Bruce Smith,2015-10-23 It would be really swell if those ascending to power were good trustworthy and capable leaders

them could level cities or rout entire armies Flare ups involving Wielders keep surfacing spreading panic and demanding a
response Mark works hard at Infitech with several other renowned scientists To ensure international security the allies
contract them to develop a defense for the threat Wielders pose The solution they come up with works maybe a little too well

better than anybody else This sombre character has travelled to all corners of the world hunting the results of the humanity's
bad actions the demons However suddenly his life will take an unexpected turn when media announces that in Jerusalem an

sins For a long time the human being has looked up to the sky and has asked God to save us and to forgive us for our human
sins That divine mercy has been always directly related with the image of Jesus Christ but is the world ready for the arrival of
a new saviour Are the western religions authentic trade companies of faith ready Or maybe they fear that the new Messiah
