

Losing Ground

Ray C. Rist

Losing Ground:

Losing Ground Jione Havea, 2022-07-07 The Ruth narrative opens with a climate crisis a famine pushed a family to migrate and addresses some of the critical concerns for refugees food security home land inheritance Around those concerns *Losing Ground* Reading Ruth in the Pacific offers a collection of bible studies from the Pacific that interweave the climate pandemic with the interests and wisdoms of Pasifika natives Weaving Ruth's story together with the stories of those who as Pacific islanders on the frontline of a climate catastrophe are forced to leave their homes because of rising sea levels Pasifika bible scholar Jione Havea offers a powerful and potent contribution which refuses to pretend scripture can be read separately from the every day realities of a climate emergency

Losing Ground David M. Burley, 2010-04-26 What is it like to lose your front porch to the ocean To watch salt water destroy your favorite fishing holes To see playgrounds and churches subside and succumb to brackish and rising water The residents of coastal Louisiana know For them hurricanes are but exclamation points in an incessant loss of coastal land now estimated to occur at a rate of at least twenty four square miles per year In *Losing Ground* coastal Louisianans communicate the significance of place and environment During interviews taken just before the 2005 hurricanes they send out a plea to alleviate the damage They speak with an urgency that exemplifies a fear of losing not just property and familiar surroundings but their identity as well People along Louisiana's southeastern coast hold a deep attachment to place and this shows in the urgency of the narratives David M Burley collects here The meanings that residents attribute to coastal land loss reflect a tenuous and uprooted sense of self The process of coastal land loss and all its social components from the familial to the political impacts these residents concepts of history and the future Burley updates many of his subjects narratives to reveal what has happened in the wake of the back to back disasters of Hurricanes Katrina and Rita

Losing Ground John R. Nolon, Daniel B. Rodriguez, 2007 This book calls attention to the emerging issues involved in building on the edge of environmentally vulnerable places explores why we do this and proposes ways to mitigate its impact The challenge of public policy is to acknowledge and challenge the conflicts inherent in modern planning philosophy in the service of sensible environmental regulation

Visions of Poverty Robert Asen, 2012-01-01 Images of poverty shape the debate surrounding it In 1996 then President Bill Clinton signed welfare reform legislation repealing the principal federal program providing monetary assistance to poor families Aid to Families with Dependent Children AFDC With the president's signature this originally non controversial program became the only title of the 1935 Social Security Act to be repealed The legislation culminated a retrenchment era in welfare policy beginning in the early 1980s To understand completely the welfare policy debates of the last half of the 20th Century the various images of poor people that were present must be considered *Visions of Poverty* explores these images and the policy debates of the retrenchment era recounting the ways in which images of the poor appeared in these debates relaying shifts in images that took place over time and revealing how images functioned in policy debates to advantage some positions and disadvantage

others Looking to the future Visions of Poverty demonstrates that any future policy agenda must first come to terms with the vivid disabling images of the poor that continue to circulate In debating future reforms participants whose ranks should include potential recipients ought to imagine poor people anew This ground breaking study in policymaking and cultural imagination will be of particular interest to scholars in rhetorical studies political science history and public policy

Department of Agriculture Appropriation Bill for 1950 United States. Congress. House. Committee on Appropriations,1949 **The Afterlives of Kathleen Collins** L. H. Stallings,2021-12-07 An absorbing portrait of a groundbreaking Black woman filmmaker Kathleen Collins 1942 88 was a visionary and influential Black filmmaker Beginning with her short film The Cruz Brothers and Miss Malloy and her feature film Losing Ground Collins explored new dimensions of what narrative film could and should do However her achievements in filmmaking were part of a greater life project In this critically imaginative study of Collins L H Stallings narrates how Collins as a Black woman writer and filmmaker sought to change the definition of life and living The Afterlives of Kathleen Collins A Black Woman Filmmaker s Search for New Life explores the global significance and futurist implications of filmmaker and writer Kathleen Collins In addition to her two films Stallings examines the broad and expansive and varying forms of writing produced by Collins during her short life time The Afterlives of Kathleen Collins showcases how Collins used filmmaking writing and teaching to assert herself as a poly creative dedicated to asking and answering difficult philosophical questions about human being and living Interrogating the ideological foundation of life writing and cinematic life writing as they intersect with race and gender Stallings intervenes on the delimited concepts of life and Black being that impeded wider access distribution and production of Collins s personal cinematic literary and theatrical works The Afterlives of Kathleen Collins definitively emphasizes the evolution of film and film studies that Collins makes possible for current and future generations of filmmakers *Policy Studies Review Annual* Ray C. Rist,1986-09-01 In the tradition of the Policy Studies Review Annual series Volume Eight continues to offer the best of recent writing and analysis in a number of policy relevant area Indeed reflecting the shifting nature of policy debates and public attention Volume Eight has introduced seven entirely new substantive areas including such sensitive issues as the viability of the safety net information policy work and labor policy immigration policy and environmental policy The volume is also characterized by explicit attention to two critical aspects of the policy analysis craft the strengths and weaknesses of various methodological approaches and the role noneconomic factors should play in economic policy analysis Drawing from such public sector administrators as William Ruckelshaus and Eleanor Chelmsky academic policy analysts such as Martin Feldstein and Irving Louis horowitz and two congressional support agencies CBO and GAO the volume provides the most timely and relevant assessments of current policy issues It also provides the reader with a framework within which to approach substantie areas as widely disparate as national security and health care The volume is an indispensable tool for those who seek to sort through the confusions and contradictions of present policy statements in order to gain a cogent view

