**Simon J Bronner**

## **Looking For A Miracle Weeping Icons Relics Stigmata Visions And Healing Cures:**

*Looking for a Miracle* Joe Nickell, 2009-12-02 The willingness of people to believe in magical icons mystical relics and miraculous pictures like the Image of Guadalupe is almost as curious as these phenomena themselves Though they cry out for scientific investigation millions of people blindly accept them as fact Historical and paranormal investigator Joe Nickell confronts such strange events powers and objects as the Shroud of Turin bleeding or weeping statues burning handprints liquefying blood ecstatic visions miraculous cures and people speaking in tongues in *Looking for a Miracle* Departing from standard critiques of religion Nickell carefully investigates the evidence relating to specific claims Religious believers and rationalists alike have much to learn from this revealing examination of the evidence for the miraculous *Looking for a Miracle* Joe Nickell, 1997 *Miracle Cures* Robert A. Scott, 2010-06-07 Iconic images of medieval pilgrims such as Chaucer's making their laborious way to Canterbury conjure a distant time when faith was the only refuge of the ill and infirm and thousands traveled great distances to pray for healing Why then in an age of advanced biotechnology and medicine do millions still go on pilgrimages Why do journeys to important religious shrines such as Lourdes Compostela Fátima and Medjugorje constitute a major industry In *Miracle Cures* Robert A Scott explores these provocative questions and finds that pilgrimage continues to offer answers for many Its benefits can range from a demonstrable improvement in health to complete recovery Using research in biomedical and behavioral science Scott examines accounts of miracle cures at medieval early modern and contemporary shrines He inquires into the power of relics apparitions and the transformative nature of sacred journeying and shines new light on the roles belief hope and emotion can play in healing **Popular Pleasures** Paul Duncum, 2021-08-26 Today's many popular aesthetic pleasures have a very long history Paul Duncum considers the historical critical discourses and socio political issues raised by aesthetic pleasures in fifteen thematic chapters Using illustrative examples from the past present and across cultures he challenges the idea of any decline of cultural standards and argues that no grounds exist for cultural pessimism Refusing to condemn popular culture on the basis of taste he reserves critique for the socio political ideologies aesthetics invariably serve Art history film cultural studies and philosophical aesthetics are each employed to show that the sensory emotional lures of today's popular culture are mostly identical to those of premodern fine art They include the violent the horrific the sentimental the exotic the erotic and the humorous Some of these pleasures derive from our evolutionary biology they are all an important part of what it means to be human and central to understanding contemporary society Examples are wide ranging including British seaside postcards Disney films Nazi propaganda burlesque modern advertising as well as many exemplars of fine art The book reveals fresh insights for all those studying visual culture art history aesthetics media studies and media and art education

**Adventures in Paranormal Investigation** Joe Nickell, 2014-04-23 Tales of alien abductions miraculous relics and haunted castles have attracted believers and skeptics across the globe for centuries Paranormal investigator Joe Nickell

tackles the world's most seemingly inexplicable myths in *Adventures in Paranormal Investigation*. With four decades of experience in the field, Nickell employs skepticism and scientific analysis to pull truth from the mires of false evidence and trickery that surround both old and new legends and mysteries. Unlike authors who engage in hype and sensationalism in order to foster or debunk myths, Nickell approaches each case with a rational and scientific approach intended to find the truth. Occam's Razor: all things being equal, the simplest solution is the best one is a principal instrument in his investigative toolbox, as well as the belief that it is the claimant's responsibility to provide the extraordinary proof required in such extraordinary cases. *Adventures in Paranormal Investigation* features Nickell's on-site explorations in unusual phenomena. Among the forty unique cases, Nickell examines mysteries ranging from snake charmers who purport to hold influence over the reptiles to the Holocaust victims who reportedly haunt a gas chamber in Dachau to Lake Simcoe's resident lake monster Igopogo in Canada. In addition to the case studies, Nickell analyzes how the propensity to fantasize can affect human perceptions of and belief in paranormal activity and how his personal experience with the paranormal was altered when intuition led to the discovery of a daughter he didn't know existed. More than just another myth-busting text, *Adventures in Paranormal Investigation* brings together reason and scientific analyses to explain both the phenomena and the role of human perception therein, establishing Nickell as the foremost paranormal investigator of our time.

