

A silhouette of a person stands on the edge of a dark, jagged cliff. The background is a dramatic sky with a bright sun low on the horizon, casting a warm orange and yellow glow. The sky is filled with soft, wispy clouds. The overall mood is contemplative and inspiring.

Looking Forward To The Rest Of Your Life:

All I Have Is Me K.L. Smith, 2022-03-08 *All I Have Is Me* is a fictional novel that tells the story of how the Logan family grieves and suffers after their lives are broken and shattered by the loss of their teenaged daughter in an automobile accident. The parents blame the death on their younger daughter Theresa who is driving the car. The story is told from Theresa's viewpoint. Life as Theresa has known it changes forever in a matter of seconds. With the death of her older sister, there is no longer any warmth, happiness, or love in the family's life. Theresa is heavily burdened, watching her parents' endless grief. She becomes tired of being the recipient of the accusatory looks of disappointment and hurt from her parents. She feels that no one cares if she lives or dies. After a failed suicide attempt, Theresa decides to do her best to stay out of her parents' way and bide her time until she can graduate from high school and leave home. Upon high school graduation, she joins the army because she has nowhere else to go. The army provides all her basic needs for survival. The army becomes her life for twenty years. Theresa learns to exist and function without allowing herself to get emotionally involved in life. After retirement from the military, Theresa feels a need to put down roots. She stumbles upon an old dilapidated farm cottage in a small community. She feels a connection to the empty cottage that no one cares for or loves. Theresa finds that as she repairs the flaws and cracks in the old cottage and brings it back to life, she is also repairing the flaws and cracks in her own life. She renews her faith in God. By accepting love from others, the story tells how Theresa is able to find joy and beauty in living as she allows herself to love, forgive herself, and learn to live again. *All In* Heather White Driscoll, 2023-03-27 No longer an unassuming freshman, Harper Whitmore begins her sophomore year of high school as the well-known girlfriend of former varsity basketball star Scott Pierce. While the gossip and rumors from the previous year have continued, Harper finds herself much better equipped to handle them. The confidence and conceitedness that Scott so effortlessly displayed seem to rub off on Harper, but his selfishness also. With Scott now a freshman in college, Harper finds herself much more alone as she faces the challenges of high school life. Forces both within and outside her control are acting in ways that could have life-changing implications, and how she chooses to face them will either push Harper and Scott closer together or drive them irrevocably apart. A story about love, life, tragedy, and forgiveness, *All In* takes the reader on a roller coaster ride of emotions. Following along with Harper on her journey is both exhilarating and infuriating, but it is a journey worth taking. Her quest for love and happiness is universal, but it can feel all too personal. **The 21-Day Self-Confidence Challenge: Transform Your Mindset, Transform Your Life** Dr. Claire Marshall, 2025-10-10 *The 21 Day Self Confidence Challenge: Transform Your Mindset, Transform Your Life* is a practical, hands-on guide for anyone ready to stop self-doubt and finally feel empowered.