of how these and other issues are framed and what viable policy options are available Contents partial METHODS FOR POLICY ANALYSIS S Rosen S Tolchin D McCaffrey J Hall P Dommel S Kelman NONECONOMIC FACTORS IN ECONOMIC POLICY MAKING A Etzioni A Bhattacharya J Fel dman M Fedstein THE SAFETY NET AS PUBLIC POLICY Congressional Budget Office C Murray U S General Accounting Office R Struyk R K Weaver WORK AND LABOR POLICY S Levitan D Bresnik L Datta HEALTH POLICY AND COST CONTAINMENT V Fuchs B B Torrey J Lave DEFENSE AND NATIONAL SECURITY POLICY S Deitchman H Brown R Art D Robertson J Steinbruner I L Horowitz C Danopoulos INFORMATION POLICY E Chelimsky L Perlman R J Perlman P Lengyel ENVIRONMENTAL POLICY W Ruckelshaus M Kraft N Vig R C Kearney J J Stucker W K Viscusi IMMIGRATION POLICY R Mines P Martin E Bean T Sullivan D G Papademetriou

Poverty, Hunger, and the Welfare System United States. Congress. House. Select Committee on Hunger,1987

Technological Competition and Interdependence Gunter Heiduk,Kozo Yamamura,2016-06-01 Advanced industrial nations face many difficult political and economic problems due to the accelerating pace and evolving character of technological change In this volume economists and political scientists discuss analytic and policy issues relating to the current state of technological capability in the United States Japan and Western Germany from a historical perspective and as a basis for future technological development They also examine the problems and the issues involved in competition and cooperation among high technology firms and in evolving a more harmonious trade regime The essays presented here explore from an international perspective the theoretical underpinnings of policy issues that are shaped by increasing internationals competition and by the changing form and character of the international trade regime Issues are discussed against the background of declining American technological dominance and intensifying competition as well as increasing international cooperation among high technology firms Specific topics include the internationalization of basic research the closing gap between basic and applied research the effect of nation specific interfirm relations and various characteristics of labor markets on technological progress and the effectiveness of various forms of government research and development assistance or more broadly industrial policy Three essays present overviews of the technological capability of and major policy issues faced by the United States Japan and Western Germany Others raise major theoretical and policy issues from the perspectives of political science and economics and address specific policy issues or groups of related issues **The Evangelical Register** ,1842 **Poverty Knowledge** Alice O'Connor,2024-11-01 Progressive era poverty warriors cast poverty in America as a problem of unemployment low wages labor exploitation and political disfranchisement In the 1990s policy specialists made dependency the issue and crafted incentives to get people off welfare Poverty Knowledge gives the first comprehensive historical account of the thinking behind these very different views of the poverty problem in a century spanning inquiry into the politics institutions ideologies and social science that shaped poverty research and policy Alice O Connor chronicles a transformation in the study of poverty from a reform minded inquiry into the political economy of

industrial capitalism to a detached highly technical analysis of the demographic and behavioral characteristics of the poor. Along the way she uncovers the origins of several controversial concepts including the culture of poverty and the underclass. She shows how such notions emerged not only from trends within the social sciences but from the central preoccupations of twentieth century American liberalism: economic growth, the Cold War against communism, the changing fortunes of the welfare state, and the enduring racial divide. The book details important changes in the politics and organization as well as the substance of poverty knowledge. Tracing the genesis of a still thriving poverty research industry from its roots in the War on Poverty, it demonstrates how research agendas were subsequently influenced by an emerging obsession with welfare reform. Over the course of the twentieth century, O'Connor shows, the study of poverty became more about altering individual behavior and less about addressing structural inequality. The consequences of this steady narrowing of focus came to the fore in the 1990s when the nation's leading poverty experts helped to end welfare as we know it. O'Connor shows just how far they had traveled from their field's original aims.

