North-Country Lore and Legend ,1889 *The Story of the Plott Hound: Strike & Stay* Bob Plott,2007-12-17 The Plott bear

hound a dog originally from Germany and developed in the North Carolina mountains is known as one of the world's best hunting dog breeds. Recognized now as one of the premier hunting dogs in America, the Plott hound is unique among hunting dog breeds because it descends from Germanic stock rather than the traditional English foxhound. The breed's story began when its original breeder, Johannes Plott, and his brother Enoch left Germany in 1750 with their prized hunting dogs. This trip across the Atlantic began the two hundred year journey that would culminate in the North Carolina mountains with the development of what is now arguably the world's finest breed of hunting dog. This fascinating story of the Plott family and the Plott hound is a classic American tale of adventurers and underdogs, a story that Bob Plott, the great great great grandson of Johannes Plott, is uniquely qualified to tell. *A History of the North Staffordshire Hounds and Country* Charles J. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage. Hounds David Hancock, 2014-02-28. *Hounds* is a book for all those who admire the most endearing of sporting dogs, the scent hounds, the enthusiastic canine companions of the sportsmen who are thrilled by seeing a pack of hounds in full cry watching these exceptional canine athletes exercising their delight in pursuing scent, whether real or artificial. Painstakingly researched and packed with information, this book covers both the well known, recognized breeds and the more obscure ones from overseas, some quite unknown to the British public. **The Turning of the Year** Eithne Massey, 2021-10-11. From the author of the hugely successful book *Legendary Ireland*, *The Turning of the Year* explores the Celtic division of the year from Samhain to Imbolc to Bealtaine to Lúnasa back to Samhain. It examines the significance of particular times of the year and features retellings of various legends associated with them. The book will look at the close connection of the Irish with the land and with nature, bringing us on an exhilarating journey through the Irish seasons and the customs that welcomed each one in turn. Along the way we encounter saints, scholars, kings and goddesses whose stories, preserved in myth and folktale, counterpoint the book's exploration both of lost traditions such as keening and how other customs and rituals have been preserved in today's celebrations and communal events. It brings to the reader a new awareness of how such ritual can still have relevance in our lives and a deeper appreciation of the power of the natural world. Frostbound Sharon Ashwood, 2022-12-26.
