Lord Arthur Savile's Crime and Other Stories is a collection of short semi-comic mystery stories that were written by Oscar Wilde and published in 1891. It includes *The Portrait of Mr W H*, *Lord Arthur Savile's Crime*, *The Canterville Ghost*, *The Sphinx Without a Secret*, *The Model Millionaire*, and *The Portrait of Mr W H*. *The Portrait of Mr W H* is a story written by Oscar Wilde first published in *Blackwood's Magazine* in 1889. It was later added to the collection *Lord Arthur Savile's Crime and Other Stories* though it does not appear in early editions. An enlarged edition planned by Wilde almost twice as long as the *Blackwood's* version with cover illustration by Charles Ricketts did not proceed and only came to light after Wilde's death. This was published in limited edition by Mitchell Kennerley in New York in 1921 and in a first regular English edition by Methuen in 1958, edited by Vyvyan Holland. The story is about an attempt to uncover the identity of Mr W H, the enigmatic dedicatee of Shakespeare's *Sonnets*. It is based on a theory originated by Thomas Tyrwhitt that the sonnets were addressed to one Willie Hughes, portrayed in the story as a boy actor who specialized in playing women in Shakespeare's company. This theory depends on the assumption that the dedicatee is also the Fair Youth, who is the subject of most of the poems. The only evidence for this theory is the text of a number of sonnets themselves, such as Sonnet 20, that makes puns on the words Will and Hues. *Lord Arthur Savile's Crime*: This story was first published in *The Court and Society Review* in late 1887. The main character Lord Arthur Savile is introduced by Lady Windermere to Mr Septimus R Podgers, a chiromantist who reads his palm and tells him that it is his destiny to be a murderer. Lord Arthur wants to marry but decides he has no right to do so until he has committed the murder. His first attempted murder victim is his elderly Aunt Clementina, who suffers from heartburn. Pretending it is medicine, Lord Arthur gives her a capsule of poison, telling her to take it only when she has an attack of heartburn. Reading a telegram in Venice some time later, he finds that she has died and victoriously returns to London to learn that she has bequeathed him some property. Sorting through the inheritance, his intended wife Sybil Merton finds the poison pill untouched, thus Lord Arthur's aunt died from natural causes and he finds himself in need of a new victim. After some deliberation, he obtains a bomb disguised as a carriage clock from a jovial German and sends it anonymously to a distant relative, the Dean of Chichester. When the bomb goes off, however, the only damage done seems like a novelty trick, and the Dean's son spends his afternoons making tiny harmless explosions with the clock. In despair, Lord Arthur believes that his marriage plans are doomed, only to encounter late at night on the bank of the River Thames the same palm reader who had told his fortune. Realising the best possible outcome, he pushes the man off a parapet into the river where he dies. A verdict of suicide is returned at the inquest, and Lord Arthur happily goes on to marry. In a twist, the palmist is denounced as a fraud, leaving the moral of the story to show the power of suggestion. *The Canterville Ghost*: The first of Wilde's stories to be published, appearing in the magazine *The Court and Society Review* in February 1887. When a

family from the United States buys Canterville Chase they are told it is haunted by a horrible spirit but this does not deter them in the slightest Indeed when they find a recurring blood stain on the floor and hear creaking chains in the night even seeing the ghost himself all they do is clean up the blood and insist that the ghost oil his manacles if he is going to keep living in the house This perturbs the ghost to no end and he does everything he can to try to frighten the family      **Lord Arthur Savile's Crime** Oscar Wilde,2018-03-23 Excerpt from Lord Arthur Savile s Crime And Other Stories Good heavens Said the Duchess to herself he is a sort of cheiropodist after all How very dreadful I hope he is a foreigner at any rate It wouldn t be quite so bad then About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *Lord Arthur Savile's Crime, And Other Stories Illustrated* Oscar Wilde,2020-12-25 Lord Arthur Savile s Crime and Other Stories is a collection of short semi comic mystery stories that were written by Oscar Wilde and published in 1891 This story was first published in The Court and Society Review in late 1887 The main character Lord Arthur Savile is introduced by Lady Windermere to Mr Septimus R Podgers a chiromantist who reads his palm and tells him that it is his destiny to be a murderer Lord Arthur wants to marry but decides he has no right to do so until he has committed the murder      **Lord Arthur Savile's Crime, And Other Stories** Oscar Wilde,2021-10-15 Lord Arthur Savile s Crime And Other Stories Oscar Wilde Lord Arthur Saviles Crime And Other Stories is a collection of short semi comic mystery stories that were written by Oscar Wilde and published in 1891 This story was first published in The Court and Society Review in late 1887 The main character Lord Arthur Savile is introduced by Lady Windermere to Mr Septimus R Podgers a chiromantist who reads his palm and tells him that it is his destiny to be a murderer Lord Arthur wants to marry but decides he has no right to do so until he has committed the murder His first attempted murder victim is his elderly Aunt Clementina who suffers from heartburn Pretending it is medicine Lord Arthur gives her a capsule of poison      **Lord Arthur Savile's Crime, and Other Stories Annotated Edition** Oscar Wilde,2021-07-09 Lord Arthur Savile s Crime And Other Stories is a collection of short semi comic mystery stories that were written by Oscar Wilde and published in 1891 This story was first published in The Court and Society Review in late 1887 The main character Lord Arthur Savile is introduced by Lady Windermere to Mr Septimus R Podgers a chiromantist who reads his palm and tells him that it is his destiny to be a murderer Lord Arthur wants to marry but decides he has no right to do so until he has committed the murder His first attempted murder victim is his elderly Aunt Clementina who suffers from heartburn Pretending it is medicine Lord Arthur gives her a capsule of poison      Lord Arthur Savile's Crime and Other Stories Illustrated Oscar Wilde,2021-04-27 Lord Arthur Savile s Crime and Other