**Shining Garment of the Text** Alison Jasper, 1998-09-01 Taking the prologue of John's Gospel as a case study in feminist biblical criticism, the author engages with a persistent view that the biblical text is seriously compromised by its association with patriarchal values. Close analysis of five interpretations by Augustine, Hildegard von Bingen, Martin Luther, Adrienne von Speyr, and Rudolf Bultmann shows how unavoidably interpretation clothes the biblical text with the varied and dazzling patterns of the patriarchal reading context. But in a second turn, drawing on the techniques of both structuralist criticism and deconstruction and offering three further inventive readings of this powerful passage, Jasper reflects woman and the feminine in the shining garment of her own contextualized reading.

**Catholic God, True God** Parker Manning, 2022-10-19 Have you ever wondered why Catholics believe in God or who this God is? In his new book *Catholic God, True God*, Parker Manning explains just that. He goes through evidence for the existence of God but doesn't stop there. He also argues that this God is the God of the Bible by giving evidence to the most famous Old Testament stories and New Testament ones. He also goes through supposed errors in the Bible and explains how they are not truly errors. Lastly, and most importantly, he details why Catholics are the only ones who fully understand God. Also be sure to check out his first book *Fundamentals of Catholic Theology* in just over 100 pages. Parker Manning takes a fresh look at the big topics in Catholic apologetics. He avoids the well-traveled areas in previous works and focuses on the questions that lurk behind the questions, things typically missed by others. Gary Michuta, author of *The Case for the Deuterocanon* and *Why Catholic Bibles are Bigger*.

**Real-Life X-Files** Joe Nickell, 2001-10-24 Excellent background research on site investigations of mysteries ranging from crop circles and lake monsters to spiritualist

mediums and stigmata Booklist As a former private investigator and forensic writer Joe Nickell has spent much of his career identifying forged documents working undercover to infiltrate theft rings and investigating questioned deaths Now he turns his considerable investigative skill toward the paranormal researching the most well known and mysterious phenomena all over the world spontaneous human combustion UFO visitations auras electronic poltergeists and many many more with an eye toward solving these mysteries rather than promoting or dismissing them Real Life X Files Investigating the Paranormal examines the cases of over forty paranormal mysteries Using a hands on approach Nickell visits the scene of the so called unexplainable activity whenever possible and attempts to physically duplicate the miraculous Whether he s inflicting stigmata on himself or recreating the liquefying blood of Saint Januarius Nickell does whatever necessary to eliminate the probable before considering the supernatural What is left is that much more fascinating Nickell reports on familiar legends from American history such as the supernatural events surrounding Abraham Lincoln s death and the supposed crash landing of an alien spacecraft near Roswell New Mexico He closely examines claims of the miraculous from rose petals bearing the likeness of Jesus to photographs of a golden door to heaven Controversial mysteries such as clairvoyance and spirit painting haunted places and freaks of nature are just a few of the many topics covered Suspenseful engrossing funny and grounded in scientific methodology Real Life X Files provides real explanations for the paranormal activities that have intrigued human beings for centuries

50 Popular Beliefs That People Think Are True Guy P. Harrison, 2012-01-03 What would it take to create a world in which fantasy is not confused for fact and public policy is based on objective reality asks Neil deGrasse Tyson science popularizer and author of *Astrophysics for People in a Hurry* I don t know for sure But a good place to start would be for everyone on earth to read this book Maybe you know someone who swears by the reliability of psychics or who is in regular contact with angels Or perhaps you re trying to find a nice way of dissuading someone from wasting money on a homeopathy cure Or you met someone at a party who insisted the Holocaust never happened or that no one ever walked on the moon How do you find a gently persuasive way of steering people away from unfounded beliefs bogus cures conspiracy theories and the like This down to earth entertaining exploration of commonly held extraordinary claims will help you set the record straight The author a veteran journalist has not only surveyed a vast body of literature but has also interviewed leading scientists explored the most haunted house in America frolicked in the inviting waters of the Bermuda Triangle and even talked to a contrite Roswell alien He is not out simply to debunk unfounded beliefs Wherever possible he presents alternative scientific explanations which in most cases are even more fascinating than the wildest speculation For example stories about UFOs and alien abductions lack good evidence but science gives us plenty of reasons to keep exploring outer space for evidence that life exists elsewhere in the vast universe The proof for Bigfoot or the Loch Ness Monster may be nonexistent but scientists are regularly discovering new species some of which are truly stranger than fiction Stressing the excitement of scientific discovery and the legitimate mysteries and wonder inherent in reality this book invites readers to

