Norfolk (Slow Travel) Laurence Mitchell,2014-03-01 Slow Norfolk although selective includes the whole of Norfolk from Great Yarmouth and the Broads to the east to the Fens of the far west from the iconic North Norfolk coast to the Breckland region to the south The Norfolk landscape is far more variable than many imagine and not quite as flat as it is usually reputed to be The North Norfolk coast considered to be one of the most beautiful stretches in England is also a hugely important habitat for wildlife especially migrating birds The interior of the county tends to be more overlooked yet also much to offer especially in terms of landscape historic monuments and characterful market towns The county has a rich mix of architectural variety with numerous country houses medieval churches Roman forts and Norman castles The county capital Norwich is an important centre for art and culture with its acclaimed Sainsbury Centre for Visual Arts and the annual highly rated Norwich and Norfolk Festival

Report of the Commissioners Appointed to Inquire Into the Constitution and Government of the British Museum Great Britain. Commissioners appointed to inquire into the constitution and government of the British Museum,1850 *The Journal of Education* ,1897 **South Devon & Dartmoor** Hilary Bradt,Janice Booth,Alistair & Gill Campbell,2024-03-08 This new thoroughly updated third edition of South Devon and Dartmoor is part of Bradt s distinctive Slow Travel series of guides to UK regions offering in depth exploration of one of

England's most popular areas. Written by resident experts Hilary Bradt, the late Janice Booth and Gill and Alistair Campbell, it remains the essential companion to discovering not just the obvious and well-known sites but also for getting off the beaten track and understanding what makes this gorgeous part of the country tick. Much of the information in Bradt's South Devon and Dartmoor has appeared in no other guidebook apart from previous editions of this book as the authors uncover the lesser-known charms of the region as well as different aspects of the more popular places from the English Riviera and South Hams to Salcombe and Dartmoor together with colourful characters from the past, folk history and literary links from Agatha Christie to Arthur Conan Doyle. The guide has a special emphasis on car-free travel: walking, this edition features a revised selection of routes including miles without stiles, accessible Dartmoor walks, cycling and river boats as well as local buses including the new Dartmoor Explorer service and trains. This edition has a stronger emphasis on local food, both in markets and when eating out, while the authors have updated their hand-picked suggestions for places to eat and drink and for accommodation from idyllically located campsites to boutique B&Bs. Learn what really goes on at a wassail gathering, find out what you should do if you're harassed by pixies on Dartmoor and discover unique local events like the annual Orange Race held in Totnes. Also included are entertaining and informative stories about historical characters and folklore while small and historic village churches with their idiosyncratic saints and intriguing carvings are described in loving detail.

East Devon & The Jurassic Coast (Slow Travel) Hilary Bradt, Janice Booth, 2025-08-15. Part of Bradt's distinctive award-winning series of Slow travel guides to UK regions, this new thoroughly updated third edition of East Devon and The Jurassic Coast Slow Travel remains the most comprehensive and only standalone guide available to this area. Written with insider knowledge that can only be gained by living in the area and combined with colourful, enthusiastic and witty writing plus contributions from local experts, this guidebook is as much a pleasure to read as an invaluable companion for exploring east Devon and west Dorset. Devon is the fourth most popular county for UK holidaymakers and for good reason. Over a hundred square miles of East Devon are designated a National Landscape, formerly Area of Outstanding Natural Beauty, and the internationally famous Jurassic Coast stretching into Dorset is a UNESCO World Heritage Site. The charming coastal town of Seaton benefits from sensitive development including the extension to wildlife-packed Seaton Wetlands of the Stop Line Way, a long-distance cycling and walking route to Bristol originally designed to bolster World War II defences. Dorset's Lyme Regis meanwhile is Britain's fossil hunting capital as featured in the 2020 film *Ammonite* starring Kate Winslet. With an emphasis on car-free travel, walking, cycling and local buses, this Bradt guide's detailed descriptions, historical glimpses, folklore and personal anecdotes whet readers' appetite for exploration. Many activities are covered for the first time in this new edition. Coastal walking has never been better following the reopening of the South West Coast Path, locally Paddleboarding tours and lessons now operate off Seaton beach and a new section of the Stop Line Way walking and cycling route has opened up through the sensational Seaton Wetlands. Savour the artisan coffee that has become a big deal locally or taste the produce of

the region's fastest growing agricultural sector wine Giggles at the goings on at the ancient Goose Fayre in Colyton and enjoy other idiosyncratic local festivals such as the Ottery tar barrels and Honiton hot pennies And when you're done reward yourself with one of Beer's Devon cream teas while admiring this picturesque fishing village Wherever you amble let Bradt's East Devon and the Jurassic Coast Slow Travel be your companion [Palmer's Index to the Times Newspaper](#) ,1911
