's questions when they see him. People often ask, "What happened to you when they see his upper body that is covered in several keloid formations?" When Duet explained what happened, he is often met with looks of disbelief and with people thinking he is crazy. Some doctors said that they don't believe what Duet said. But Duet maintains, "It is the truth, so help me, God." Duet wants the people of the United States to know what happened to him after completing the superior job of burning missile compartments out of navy submarines at the Puget Sound Naval Shipyard. Duet was the first person to have the experience of completing this job. The job had to be completed within the agreed-upon three-month time span. Duet explains how this job has had numerous health-related repercussions, not only for him but also for his family.

[Hollywood Car Wash](#) Lori Culwell, 2009-05-05 College drama student Amy Spencer dreams of starring in independent films. When her roommate signs her up for a mysterious television project audition, she blows away the competition with her girl-next-door looks and impressive acting chops, inadvertently getting a starring role on a major TV show and going from Michigan teen to Hollywood starlet overnight. To keep the part, she didn't even know she wanted, Amy finds herself taking a spin through the Hollywood Car Wash to make her more marketable. First, she'll have to lose twenty pounds, don't ask how. Then it's new clothes, new teeth, blonder hair, new friends, and a megastar high-profile boyfriend, though hers comes with a big secret. Bombarded by jealous two-faced colleagues, overeager plastic surgeons, and manipulative network executives, Amy slowly learns that the only way to survive in Hollywood is to lose her identity. Will Amy get too caught up by the glitz, or will she get a grip on her life before it's too late? The hands-down winner of Touchstone's Media Predict Contest, a competition similar to American Idol for books, *Hollywood Car Wash* is as delicious and addictive as the celebrity gossip that inspired it.