share the joys of rational thinking and the skeptical approach to evaluating our extraordinary world      Hearing Things Leigh Eric Schmidt, 2002-11-30 Faith cometh by hearing so said Saint Paul and devoted Christians from Augustine to Luther down to the present have placed particular emphasis on spiritual arts of listening In quiet retreats for prayer in the noisy exercises of Protestant revivalism in the mystical pursuit of the voices of angels Christians have listened for a divine call But what happened when the ear tuned to God's voice found itself under the inspection of Enlightenment critics This book takes us into the ensuing debate about hearing things an intense entertaining even spectacular exchange over the auditory immediacy of popular Christian piety The struggle was one of encyclopedic range and Leigh Eric Schmidt conducts us through natural histories of the oracles anatomies of the diseased ear psychologies of the unsound mind acoustic technologies from speaking trumpets to talking machines philosophical regimens for educating the senses and rational recreations elaborated from natural magic notably ventriloquism and speaking statues Hearing Things enters this labyrinth all the new disciplines and pleasures of the modern ear to explore the fate of Christian listening during the Enlightenment and its aftermath In Schmidt's analysis the reimagining of hearing was instrumental in constituting religion itself as an object of study and suspicion The mystic's ear was hardly lost but it was now marked deeply with imposture and illusion      **The New Encyclopedia of Unbelief** Tom Flynn, 2007-04-30 Successor to the highly acclaimed Encyclopedia of Unbelief 1985 edited by the late Gordon Stein the New Encyclopedia of Unbelief is a comprehensive reference work on the history beliefs and thinking of America's fastest growing minority those who live without religion All new articles by the field's foremost scholars describe and explain every aspect of atheism agnosticism secular humanism secularism and religious skepticism Topics include morality without religion unbelief in the historicity of Jesus critiques of intelligent design theory unbelief and sexual values and summaries of the state of unbelief around the world In addition to covering developments since the publication of the original edition the New Encyclopedia of Unbelief includes a larger number of biographical entries and much expanded coverage of the linkages between unbelief and social reform movements of the 19th and 20th centuries including the labor movement woman suffrage anarchism sex radicalism and second wave feminism More than 130 respected scholars and activists worldwide served on the editorial board and over 100 authoritative contributors have written in excess of 500 entries The distinguished advisors and contributors philosophers scientists scholars and Nobel Prize laureates include Joe Barnhart David Berman Sir Hermann Bondi Vern L Bullough Daniel Dennett Taner Edis the late Paul Edwards Antony Flew Annie Laurie Gaylor Peter Hare Van Harvey R Joseph Hoffmann Susan Jacoby Paul Kurtz Gerd L demann Michael Martin Kai Nielsen Robert M Price Peter Singer Victor Stenger Ibn Warraq George A Wells David Tribe Sherwin Wine and many others With a foreword by evolutionary biologist and best selling author Richard Dawkins this unparalleled reference work provides comprehensive knowledge about unbelief in its many varieties and manifestations      **Did They Rest in Peace?** Joseph William Lewis Jr. M.D., 2018-10-18 Ashes to ashes dust to dust By what miracle can an assortment of seemingly unrelated particles come together and correctly

assemble to form a human being Amazingly once aggregated these atoms molecules and compounds manage to interact reasonably coherently during our lives but seek to return to their dusty state when death occurs Of the billions of our species who have existed on earth over the millennia most have quietly and inexorably returned to ashes and dust when their term of life expired This book tracks some of the misadventures of selected corpses including burials that went awry to body snatching exhumations human relic collection and assorted desecrations Over the years it seems that a remarkable number of bodies have failed to enjoy the admonition to Rest in Peace Whether these aberrations in the burial process have disturbed the afterlife of the departed everyone is dying to discover the answer *A New Approach to Synchronicity* Lance

