Louisvilles First Families A Series Of Genealogical Sketches:

Louisville's First Families Kathleen Jennings,1920

Louisville's First Families Kathleen Jennings,2015-08-04

Excerpt from Louisville s First Families A Series of Genealogical Sketches Typical of the gentlefolk who came to the Kentucky frontier in the last thirty years of the Eighteenth century are the twelve families grouped in this series known as Louisville s First Families An effort has been made to picture the early social life of Louisville as inaugurated by the twelve families included and by similar families of culture and refinement that emigrated from Virginia Maryland and Pennsylvania to the wilderness in the late seventeen hundreds From family records and traditions that have come down verbally through the several generations material was obtained with which to illustrate the permanency of these families in the city listing the descendants of the pioneers to link the Eighteenth century with the Twentieth and to indicate the shaping influence of such people upon the growth of a community About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

of Henry Clay Henry Clay,2015-02-05 This supplement to The Papers of Henry Clay contains documents discovered too late to be included in the proper chronological sequence in earlier volumes Spanning the years from 1793 to 1852 the items shed important light on Clay s early years in Kentucky his legal career and his work for the Bank of the United States Material dealing with the Corrupt Bargain charge is particularly rich and many of the letters that appear in this volume fill gaps in exchanges already published Clay s correspondence with Benjamin Watkins Lee of Virginia and Mary Bayard wife of Delaware senator Richard Henry Bayard is especially interesting An essay on Clay portraits by Clifford Amyx professor

emeritus of art at the University of Kentucky provides a detailed discussion of the paintings statues busts engravings and daguerreotypes that featured Clay as the subject Appended to the essay is a calendar listing each major work the artist date of completion and present location A comprehensive bibliography of works cited in the entire series will benefit researchers seeking information in addition to that provided in the annotations This supplement is an essential addition to the earlier volumes in the series **Catalog of Copyright Entries** Library of Congress. Copyright Office,1920 Genealogical Material and Local Histories in the St. Louis Public Library St. Louis Public Library,1927 **Catalog of Copyright Entries** ,1920 Kentucky Countryside in Transition Stephanie Bower,2024-01-12 Kentucky Countryside in Transition charts the rise of the American middle class at the turn of the twentieth century by examining the migration from the Kentucky countryside to the city and subsequently the suburbs of Louisville The formation of the middle class in Louisville was fostered by two factors a boom in white collar employment and the electric streetcar an innovation that fundamentally changed the urban landscape Ultimately a narrative of industrialization and modernity this study focuses on a group of forty two families who lived at the end of the Broadway Trolley line in an area that came to be known as the Cherokee Triangle This suburban neighborhood was dominated by white collar commuters who were driven to Louisville by a desire to get ahead but continued to embrace a nostalgia for country life In this meticulous three generation study Stephanie Bower follows this group of families as they make the transition from rural farmers and cultivators to city laborers and white collar workers By mining census records city directories and county records Bower carefully reconstructs the biographical details of residents in an effort to paint a picture of life in this streetcar suburb during this important period of transformation Regional studies of the middle class during this pivotal era are often overlooked in contemporary scholarship Consequently this analysis will be of interest to those researching Louisville middle class formation and suburbanization as well as to local genealogists tracing their family histories Stephanie Bower is professor emeritus of history at the University of Indiana Southeast She is the author of Famism The Impact of Demographic Factors on Family Structure and her articles have appeared in Hispanic American History Review The Americas LOCUS and Historical Methods The Clarks of Kentucky Douglas C. Harrison,2011-11-16 When John Clark Married Ann Rogers in 1749 in Virginia they would eventually produce ten children six sons and four daughters Like most early American rural couples John and Ann thought that they were raising farm hands and kitchen help Little did they dream that their children and two more generations of Clarks would have such a great impact on Americas development from coast to coast Three of the Clark sons would become officers and help to win the Revolutionary War in the east George Rogers Clark would become a general and win the Revolution in the west thus giving America the eastern one third of the continent George would also found Louisville and the state of Kentucky William Clark as the youngest Clark son was seventeen years younger than big brother George his hero William would also pursue a military career and partner with Meriwether Lewis to explore the Louisiana Purchase thus giving America the middle third of the

continent William would later become a great Indian diplomat and help to establish the state of Missouri Williams son Meriwether Lewis Sr Lewis would go to West Point become a famous architect and fight in three wars They included the Mexican War which gave America the western third of the continent Lewis son Meriwether Lewis Clark Jr Lutie would basically save the thoroughbred industry in Kentucky and America after the Civil War He created the pari mutuel system of betting set up racing rules and started Churchill Downs and the Kentucky Derby all of which still exist John and Ann Clark and all of the other living off springs eventually moved to Louisville and added to the Clarks of Kentucky Louisville's First Families Kathleen Jennings,1997-07-01 **To the Vast and Beautiful Land** Light Townsend Cummins,2019-02-19 To the Vast and Beautiful Land gathers eleven essays written by Light Townsend Cummins a foremost authority on Texas and Louisiana during the Spanish colonial era and traces the arc of the author s career over a quarter of a century Each essay includes a new introduction linking the original article to current scholarship and forms the connective tissue for the volume A new bibliography updates and supplements the sources cited in the essays From the enduring community of Anglo American settlers in colonial Natchez to the G lvez family along the Gulf Coast and their participation in the American Revolution Cummins shows that mercantile commerce and land acquisition went hand in hand as dual motivations for the migration of English speakers into Louisiana and Texas Mercantile trade dominated by Anglo Americans increasingly tied the Mississippi valley and western Gulf Coast to the English speaking ports of the Atlantic world bridging two centuries shifting it away from earlier French and Spanish commercial patterns As a result Anglo Americans moved to the region as residents and secured land from Spanish authorities who often welcomed them with favorable settlement policies This steady flow of settlement set the stage for families such as the Austins first Moses and later his son Stephen to take root and further Anglocize a colonial region Taken together To the Vast and Beautiful Land makes a new contribution to the growing literature on the history of the Spanish borderlands in North America

The Captivating World of Kindle Books: A Comprehensive Guide Revealing the Advantages of E-book Books: A World of Ease and Flexibility E-book books, with their inherent portability and ease of availability, have liberated readers from the constraints of hardcopy books. Gone are the days of carrying cumbersome novels or meticulously searching for particular titles in bookstores.
