Killinger, 2004-04-05 A Presbyterian minister defends the Harry Potter series from conservatives who denounce the books as paganism demonstrating how they promote the values of faith and morality and profiling the main character as a Christ figure **God's Scorekeeper and Other Stories** Frank G. Honeycutt, 2019-08-20 Quick What do these characters all have

in common An anguished ghost whose interest in measuring mountains led to his premature death A retired educator who takes a part time job inside the cozy confines of Wrigley Field's manual scoreboard An obsessive orthodontist known to evangelize his prone patients A bipolar father whose zany day includes an encounter with the police And a victim of identity theft reconsidering his vocation They're all pastors of course Join storyteller Frank Honeycutt on a roller coaster ride inside the flawed lives and vivid imaginations of sixteen ministers struggling to keep and make sense of their faith At times humorous surprising sad and even warped this fictional peek into the private lives of clergy sheds angular light upon the complicated theological motives guiding those called to lead God's people *The Ivory Tower, Harry Potter, and Beyond*

Lana A. Whited, 2024-02-26 In her follow up to *The Ivory Tower and Harry Potter* Lana A. Whited has compiled a new collection of essays analyzing the books films and other media by J K Rowling This includes pieces on the Harry Potter books and movies *Fantastic Beasts* and *Where to Find Them* films *The Cursed Child* play as well as her writing outside the wizarding universe such as *The Ickabog* *The Casual Vacancy* and the *Cormoran Strike* series Many of the chapters explore works that influenced the Harry Potter series including Classical epic Shakespearean comedy and tragedy and Arthurian myth In addition to literary comparison the volume delves into topics like political authoritarianism distrust of the media racial and social justice and developments in fandom It's fair to say that much has changed in regard to Harry Potter and J K Rowling scholarship in the twenty years since the first volume's publication While it was once considered a universally beloved book series the relationship between HP and its fans has grown more complicated in recent years As its readers have grown older and Rowling's reputation has wavered in the public eye Whited and her contributors consider the complicated legacy of Harry Potter and its author and explore how the series will evolve in the next twenty years **In God's Time**

Betty B. Hilton, 2023-05-16 This story is about young love loss and heartbreak You will see how God works to show His glory A young couple that has to make choices that rips their lives apart Making the decision to put their child first made them

choose to live with the consequences of that choice The agony hurt and heartbreak was beyond anything they could have imagined Years later God in His infinite wisdom begins to change the lives of this couple to show His magnificent glory It is astonishing and amazing to see the works of God His fingerprints are all through this story It also shows that you do not have to destroy your child before it is born put it in God s care He will make sure it is cared for You will see that if you put yourself in God s hands He will give you the desires of your heart that you could never imagined or conceived 2 Writing South Carolina Aida Rogers, Steven Lynn, 2017-03-01 Young South Carolinians offer their perspectives on and visions for the future of the state All of you who contributed to this book write much better than I did in high school That remarkable observation was made by Pat Conroy in the foreword to the first collection of student writing generated by the South Carolina High School Writing Contest and it embodies the contest s goals to encourage young people to write to think deeply and creatively to express themselves and thereby to recognize and cultivate their abilities This second volume of Writing South Carolina features the insightful and inspiring entries of each of the twenty nine winners and finalists high school juniors and seniors who were challenged to share using any genre their ideas for making South Carolina a better place to live Through essays poems and stories students used their imaginations to celebrate South Carolina and to envision a state that might be improved by addressing civic and social ills such as domestic violence racism drugs poverty and educational inequality Despite being raised in the age of texts and tweets these young writers offer their unique perspectives often revealing thought provoking troubling and exhilarating in language that is uniquely their own and often eloquent and passionate Marjory Wentworth who provides a foreword to this collection is South Carolina s poet laureate and has served as a judge for the competition with Pat Conroy From an Existential Vacuum to a Tragic Optimism Barbara A. Heavilin, Charles W. Heavilin, 2014-07-03 From an Existential Vacuum to a Tragic Optimism The Search for Meaning and the Presence of God in Modern Literature employs a new theoretical approach to critical analysis Victor Frankl s logotherapy from the Greek logos for word or reason and often related to divine wisdom a unique form of existentialism On the basis of his observations of the power of human endurance and transcendence the discovery of meaning even in the midst of harrowing circumstances Frankl diagnoses the malaise of the current age as an existential vacuum a sense of meaninglessness He suggests that a panacea for this malaise may be found in creativity love and moral choice even when faced with suffering or death He affirms that human beings may transcend this vacuum discover meaning or even ultimate meaning to be found in Ultimate Being or God and live with a sense of tragic optimism This book observes both the current age s existential vacuum a malaise of emptiness and meaninglessness and its longing for meaning and God as reflected in three genres poetry novel and fantasy Part I Reflections of God in the Poetic Vision addresses tragic optimism hope when there seems to be no reason for hope in poems by William Butler Yeats T S Eliot Samuel Taylor Coleridge and Gerard Manley Hopkins Part II American Angst Emptiness and Possibility in John Steinbeck s Major Novels presents a study of Steinbeck s The Grapes of Wrath East of Eden

