Lost And Found Bluford Series Number 1 Paperback:

Lost and Found Anne E. Schraff, 2002-01-01 The first novel in the Bluford Series *Once Upon a Time in a Different World* Neal A. Lester, 2010-06-21 This book offers a history and analysis of African American children's literature from its beginnings to the present Chapters explore issues surrounding race and representation from the race and gender politics of African American hair to the absence of the N word in children's books On the Run Karyn Langhorne Folan, 2025-04-01 Naveah Kendricks never expected it to go this far An outcast at Bluford High she's spent much of her freshman year feeling awkward and lonely Her one escape her phone has gotten her in major trouble at school and at home And now an old rivalry and a new threat have Naveah's back against the wall She is ready to fight but some battles cannot be won Is this one of them **Summer of Secrets** Paul Langan, 2004 When a frightening ordeal turns her life upside down Darcy reaches out to her friends for help but discovers that one of them has an even bigger secret *The Chosen* Karen Langhorne Folan, Paul Langan, 2020-11-03 Cooper I'm sorry Darcy said quickly trying to control the damage I didn't mean that This has nothing to do with you or this party I just Girl you better leave or things are gonna get ugly in here real quick Tarah warned Cooper stepped in between the girls then Tarah you don't wanna do this Please Darcy Wills feels the pressure Her best friend Tarah Carson has grown distant and hostile since the start of the school year And a medical crisis in Darcy's family has stress boiling over at home When surprising news forces Darcy to look at the future beyond Bluford High she realizes huge decisions are looming Unsure what to do but unable to avoid what's coming Darcy has no easy options Her choices will cut both ways Some doors will open but others may close forever **The Bully: Illustrated Edition** Paul Langan, 2025-04-01 A new life A new school A new bully That's what Darrell Mercer faces when he and his mother move from Philadelphia to California After spending months living in fear Darrell is faced with a big decision He can either keep on running from this bully or find some way to fight back The Bully has captivated millions of readers since it burst onto bookshelves in 2001 Today this gripping story from the Bluford Series has been supercharged in a special illustrated edition Featuring 28 original sketches from acclaimed artist Gerald Purnell The Bully Illustrated Edition will hook readers on page 1 and leave them on the edge of their seats to the very end Readicide Kelly Gallagher, 2023-10-10 Read i cide The systematic killing of the love of reading often exacerbated by the inane mind numbing practices found in schools Reading is dying in our schools Educators are familiar with many of the factors that have contributed to the decline poverty second language issues and the ever expanding choices of electronic entertainment In this provocative book Readicide How Schools are Killing Reading and What You Can Do About It author and teacher Kelly Gallagher suggests it is time to recognize a new and significant contributor to the death of reading our schools Readicide Gallagher argues that American schools are actively though unwittingly furthering the decline of reading Specifically he contends that the standard instructional practices used in most schools are killing reading by Valuing standardized testing over the development of lifelong readers Mandating breadth over depth in

instruction Requiring students to read difficult texts without proper instructional support and insisting students focus on academic texts Ignoring the importance of developing recreational reading Losing sight of authentic instruction in the looming shadow of political pressures Readicide provides teachers literacy coaches and administrators with specific steps to reverse the downward spiral in reading steps that will help prevent the loss of another generation of readers **Successful**

Single-Sex Classrooms Michael Gurian, Kathy Stevens, Peggy Daniels, 2010-12-08 This book is an essential resource for educators who are teaching or leading schools with single gender classes whether they are in public private or Catholic schools It is a soup to nuts guide covering everything from curriculum planning and classroom design to school policies and parent teacher communication Whether contemplating this new educational trend or already working within one of the 12 000 single gender schools this practical guide shows educators how they can make the most of a unique educational opportunity Positioned at the forefront of brain based learning Michael Gurian's work translates and distills the latest scientific research into key points which can be immediately integrated into an educator's existing practice The research underlines the importance of single sex learning and supports the creation and implementation of new strategies for accommodating the brain differences of boys and girls at both the school and classroom level *Catalog of Copyright*

yellow caution tape stretched around my students neighborhoods the chalk outline of apathy on the ground crushed by the weight of a thousand books Until then I treat each day as if books are EpiPens and every student has a shellfish allergy with a mouth full of shrimp Most of the students in Daphne Russell's reading class have never read an entire book and they can't relate to Harry Potter and his magic wand Abel is twenty eight days behind everyone else and he needs enough books inside him to get his lungs to work again mend his shattered heart and kick the shit out of apathy In her memoir Read or Die Russell documents her daily battle as a middle school teacher in Tucson Arizona fighting against predetermined trajectories of less than beliefs with an arsenal of hard covers and tattered pages A talented and caring teacher Russell offers a moving portrayal that combines rich autobiographical details with firsthand insight into the world of education Read or Die is not only a compelling story but also offers revealing and meaningful insights into education in America from a seasoned insider
