Subject: Lauren Update

First of all, I want to thank all of you, and all of the others to whom you speak about Lauren. The love that has flooded in and the prayers that are being uttered on her behalf have helped us immensely.

She is still heavily sedated due to her condition, but they say she can hear my voice, so I tell her about everyone I have spoken to, that they send their love and best wishes, and their prayers, including numerous congregations across the spiritual spectrum, both synagogues and churches around the world. I have been informed that the **Love, Greg & Lauren** Baptists will be added to this group.

Lauren is putting up a heck of a fight. She has been through two surgeries and continues to hold on. She has a long road in front of her, but she is holding on. We are holding on too. As of 5 PM Wednesday, Lauren is stable.

For those of you who may not know the story, she was entering the lobby of the North Tower of the World Trade Center when a fireball exploded from the elevator shaft. She and two others managed to run out of the building, all three of them on fire. A passerby across the street ran to them, reaching Lauren first, and put the flames out. He then put Lauren in an ambulance, so she was the first person evacuated. He certainly saved her life.

She was at St. Vincent's, where I joined her, and then at 5 PM Tuesday rode in the front of the ambulance when she was transferred to the Burn Center at NY-Presbyterian.

When I got to St. Vincent's, she told me that she decided to live for Tyler and for me; so I am taking her at her word.

Thank you for all your support and prayers.

Love,
Greg & Lauren
