Louise Bourgeois Recent Works Obras Recientes:

El imaginario de la casa en cinco artistas contemporáneas Judit Uzcátegui Araújo, 2011 El imaginario de la casa en cinco artistas contemporáneas Remedios Varo Louise Bourgeois Marjetica Potrc Doris Salcedo y Sydia Reyes de Judit Uzcátegui Araújo presenta que significa para estas artistas el concepto de la morada La atención de la autora se dirige al campo de la expresión artística en un intento de ver la resonancia que ha tenido y tiene la casa como motivo de la reflexión estética Buscando huellas filosóficas en obras de Martin Heidegger Gastón Bachelard Otto Bollnow Friedrich Emmanuel Levinas el hogar se convierte en un reflejo de las más íntimas miradas del artista

Annual Bibliography of Modern Art Museum of Modern Art (New York, N.Y.). Library, 2000

Artbibliographies Modern, 1994 Abstracts of journal articles books essays exhibition catalogs dissertations and exhibition reviews The scope of ARTbibliographies Modern extends from artists and movements beginning with Impressionism in the late 19th century up to the most recent works and trends in the late 20th century Photography is covered from its invention in 1839 to the present A particular emphasis is placed upon adding new and lesser known artists and on the coverage of foreign language literature Approximately 13 000 new entries are added each year Published with title LOMA from 1969 1971

Doble exposición Beatriz Colomina, 2006-03-17 Este libro reúne una serie de reflexiones sobre la relación entre arte y arquitectura Explora las aspiraciones arquitectónicas del arte y las artísticas de la arquitectura El título del libro Doble exposición en inglés Double Exposure se utiliza aquí en el sentido fotográfico de dos imágenes superpuestas o mejor dos fotografías en un mismo negativo una misma emulsión suspendidas en un mismo medio Arquitectónicamente puede pensarse en el cristal de un gran ventanal panorámico que de noche refleja el interior de la casa y lo superpone a una vista del exterior Este sentido de dislocación en el espectador el habitante de la casa o el que mira a una fotografía de doble exposición o quizá incluso el que mira a cualquier obra de arte refleja también el de la autora Doble exposición significa textos sobre arte escritos desde la arquitectura O como indica el subtítulo sobre la arquitectura a través del arte Porque en el fondo lo que estos textos acaban buscando no es tanto el arte como la arquitectura en el arte Aprender arquitectura escribiendo sobre arte entonces Mirando desde nuestra casa la disciplina de la arquitectura hacia afuera hacia el arte vemos el interior reflejado en el cristal como si fuera por primera vez
