Politics and Apocalypse Robert Hamerton-Kelly, 2007-11-30 *Apocalypse*. To most, the word signifies destruction, death, the end of the world, but the literal definition is revelation or unveiling the basis from which renowned theologian René Girard builds his own view of Biblical apocalypse. Properly understood, Girard explains, Biblical apocalypse has nothing to do with a wrathful or vengeful God punishing his unworthy children and everything to do with a foretelling of what future humans are making for themselves now that they have devised the instruments of global self-destruction. In this volume, some of the major thinkers about the interpretation of politics and religion, including Eric Voegelin, Leo Strauss, and Carl Schmitt, are scrutinized by some of today's most qualified scholars, all of whom are thoroughly versed in Girard's groundbreaking work. Including an important new essay by Girard, this volume enters into a philosophical debate that challenges the *bona fides* of philosophy itself by examining three supremely important philosophers of the twentieth

century It asks how we might think about politics now that the attacks of 9 11 have shifted our intellectual foundations and what the outbreak of rabid religion might signify for international politics **Revivals** William Robert,2015-10-26 Presents new ways of thinking about the human and the humanities through a rethinking of Antigone Why revive Antigone again And why now William Robert responds to these questions through an inventive reading of Sophocles s Antigone reimagining Antigone in unprecedented ways These new possibilities of new Antigones offer fresh ideas on what it means to be human in relation to others Recast in novel roles Antigone is brought into contemporary conversations taking place in the humanities concerning animals biopolitics ethics philosophies religions and sexualities Robert also brings her into conversation with Luce Irigaray in ways that illuminate Antigone and Irigaray alike opening up new avenues for understanding them both and their potential for further contributions to the humanities **Divine Desperation** John Hurston,2003 What difference can I make in this world John Hurston shatters the notion that one person can t effect change in a nation or the world Join him in the jungles of Africa the cities of Korea and the ravages of Vietnam and experience divine desperation In a practical format ideal for personal or group study this hero of the faith the man whom Dr Cho calls his mentor shares timeless insights that will equip you to do more for God than you ever dreamed possible You can make a difference John Hurston s memoir should be required reading for every Christian who is committed to evangelism and prayer Ted Haggard Pastor New Life Church Colorado Springs John Hurston s ministry alongside Dr Cho is legendary this book is birthed from the heart of one of God s choice servants Tommy Barnett Pastor Phoenix First Assembly of God This book will have you on the edge of your seat and perhaps on your knees Don t miss your opportunity to gain insight from the man who mentored the pastor of the world s largest church Marilyn Hickey President Marilyn Hickey Ministries This book will ignite you with the Spirit s fire of holy desire and will change you forever Billy Joe Daugherty Pastor Victory Christian Center Tulsa About the author John Hurston served with distinction as an Assemblies of God missionary for more than thirty years He was knighted by Liberia s President Tubman and his mission among drug addicts in Saigon was given premium property by the president s wife of South Vietnam For more than twenty years he served as mentor to Dr David Yonggi Cho founder and pastor of Yoido Full Gospel Church in Seoul Korea the largest church in the world Dr Hurston is now an adjunct professor at Christian Life School of Theology in Columbus Georgia For more information visit his website at www.hurstonministries.org **The American Heritage Dictionary of Idioms, Second Edition** Christine Ammer,2013 Fifteen years after the publication of the first edition of the American Heritage R Dictionary of Idioms author Christine Ammer has extensively updated and expanded her original text making over 1500 revisions and adding hundreds of new entries such as couch potato elephant in the room senior moment and think outside the box to keep up with the rapidly changing English language **Idioms in the News - 1,000 Phrases, Real Examples** , *Finding Moosewood, Finding God* Jack Perkins,2013-03-05 For twenty five years millions of Americans watched Jack Perkins on NBC News as a correspondent commentator and anchorman People were familiar with his face his

bearing and his rich reassuring bass Yet at the age of fifty two and at the height of his career Jack Perkins left the world of broadcasting and moved with his wife Mary Jo to a bare necessities cabin on an uninhabited island off the coast of Maine This isolated home they came to call Moosewood was the setting for and the catalyst to Jack and Mary Jo s spiritual awakening For thirteen years they endured and learned to enjoy snowbound winters shuttling supplies from the mainland testing themselves and the strength of their marriage and discovering the rewards and glories of a close to nature life Which is to say the rewards and glories of a close to God life As far as the public was aware Jack Perkins had vanished In fact he was doing research not for a change about the unknown private life of a movie star or celebrated artist but about the unknown sides of himself Jack s personal account in Finding Moosewood Finding God tells a relatable story of one man drawn to cast off a shallow and unsatisfying lifestyle in order to seek out a deeper more meaningful and spiritual life Within the course of explaining how their lives were blessedly transformed especially during the cycle of their first year of island living Jack draws in stories from his long career in an impressionistic associative way that invites the reader to connect the dots One finds as he finally did that there d been many hints along the way of a greater plan at work This rich memoir also contains a photo insert
