The Quest for a Lost Identity Maḥmūd Ghanāyīm, 2008 Arabic fiction by Palestinian writers in Israel underwent a rebirth with the establishment of the State in 1948 an event affecting not only the land that had been Palestine but the entire region In *The Quest for a Lost Identity* Mahmud Ghanayim probes in considerable detail this creative process over the last half century Adopting a strictly literary treatment of the new situation he reconstructs the various stages in the evolution of Palestinian literature and its difficult existence under martial law Perusing works by such writers as Hanna Ibrahim Atallah Mansur Muhammad Ali Taha Tawfiq Fayyad Muhammad Naffa Naji Zahir

Riyad Baydas and others he highlights the efficacy of ideologically driven literary criticism monitoring the direction and literary strategies underlying the cultural revival generated by this national minority The author of this penetrating monograph deftly etches the new Palestinian self image emerging from this literary rebirth with its ardent ambition to create an esthetically inspired rather politically monitored literature Perhaps no Palestinian writer of calibre exemplified better than Emile Habibi the aspiration to break away from the grip of local cultural conventions to achieve artistic modernity In effect this doyen of Palestinian literature succeeded in meeting the expectations of three highly demanding readerships comprising the local Arab minority the Jews and the Arab world outside Israel **The House of Lost Identity** Donald

Corley,2008-02-01 Fantasy tales and drawings by Donald Corley with an introduction by James Branch Cabell [Index to Short Stories](#) ,1929 *Tragedy in the Making* Mzwandile P. Ntsonta,2012-07-27 The book is entitled Tragedy In The Making Its written after he the author experienced suffering pain struggle and poverty for a very long time in his life because of wrong beliefs he subscribed to wrong decisions and choices he have made The truth is that people are overwhelmed by what they are going through in their daily living People are trying so hard to make life work and no matter how hard they try they keep on failing Because they are living their lives outside the parameters of Gods will for their lives Tragedy in the Making is trying to live the life we have designed for ourselves versus failing to live the life that God has designed for us When you keep doing things in your own way instead of Gods way you wont be able to manage your lifethat is a promise The source of the suffering in this book is the result of mankind not comprehending the purpose and the plan of God for creating them When I observe and look around in the world today I see a lot of ongoing suffering pain struggle and poverty in Gods people as well I believe you can agree with me when I say Some of the things we see daily in this world are heartbreaking Most leaders are responsible for the suffering and struggle that we see in peoples lives Whether be the heads of states heads of institutions or heads of families Somehow we are where we are today because someone has led us there The solution in your suffering sorrow pain and struggle can only be found in one man only and his name is Jesus Christ He came to reconcile us with the Father He came to restore us into our original state and mend a broken relationship between us and God our creator
