Children's Book Prizes Ruth Allen, 2019-01-22 First published in 1998 this book is the first comprehensive survey of the awards made to children's books in the English speaking world The Volume covers nearly forty different prizes including well known and established ones such as the Newbury Award prizes instigated by the commercial sector such as the Smarties Prize as well as nationally sponsored awards and prizes for illustrators Detailed lists are provided of the winning titles and where appropriate the runners up in each year that the award has been given Ruth Allen also presents some fascinating and often entertaining insights into the motivations behind awards and how they are viewed by authors illustrators publishers librarians booksellers and potential purchasers The various criteria applied by judges of these awards are also examined with an assessment of whether they have always achieved the right result This Volume is both a useful guide for adults wishing to buy good books for children and an important tool for those researching the history of the children's book industry

Handbook of Early Childhood Literacy Nigel Hall, Joanne Larson, Jackie Marsh, 2003-10-18 This volume examines early literacy research on a global scale and puts social cultural and historical analyses in the front seat without losing sight of individual and family level matters in the process It is comprehensive ground breaking and provocative and should help literacy researchers to think differently about the field Marjorie Faulstich Orellana School of Education and Social Policy Northwestern University No other publication that I am aware of brings together views from such diverse disciplines contributing to a comprehensive statement about early childhood literacy The Handbook not only reviews the current field of situated literacy but presents some important and exciting new research It is a significant resource that promises to become a landmark text Eve Bearne University of Cambridge Faculty of Education U K This handbook brings together an astonishing array of writers who explore contemporary political cultural and cognitive understandings of early childhood literacy Literacy and literacy acquisition are broadly defined here to encompass not just traditional notions of reading and writing but multimodalities multiliteracies and critical literacies It is rich and comprehensive an invaluable resource for scholars educators and students of early childhood literacy Elsa Auerbach Professor of English University of Massachusetts Boston This book is unique in its broad consideration of topics and its global focus I particularly appreciate how the editors have situated current research in an historical context They have also included development issues pedagogy research and the newest areas of interest critical literacy and popular culture Diane Barone University of Nevada Reno In recent years there has been a virtual revolution in early childhood studies with a mass of books and papers seeking to re-examine and reposition childhood At the same time an equally significant area

has developed within literacy studies reflecting a growing interest in the nature of literacy as a socially situated phenomenon There is increased interest in literacy as a multimodal concept in which symbolic meaning is a central concept rather than more conventional and narrower notions of literacy The Handbook of Early Childhood Literacy is central in providing access to all these different perspectives The Handbook offers a way through the vast diversity of publications on early childhood literacy by providing comprehensive and up to date reviews of research and thinking in early childhood literacy The arrangement of chapters reflects a contemporary perspective on research into early childhood literacy Major sections include the global world of early childhood literacy childhood literacy and family community and culture the development of literacy in early childhood pedagogy and early childhood literacy and researching early childhood literacy Contributions by leading authorities focus on literacy as a socially situated and global experience one that is evolving in relation to changes in contemporary culture and technological innovation *Dictionary of Nineteenth-century Journalism in Great Britain and Ireland* Laurel Brake, Marysa Demoor, 2009 A large scale reference work covering the journalism industry in 19th Century Britain **Sir John Tenniel** Rodney K. Engen, 1991 Here for the first time the traumatic account in full of Tenniel's troubled relationship with Lewis Carroll is set out alongside numerous unpublished examples of the Alice books illustrations as they were created These illustrations were second in importance only to Tenniel's Punch career which is examined by themes social and historical issues and in the light of Tenniel's own troubled life Finally the book contains a complete catalogue listing of all Tenniel illustrations for the serious collector a list of all exhibited work and lists of cartoons and paintings hitherto ignored by students of Victorian art The book is thoroughly illustrated with 150 black and white illustrations many of which have never been published before to give a complete picture of this supreme Victorian artist BOOK JACKET