and *The Winter of Our Discontent* novels that together form a uniquely American epic trilogy Together these novels tell the story of a nation's avarice corruption and betrayal offset by magnanimity heroism and hospitality Set against the backdrop of Frankl's ways of finding meaning and fulfillment all obliquely implying the felt presence of God the characters are representative Every Americans in whose lives are reflected a nation's worst vices and best hopes Part III A Tragic Optimism The Triumph of Good in the Fantasy Worlds of Tolkien Lewis and Rowling defines fantasy and science fiction as mirrors with which to view reality J R R Tolkien's *The Lord of the Rings* C S Lewis's *That Hideous Strength* and J K Rowling's *Harry Potter* series are considered in the light of Frankl's logotherapy providing paths to meaning and the ultimate meaning to be found in God In a postmodern fragmented age these works affirm a continuing vision of God often through His felt absence and also a most human yearning for meaning even when there seems to be none providing as Frankl maintains a tragic optimism

Holiness and Living the Sacramental Life Fr. Philip-Michael Tangorra, 2017 Just outside the realm of visibility the sacraments of the Church lie ready to effect real change in our lives We need only to let them in In *Holiness and Living the Sacramental Life* Fr Philip Michael Tangorra lays out the mystical and invisible realities that are present during the celebration of the sacraments and explains how they can lead us to living ever more in tune with God Read how the sacraments aren't empty ceremonies but rather powerful effective signs that bring grace crashing through the cosmos and into our world See how beauty expressed in art music and architecture can bring us deeper into the mysteries of God Fr Tangorra teaches the average Catholic how to abandon a lukewarm spirituality and start living a sacramental existence allowing God to imbue life with a constant sense of union and communion with the divine *Stowe's Clerical Directory of the American Church*, 1920 Herald and Presbyter, 1905 The Encyclopedia of Film James Monaco, 1991 An alphabetical reference on the major film figures stars producers directors writers et al past and present Each entry provides a substantial career biography and a complete listing of all films the individual has been involved with Annotation copyrighted by Book News Inc Portland OR *Godwired* Rachel Wagner, 2012-03-12 *Godwired* offers an engaging exploration of religious practice in the digital age It considers how virtual experiences like stories games and rituals are forms of world building or cosmos construction that serve as a means of making sense of our own world Such creative and interactive activity is arguably patently religious This book examines the nature of sacred space in virtual contexts technology as a vehicle for sacred texts who we are when we go online what rituals have in common with games and how they work online what happens to community when people worship online how religious worlds and virtual worlds nurture similar desires Rachel Wagner suggests that whilst our engagement with virtual reality can be viewed as a form of religious activity today's virtual religion marks a radical departure from traditional religious practice it is ephemeral transient rapid disposable hyper individualized hybrid and in an ongoing state of flux **Catalog of Copyright Entries** Library of Congress. disconnected from mission is not Christian theology at all The pastors professors and missionaries writing *Theology and Practice of Mission* provide a clear biblical theological framework for understanding the church's mission to the nations Toward that goal the book holds three major sections God's mission the church's mission and the church's mission to the nations Part one explores the canon of Christian Scripture from narrative and systematic angles explaining how the mission of God to redeem a people who will be a kingdom of priests to the praise of his glory bear witness to his gospel advance his church and dwell with him forever on a new heaven and earth is communicated in the Bible's four movements Creation Fall Redemption and Restoration Part two sees the mission of God's people in the light of God's mission emphasizing not only preaching and church planting but also gospel witness in every dimension of human culture glorifying God in family church work community through the arts sciences education business and the public square The writers encourage us to live missionally leaving all of our resources at God's disposal for the sake of his kingdom Finally part three contends that the North American church must come to terms with its missional calling just as international missionaries do and gives a starting point and parameters for conceiving the church's mission to all people groups and cultural contexts Chapters here include ones on unreached people groups Muslims Hindus Buddhists and Postmoderns
