## **Looking Back Jews In The Struggle For Democracy And Human Rights In South Africa:**

**Looking Back** Milton Shain, 2001 A photo documentation of the Jews of South Africa and their involvement in the struggle for human rights      **The Kasrils Affair** Joel B. Pollak, 2009 The inside story of a prominent Jewish politician outside Israel vehemently attacking the Israeli government and its policies publicly and self consciously as a Jew      **Studies in Contemporary Jewry** Ezra Mendelsohn, 2003 The essays in this book focus on the establishment of alliances between Jewish leaders and those of the state in return for Jewish support      Contemporary Jewish Writing in South Africa Claudia Bathsheba Braude, 2001-01-01 With the release of Nelson Mandela the advent of nonracial democracy and the Truth and Reconciliation Commission South Africans have found themselves grappling with the legacy of apartheid s racial and cultural divisions Together with Claudia Bathsheba Braude s path breaking introduction the stories collected in this anthology tap silences that were central to apartheid rule and that have particular resonances for South African Jewish history and memory Bringing together the best and most noteworthy of a wide range of contemporary writers who represent the historical specificities and contradictions of South African Jewish life under apartheid Contemporary Jewish Writing in South Africa makes compellingly clear the depths and complexities of a society in which racial identities including Jewish whiteness were deliberately constructed The contributors include Nobel Prize winning novelist Nadine Gordimer well known writers such as Rose Zwi and Dan Jacobson exiled ANC activist and constitutional court judge Albie Sachs satirist Pieter Dirk Uys a penetrating critic of apartheid and actor and writer Matthew Krouse whose fiction offers a provocative blending of gay and Jewish identities in the postapartheid era The volume traces the construction of memory and racial identity in South African Jewish literary and cultural history Among the recurring themes in these stories are the selective presentation of certain aspects of Jewish life under apartheid a reevaluation of identity after its fall and the conflicting shadow of the Holocaust in a white supremacist society Giving nuanced voice to questions about history race and ethnicity in postapartheid South Africa these stories will be of broad interest      Time to Tell Barry Feinberg, 2011-08-01 This dramatically revealing memoir follows Barry Feinberg s 45 years of activism travel relationships and creative expression While the twin narratives of private life and political doings are equally absorbing on their own it is the relationship between the two and the story of this relationship s expression through Feinberg s pen brush and lens that provide a unique and compelling perspective on the most significant and volatile decades in South Africa s history      *American Jewish Year Book 2002*, 2002      **Exodus To Africa** Adam YAMEY, 2015 This book is a personal account rather than an academic history It tells the tales of some of the author s numerous relatives in order to illustrate many aspects of Jewish migration from Europe to the South of Africa Once they were settled in the country Jews played a disproportionately large role in its development everything from opening up trade and commerce to fighting apartheid Page 6      South African Jews in Israel Rebeca Rajjman, 2015-01-01 Despite consensus about the importance of multigenerational analysis for studying the long term impact of immigration most studies

in Israel have focused on the integration of first generation migrants neglecting key changes in economic social linguistic and identity outcomes that occur intergenerationally Rebeca Raijman tackles this important but untold story with respect to Jewish South African immigration in Israel By collecting data from three generational cohorts Raijman analyzes assimilation from a comparative multigenerational perspective She also combines both quantitative and qualitative evidence with in depth interviews and participant observation thereby providing a rich and more complete picture of the complex process of migrant assimilation While the migrant subpopulation of South Africa has not received the attention that immigrant populations from the former Soviet Union and Ethiopia have as English speaking migrants they are a powerful and significant group Given the status of English as an international language this study has important implications for understanding the expected assimilation trajectories of Anglophone immigrants in Israel as well as in other non English speaking societies South African Jews in Israel not only contributes empirical material concerning immigrants in Israeli society but also articulates a theoretical understanding of the social mechanisms underlying the integration of various generations of immigrants into a variety of societal domains

**The Hidden Thread** Irina Filatova,2013-06-28 The Hidden Thread is a journey of revelation about the relationship between Soviet Russia and South Africa hidden for most of its length The story is told with insight and depth by Irina Filatova and Apollon Davidson who have had a decades long association researching and writing on Russian and South African politics and history This insightful work follows the often surprising twists and turns of the history of South Africa s relationship with Russia and its people which started in the eighteenth century and is still very much alive today The story evolves from the Russian volunteers who fought alongside the Boers in the Anglo Boer War to South Africans who participated in the Russian revolution and civil war from the Russian Jewish immigration to South Africa to the close involvement of the South African communists in the Communist International from the Soviet consulates in South Africa and the activities of South Africa s Friends of the Soviet Union Society during the Second World War to the vicissitudes of the Cold War and the hot war in Angola from the SACP and ANC s relations with the USSR to the volte face of perestroika and South Africa s transition and to today s business political cultural and sometimes criminal connections between Russians and South Africans
