Lost Jews:

The Lost Jews Louis Rapoport,1980 *Lost Jews* Emma Klein,2016-07-27 Against a background of continuing erosion of Jewish numbers the book investigates the many facets of Jewish identity by throwing the spotlight on people of part Jewish descent on born Jews on the fringes of Jewish life and those who have sought alternative affiliations Emma Klein also calls for a response from religious and lay leaders to parochial communal attitudes and the anomaly of the definition of Jewish status in Jewish law which may be seen to contribute to the erosion **Dahomey and the Lost Jews** George Amoako,2017-04-26 This is story of Tarma and Elemelech journeys from yerusalem to Ethiopia after the Jewish civil war during the time of King David and their subsequent jouneys from Ethiopia to Benin The Lost Tribes a Myth Allen Howard Godbey,1974 *Site of Amnesia: The Lost Historical Consciousness of Mizrahi Jewry* Yvonne Kozlovsky Golan,2019-03-25 This study deepens our historical understanding of the North African Jewish and Middle Eastern Jewish experience during WWII which is often under or mis represented by the media in Israel the Arab world France and Italy Public historical and sociocultural discourse is examined to clarify whether these communities are accepted by the world as Holocaust survivors Further it determines the extent to which their wartime history is revealed to Israeli society in its cultural performances Importantly this work addresses the reasons why the Holocaust of North African Jewry is absent from Israeli and world consciousness Finally the study contemplates the consequences of these phenomena for Israeli society as well as in the colonial countries of France and Italy In addition to using academic resources Golan captures this history from the margins by utilizing audio visual and artistic media in addition to evidence recorded on community heritage websites Facebook and other online social networks Golan s book demonstrates that there is a moral imperative to preserve and transmit these memories of persecution and discrimination David B Levy Touro College NYC Association of Jewish Libraries News and Reviews 1 2 2019

Authentically Jewish Stuart Z. Charmé,2022-08-12 This book analyzes the different conceptions of authenticity that are behind conflicts over who and what should be recognized as authentically Jewish Although the concept of authenticity has been around for several centuries it became a central focus for Jews since existentialist Jean Paul Sartre raised the question in the 1940s Building on the work of Sartre later Jewish thinkers philosophers anthropologists and cultural theorists the book offers a model of Jewish authenticity that seeks to balance history and tradition creative freedom and innovation and the importance of recognition among different groups within an increasingly multicultural Jewish community Author Stuart Z Charm explores how debates over authenticity and struggles for recognition are a key to understanding a wide range of controversies between Orthodox and liberal Jews Zionist and diaspora Jews white Jews and Jews of color as well as the status of intermarried and messianic Jews and the impact of Jewish genetics In addition it discusses how and when various cultural practices and traditions such as klezmer music Israeli folk dance Jewish yoga and meditation and others are recognized as authentically Jewish or not **Jews and Genes** Elliot N. Dorff,Laurie Zoloth,2015-03 Well aware of Jews having once been

the victims of Nazi eugenics policies many Jews today have an ambivalent attitude toward new genetics and are understandably wary of genetic forms of identity and intervention At the same time the Jewish tradition is strongly committed to medical research designed to prevent or cure diseases Jews and Genes explores this tension against the backdrop of various important developments in genetics and bioethics new advances in stem cell research genetic mapping identity testing and intervention and the role of religion and ethics in shaping public policy Jews and Genes brings together leaders in their fields from all walks of Judaism to explore these most timely and intriguing topics the intricacies of the genetic code and the wonders of life along with cutting edge science and the ethical issues it raises **Kings of the Jews** Norman

Gelb,2010-03 We all know about King David and King Solomon but what about the kings Omri and Uzziah Of the more than fifty monarchs who sat on the throne of the Jews for over 1000 years most of us can recall only a few What we do remember about them has been colored by legend and embellishment In **Kings of the Jews** Norman Gelb tells us the real stories of them all And in doing so he reveals how a remarkably resilient people survived divisions discord and conquest to forge a vibrant identity that has lasted to the present day **Kings of the Jews** explores some of the most dramatic periods in Jewish history those of the united Israelite kingdom under David and Solomon the divided kingdoms of Israel and Judah the Babylonian exile and the destruction of the Second Temple and the Roman conquest of Jerusalem With illustrations maps chronologies and index **Anglo-Israel; Or, The British Nation the Lost Tribes of Israel ...** William Henry Poole,1879 **The Chinese**

Asia Rotem Kowner,2023-06-15 A pioneering exploration of the Jewish communities across the Asian continent and their dramatic rise and fall in modern times A Jewish Voice Jeremy Rosen,2019-11-20 This book is a collection of ideas I have written about over the past year or so in the form of weekly blogs They describe the different thoughts I have had on a range of topics from religious political historical and cultural to specifically Jewish My way of thinking comes from the integration of Jewish and secular western ideas and values I write to inform to challenge to educate and to entertain Often controversially I am aiming at a Jewish audience that is looking for new ways of treating religious issues in a non conformist way that encourages a critical view of life And for others interested in how I as a Jewish person try to reconcile two very different ways of looking at the world *Am I a Jew?* Theodore Ross,2013-08-27 I was nine years old when my mother

forced me to convert to Christianity When Theodore Ross moved from New York City to small town Mississippi his mother insisted that the family pretend to not be Jewish He was sent to an Episcopal school where he studied the Bible sang in the choir and even took communion As an adult he abandoned the religious charade but wondered Am I a Jew In search of an answer Ross immersed himself within communities on the fringes of Jewish identity Crypto Jews Lost Tribes the ultra Orthodox and more Filled with humor curiosity and sincerity Am I a Jew explores America s riotous religious diversity and one man s quest to stake a claim within it **Colonialism and the Jews in German History** Stefan Vogt,2022-06-16

Colonialism and the Jews in German History brings together new and path breaking studies on the historical relationship between colonialism and the Jews in Germany The book considers the mutual influences on the situation of the Jews in Germany including attitudes towards Jews and anti Semitism but also Jewish self conceptions and the ideology and politics of German colonialism The contributors discuss the ways in which colonial ideology and practice have affected the position of the Jews in Germany and the relationship between anti Semitism and colonial racism In doing so the volume introduces German colonialism as a relevant context for German Jewish history and it expands the perspective on German colonial history significantly by considering Jews both as distinct objects and also as agents within the field of German colonialism The volume includes studies on the pre colonial era the phase of active German colonialism since the 1880s and the time after Germany lost its colonies in the First World War All these studies testify to the fact that German Jewish history takes on additional significance if seen as part of a global history of collective relationships The Lost Daniel