A Political History of the American Welfare System Brendon O'Connor, 2004

John Maynard Keynes once noted that Madmen in authority are distilling their frenzy from some academic scribbler of a few years back. O'Connor, politics and public policy Griffith, U. Australia supports this observation in his study of the development of the American welfare system and the broader world of political language and rhetoric within which it has been shaped. Studying welfare policy from Lyndon Johnson's liberal social agenda to Bill Clinton's ending welfare as we know it, he divides the period and his book into three sections corresponding to welfare politics that conformed to liberal ideology, the conservative backlash against liberalism, and the forging of a conservative welfare system.

Second Anniversary of the Enactment of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005 United States. Congress. House. Committee on the Judiciary. Subcommittee on Commercial and Administrative Law, 2007

[After Multiculturalism](#) John F. Welsh, 2007-12-12

After Multiculturalism: The Discourse on Race and the Dialectics of Liberty provides a unique critique of multiculturalist thought in social theory and public policy from an individualist perspective. Contemporary academic and policy discourse on race and racism in the United States is dominated by collectivist social theories that are founded on the idea that the only meaningful challenges to racism are those that foster collective social identities and seek to influence and direct the use of state power in the interest of particular racial and ethnic groups. Multiculturalism is the prevailing incarnation of anti-racist thought that informs and mediates political process and organizational life in the United States. The multicultural discourse on race has become tribalist, anti-western, anti-market, and statist. *After Multiculturalism* challenges the notion that collectivist and statist ideologies own racism as an educational and public policy issue. Welsh demonstrates that individualist philosophies entail critiques of racism that follow directly from their anti-collectivist and anti-statist foundations. He argues that multiculturalism is unlikely to promote the types of social action and changes essential to overcoming racism and that the individualist and

libertarian ideas discussed in the book make important contributions toward the realization of a world free of racial domination To this end the ideas of Ayn Rand Murray Rothbard Benjamin Benjamin Tucker Lysander Spooner Max Stirner and contemporary libertarian scholars are discussed to the lay the foundation for a critique of multiculturalism The book explores the concepts of post ethnicity and transracialism as individualist and libertarian expressions of a society after multiculturalism Welsh s discussions of transracialism and post ethnicity constitute unique and important contributions to social thought This book will hold great interest for scholars and students concerned with race ethnicity political theory or individualist thought as well as scholars and students of the history of ideas *Embodiment in Cross-Linguistic Studies*

,2025-11-20 Over the past two decades linguistic research into embodiment has paid considerable attention to the human body and its individual parts particularly within typological and cognitively oriented studies This volume continues that line of inquiry with a specific focus on the lower limb It shows that like other major body parts the lower limb serves as a highly productive source domain for a wide range of conceptualisations across the world s languages and cultures More generally the book contributes to the growing body of work at the intersection of cognition language and culture It also engages with embodiment theory which posits that human cognition and language are fundamentally grounded in sensory motor experience Contributors are Kelsie Pattillo Jaime Pe a Gema Silva Franklin Espinoza Marleny Rodr guez Ma gorzata Wa niewska Rosanna Tramutoli Izabela Will Joseph Jaoko Ochieng Annika Tjuka Cristina Martins Fargetti Carmen L cia Reis Rodrigues Judit Baranyin K czy Iwona Kraska Szlenk Yi Tie Yongxian Luo and Mateus Cruz Maciel de Carvalho Before a Democracy Died Scott Leckie,José María Arraiza,2023-11-22 This volume is a collection of chapters based on work within Myanmar by the authors between 2009 and 2021 while working to improve housing land and property rights for the population Despite the extensive application and political uptake of their work throughout the country during the brief democratic reform period of 2011 2021 and measurable progress being made their work and that of the entire HLP community was brought to a sudden stop following the unexpected military coup in February 2021 Many of those with whom the authors worked closely on various HLP matters are no longer able to work safely on these issues in Myanmar Others have fled the country and are now refugees while others continue to face daily persecution and harassment by the military regime These texts will be of great interest to scholars and activists in the region **Hearings** United States. Congress.

Losing Ground Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Losing Ground free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Losing Ground free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Losing Ground free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers

voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Losing Ground. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Losing Ground any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Losing Ground Books

1. Where can I buy Losing Ground books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Losing Ground book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Losing Ground books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Losing Ground audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Losing Ground books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
