Love At Stake:

The Vampire Archives Otto Penzler, 2009-09-29 The Vampire Archives is the biggest hungriest undeadliest collection of vampire stories as well as the most comprehensive bibliography of vampire fiction ever assembled Dark stormy and delicious once it sinks its teeth into you there s no escape Vampires Whether imagined by Bram Stoker or Anne Rice they are part of the human lexicon and as old as blood itself They are your neighbors your friends and they are always lurking Now Otto Penzler editor of the bestselling Black Lizard Big Book of Pulp has compiled the darkest the scariest and by far the most evil collection of vampire stories ever With over eighty stories including the works of Stephen King and D H Lawrence alongside Lord Byron and Tanith Lee not to mention Edgar Allan Poe and Harlan Ellison The Vampire Archives will drive a stake through the heart of any other collection out there Other contributors include Arthur Conan Doyle Ray Bradbury Ambrose Bierce H P Lovecraft Harlan Ellison Roger Zelazny Robert Bloch Clive Barker *The Men & Women we love to hate* Donald A Patterson, 2022-06-24 Short Synopsis on the book Men and Women you love to hate or What s his name I really hate him As you can see above I have two possible titles but I can t decide which one to use This is how I envisage the book cover the front of the book the character is a cartoon representation of a Baddie based on Dick Dastardly from Whacky Races which is originally based on a Victorian actor Todd Slaughter who always played villains in plays and films The Men some kill deceive and take advantage of the other person whether man or woman but they remain human beings who we can recognise How does the author or screen writer know if a certain type of villain fits well into the script or book they propose in their genre or story To an author or screenwriter each character type serves a specific purpose in the exploration of a book or script s premise which usually starts with the protagonist An antagonist s primary purpose is to be the main obstacle to the protagonist hero s quest or goal which is motivated by a conflicting goal That goal is something an antagonist is determined to secure for his or her own reason s The antagonist villain can in most cases be self serving or the protection of a community he or she might have a stake in The character s reasons for doing what they do can often be the most emotionally compelling part of the story This is because audiences can on occasions understand the antagonist s motivation and can sometimes relate to it these motives fall generally under two distinct classifications of personal gain or communal gain **Burnin' Love** Lanier Laney, Terry Sweeney, 1988 **Love Bites Book One: Love at First Stake** J.
