Chambers's Journal of Popular Literature, Science and Arts ,1910 Into the Lion's Den Tionne Rogers,2011-12-14 What would have happened if Constantin Repin had seduced Guntram first Could a naive young man be happy with a Russian gangster Could Konrad von Lintorff the Head of a mysterious secret organization allow his greatest enemy to live in bliss A parallel universe to the novel The Substitute Reprint NC 18 **Abundance of Treasure** Joyce Marjorie Widner,2003-02-03 *The Soul Link* Douglas Sharp,2017-09-12 Rebecca has been captured and awakens alone in the dark not knowing where she is She can feel that Llyr is alive but cannot contact him through the soul link Chained to a wall and without magic she must find a way to survive and escape Llyr was defeated by his brother and witnessed the fall of the tower on Avalon Being separated from Rebecca has created a problem the soul link is draining his body of all strength Despite not being able to stand on his own he's determined to return to his world and save Rebecca from the Archwizard Without Havaar to guide him he must rely on the ghosts of Havaar's school to find a way home *The Shadow Within* Lynette Tait,2017-07-27 The novel The Shadows Within by Lynette Tait is aptly named in that it deals with the manic and depressing effects of bipolar disorder It is most enlightening and should be of great value to those suffering from the disorder as well as to those indirectly influenced lovers friends or relatives This can result in a greater understanding of the disorder and contribute to support and encourage empathy toward victims of this disorder This disorder is interwoven in a gripping plot that includes drug smuggling and murder A sense of levity is brought to the telling and this contributes to the book being enjoyable and gripping The spiritual aspects of the story deviate from conventional trends in religion and this spirituality is sufficiently flexible to accommodate a variety of personal religious beliefs Central to this spirituality is a very obvious need experienced by the author a need to acknowledge the existence of a greater power The author submits herself to his hand in her life and experiences a great surge of gratitude The plot is a frenetic roller coaster that culminates in a violent twist in the tale The authors will to overcome results in her main character being portrayed as a super woman capable of surmounting all challenges and obstacles This journey into the shadows is not for the fainthearted
