Look Around And Listen:

New York Supreme Court, 1904 Listen Up Sandi Van, 2020-10-01 Lucas wants to speak out against the injustices he sees at his school but he is paralyzed by social anxiety. He decides to start an anonymous online video channel disguise his face and voice and expose the things no one dares to talk about. But when Lucas blames the student council president for harming another student her powerful parents become involved to unmask the social crusader. Afraid to lose the ground he gained with the videos but even more afraid to speak out in public Lucas must find a way to keep his voice from going silent.

Her Father's Daughter Marie Sizun, 2016-06-13 A taut and subtle family drama from France. A little girl lives happily with her mother in war-torn Paris. She has never met her father, a prisoner of war in Germany. But then he returns and her mother switches her devotion to her husband. The girl realizes that she must win over her father to recover her position in the family. She confides a secret that will change their lives. Why Peirene chose to publish this book. This is a poetic story about a girl's love for her father. Told from the girl's perspective but with the clarity of an adult's mind we experience her desire to be noticed by the first man in her life. A rare examination of the bonds and boundaries between father and daughter. Meike Ziervogel. A delicate discreet novel. Like its little heroine. Impressive. Sud Ouest. Dimanche. Sizun's beautifully controlled and simple story captures the surprisingly clear gaze of a little girl who discovers how adults excel in the art of concealment. Le Nouvel Observateur. This story brings to mind like a slap in the face our forgotten childhood memories. We remember the way adults fail to hear the tiny cries of the heart. Marie Claire **Midland; a Magazine of the**

Again what would drive a man to get that special trophy given to a great husband. Furthermore who will applaud him for it. For sure they don't make too many trophies because of the lack of demand. The truth of the matter is that it doesn't make a difference. If a man can work hard at being an expert husband he will reap very generous rewards. A woman who receives the caring and devotion and attention and unconditional love and time and support and entertainment and loyalty of her husband whew will
