Written to explore and demystify the experience of loss in different contexts within the framework of the National Curriculum, this text facilitates the use of children's own experiences encouraging improvisation and extension. *The Little Teashop of Lost and Found* Trisha Ashley, 2017-03-09. Trisha Ashley writes with remarkable wit and originality, one of the best writers around. KATIE FFORDE. Trisha at her best. CAROLE MATTHEWS. Alice Rose is a foundling discovered on the Yorkshire moors above Haworth as a baby. Adopted but then later rejected again by a horrid step mother, Alice struggles to find a place where she belongs. Only baking the scent of cinnamon and citrus and the feel of butter and flour between her fingers brings a comforting sense of home. So it seems natural that when she finally decides to return to Haworth, Alice turns to baking again, taking over a run-down little teashop and working to set up an afternoon tea emporium. Luckily she soon makes friends, including a Grecian god-like neighbour who helps her both set up home and try to solve the mystery of who she is. There are one or two last twists in the dark fairytale of Alice's life to come, but can she find her happily ever after? Readers love *The Little Teashop of Lost and Found*, delightful, charming and pure escapism, intrigue, laughs and compassion, a truly lovely novel full of warm-hearted characters, beautiful settings, delicious cakes and that special touch of magic which makes it stand out as a Trisha Ashley novel. **Perspectives and Provocations in Early Childhood Education Volume 2** Vivian Vasquez, Jeffrey Wood, Carol Branigan Felderman, 2013-08-01. Mandates to implement practices that are antithetical to what we embrace as supportive of young children's literacy learning are pervasive. Teachers of young children are asked to teach to the test in ways that take away opportunities for holistic, thoughtful, play-oriented practices that allow children to construct knowledge through contextualized and purposeful experiences. In 2009 the Early Childhood Assembly was formed by a group of early childhood educators to provide a home at the National Council for Teacher Education for all who work with young children. *Perspectives and Provocations in Early Childhood Education* is a publication of the ECEA. The publication is intended to support teachers of young children and those interested in studying about early literacy by putting on offer texts with a strong emphasis on promoting thoughtful practices that enhance the teaching and learning of young children within and across diverse communities. All royalties from the book go to the ECEA to help the organization advance its goals of providing scholarships for early childhood teachers to participate in conferences and professional development events.
