Nicene and Post-Nicene Fathers Philip Schaff,Arthur Cleveland Coxe,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume VIII of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Saint Augustines extensive treatment of the Psalms Augustine took this book from the Old Testament and wove into it the revelation of Jesus as the savior of humanity Through the skill of Augustine it seems as though the Psalms had been written by an oracle who knew that eventually the messiah would come and wrote to pave the way This volume is a valuable reference book for any Christian wishing to have the psalms illuminated and explained *GOD'S PROMISES: OUR ETERNAL CONNECTION* PHYLLIS G. MCDANIEL,2017-04 Faith based guidelines for Christian living spiritual renewal uplift inspiration and strength from Scriptures and renowned movers and shakers from the past and present Encouragement and insight for daily living The Price of Missing Life Simon Schrock,1992 Simon Schrock writes that life is worth living and that life at its best includes a commitment to the lordship of Jesus Christ He sincerely believes that to miss the Christian life and consequently heaven is a high price to pay To experience the fullness of life Schrock observes one must honestly face questions about the future about one s relationships with others and with the Creator The response to these questions will determine your destiny whether you have found life or missed it To miss life is to miss everything In this book Simon Schrock presents in a simple and beautiful way the meaning of personal faith in Christ He calls the reader again and again to the awareness that Christian experience and fellowship with Christ saves us from lostness here and now and are worth the cost I recommend this book to the reader as a pilgrimage in faith Mayron Augsburg *(The daily Psalms, meditations, by the author of 'The daily round')*. The Missionary Review ,1917 [A Help to the Book of Genesis](#) ,1831 *Christian Budget and News of the Day* ,1891 **Bringing Forward...** Deacon Wayne M. Hoy,2022-03-08 Experience is revelatory Authentic human experiences are illuminating and transforming God is constantly revealing himself to us in everyday experiences It is essential for us to take the time to reflect upon and get in touch with those experiences for that is the essence of faith In the beginning the followers of Jesus were not concerned with telling about him They wanted to tell the story of their experiences of him My main purpose in writing this book is simple I wanted to tell my own journey of faith which began as a rather fundamental acceptance of God and Church But as I left home to join the military and eventually attending college that fundamental viewpoint became less and less defensible I realized I was no longer content with the way we have been telling the Christian Story especially relating to the Kingdom that Jesus speaks of so frequently in the gospels His understanding of Kingdom is actually central to his whole preaching More than eighty percent of all recorded sayings of Jesus underscore this reality Which brings me to my second purpose and that is to underscore Jesus understanding of Kingdom I have attempted throughout my ministry to express that insight through my homilies and teaching frequently by the use of story I firmly believe that Truth wrapped in story is irresistible