Storm,2025-03-26 This book offers an up to date handling of C G Jung s Theory of Synchronicity and the more mainstream paranormal phenomena known as extra sensory perception ESP and psychokinesis PK collectively referred to as psi Author Lance Storm re works various aspects of synchronicity traditionally marginalized by parapsychologists to bring about a paradigm shift in the field Most often seen as fundamentally different the book draws parallels between psi and synchronicity and equates the two arguing that psi was all along a form of synchronicity just as Jung had anticipated To achieve this Storm necessarily modifies both the parapsychologist s view about psi and Jung s views about synchronicity enabling a satisfactory merger of the two paranormal phenomena Based on rigorous scientific research and written in an easy to understand style this book is an important resource for specialists such as anomalistic psychologists parapsychologists philosophers paranormalists and theologians **Sister Thorn and Catholic Mysticism in Modern America** Paula M. Kane,2013-11-04

One day in 1917 while cooking dinner at home in Manhattan Margaret Reilly 1884 1937 felt a sharp pain over her heart and claimed to see a crucifix emerging in blood on her skin Four years later Reilly entered the convent of the Sisters of the Good Shepherd in Peekskill New York where known as Sister Mary of the Crown of Thorns she spent most of her life gravely ill and possibly exhibiting Christ s wounds In this portrait of Sister Thorn Paula M Kane scrutinizes the responses to this American stigmatic s experiences and illustrates the surprising presence of mystical phenomena in twentieth century American Catholicism Drawing on accounts by clerical authorities ordinary Catholics doctors and journalists as well as on medicine anthropology and gender studies Kane explores American Catholic mysticism setting it in the context of life after World War I and showing the war s impact on American Christianity Sister Thorn s life she reveals marks the beginning of a transition among Catholics from a devotional Old World piety to a newly confident role in American society *Silent Soul* Antonia Felix,2001-04-21 Three days a week visitors from around the world enter the chapel of a small home in Worcester Massachusetts They have come to witness the Communion host that suddenly manifested a dark stain of blood during a Mass in this very room Most of all they have come to be near Audrey the teenage girl who lies in a bedroom at the other end of the house Unable to move or speak after a near drowning accident when she was three years old Audrey is believed by many to be the source of the miracles in her home Her family reports that she suffers the stigmata the bloody suffering of Christ

every Lenten season Pilgrims to the Santo home and to Audrey's annual public outings claim to have been healed of cancer and other diseases Lying in her little room she is surrounded by medical equipment including a respirator that keeps her alive round the clock care and the prayers of her family and countless thousands who believe she has been touched by God Audrey Santo the silent soul at the center of one of America's most famous religious pilgrimage sites touches the hearts of everyone who hears her story The doctors who treat her are bewildered by her survival And her mother a devout Catholic who has never given up hope that Audrey will fully awaken one day believes Audrey is a statement of life in our culture of death Is Audrey a messenger of God part of a divine plan to strengthen people's faith Or is she a severely disabled girl whose devout loving family has drawn a miraculous circle of belief around her What are the nonreligious explanations for the strange phenomena occurring in the Santo home What is the Catholic Church's view as announced in the first official report of its ongoing investigation Is Audrey a victim soul taking on the illness and suffering of others Did she receive this sacred call from Mary when her mother took her to the apparition room at Medjugorje These questions and more are explored in Antonia Felix's *Silent Soul* a thoughtful fascinating journey into one of the world's most compelling modern mysteries

