The Lost Heir G. A. Henty, 2018-01-04 *The Lost Heir* **The Lost Heir** Chris Gourley, 2021-06-12 She is The Lost Heir last of her line but the secret she carries with her won t put her on the throne Standing atop a promontory she sees them coming interlopers in the desert clumsy outsiders whose caravan blazes a trail of dust Alisutton d ere Lihter who her brothers once called Button was abandoned in this wasteland years ago Is it those who betrayed her

returning And if so why The answer will bring a girl the world thought dead back across the desert home to a place she barely remembers The secret she carries won't put her on the throne Instead it prompts a race across the land a daring rescue and brings to light yet more mysteries Who is hunting her along the way Can she trust what's left of her family or the strangers who have taken her into their fold or only herself With her bow and her spear her heart and her wits and an indomitable will to survive Button will find the answers But she will also learn like the wind in the desert what we learn can change us For good or ill she will never be the same *Death, Resurrection, and Transporter Beams* Silas N.

Langley, 2014-08-22 What has Star Trek to do with eternal life It provides the perfect metaphor for understanding the main Christian views concerning what happens to us when we die In this book Silas Langley uses the Star Trek transporter beam to explain five main Christian views about life after death Each of us lives with some personal answer to the universal question of what comes after death Even among Christians views differ as to what exactly happens when we die Meanwhile the modern secular world increasingly challenges the possibility of life after death How can we live again after we die if much of science and philosophy suggests that all that we are dies with our bodies This book shows how each of these views responds to these challenges *Death Resurrection and Transporter Beams* sorts out these disagreements and their biblical grounding These differences matter since they bear on who we are and how we are to live our lives Readers will come away with a clearer understanding of their own beliefs on this topic and with tools to enter into dialogue with people whose beliefs differ