Encyclopedia of American Folklife Simon J Bronner, 2015-03-04 American folklife is steeped in world cultures or invented as new culture always evolving yet often practiced as it was created many years or even centuries ago This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America from barn raisings to the Internet tattoos and Zydeco through expressions that include ritual custom crafts architecture food clothing and art Featuring more than 350 A-Z entries *Encyclopedia of American Folklife* is wide ranging and inclusive Entries cover major cities and urban centers new and established immigrant groups as well as native Americans American territories such as Guam and Samoa major issues such as education and intellectual property and expressions of material culture such as homes dress food and crafts This encyclopedia covers notable folklife areas as well as general regional categories It addresses religious groups reflecting diversity within groups such as the Amish and the Jews age groups both old age and youth gangs and contemporary folk groups skateboarders and psychobillies placing all of them in the vivid tapestry of folklife in America In addition this resource offers useful insights on folklife concepts through entries such as community and group and tradition and culture The set also features complete indexes in each volume as well as a bibliography for further research

*Art and Dance in Dialogue* Sarah Whatley, Imogen Racz, Katerina Paramana, Marie-Louise Crawley, 2020-11-07 This interdisciplinary book brings together essays that consider how the body enacts social and cultural rituals in relation to objects spaces and the everyday and how these are questioned explored and problematised through and translated into dance art and performance The chapters are written by significant artists and scholars and consider practices from various locations including Central and Western Europe Mexico and the United States The authors build on dialogues between for example philosophy and museum studies and memory studies and post humanism and engage with a wide range of theory from phenomenology to relational aesthetics

to New Materialism Thus this book represents a unique collection that together considers the continuum between everyday and cultural life and how rituals and memories are inscribed onto our being It will be of interest to scholars and practitioners students and teachers and particularly those who are curious about the intersections between arts disciplines     The Templemore Miracles John Reynolds,2019-11-15 In the aftermath of the 1916 Rising the ensuing guerrilla war reached its peak in August 1920 in the garrison town of Templemore when a series of extraordinary events occurred 16 year old farm labourer Jimmy Walsh claimed that he was experiencing Marian apparitions and that religious statues owned by him were moving and bleeding Miraculous cures were claimed and the religious fervour that gripped Ireland led to an influx of thousands of pilgrims The phenomenon of the Templemore miracles or bleeding statues lasted for several weeks and an informal ceasefire arose while the rebels the police military and civilian population struggled to comprehend the surreal situation With the logistics of conducting the war disrupted by the flood of pilgrims the IRA stepped in They interrogated Walsh and with the direct involvement of Michael Collins planned to deter further pilgrimages to Templemore In due course Walsh had left Ireland never to return and the war resumed with an even greater degree of ferocity Here John Reynolds charts the bizarre goings on that intersected the spiritual social and martial fixations of early twentieth century Ireland based around a small town and a boy with visions     *The Old Rugged Cross* Ben Pugh,2016-10-10 A lot has been said about the atonement theology of the theologians but what of ordinary believers and their church leaders What if anything have they done with penal substitution or with Christus Victor How if at all have these doctrinal approaches helped ordinary Christians to live more devoted lives or lead good church services Ben Pugh takes the temperature of the church at various points in its history right up to the present day noting particular emphases that can be detected in various expressions of personal and corporate faith whether these be hymns sermons magazines or devotional texts The book aims not only to describe what the implied atonement theologies of the church have in reality been but also to explore why these have taken the forms that they have This exploration will shed some fresh light on current debates building on the findings of the author s earlier work *Atonement Theories A Way through the Maze*     *The Spirit of Creation* Amos Yong,2011-05-17 Is a pentecostal charismatic worldview defensible in light of contemporary science In *The Spirit of Creation* Amos Yong demonstrates that pentecostal thought does indeed have merit in scientific contexts What s more he argues that pentecostal charismatic views regarding the dynamic presence and activity of the Spirit of God and the pluralistic cosmology of many spirits have something important to add to the broad discussion now taking place at the crossroads of science and religion Interacting with many scientific fields of study including psychology sociology evolutionary science cosmology and more Yong s *Spirit of Creation* demonstrates the significance of pentecostal ideas to the ongoing dialogue between theology and science
