The Key of Love ,2009-06-25 This book is the result of many years of study and prayer meditating on the Word making notes and assembling those notes into something that I believe will be a blessing to others who are seeking God in their lives I discovered that God was telling me in Matthew 6 33 to seek first of all the Kingdom of God and all of His righteousness And when I went looking I wasnt able to find anybody who knew much of anything about what I was asking So I set out to remedy that situation And in doing so I had to learn early on that I had to have a total dependency upon God to give me the answers I was seeking I had to yield to the Holy Spirit who lives in me because one cant get spiritual answers from the physical I had to learn to differentiate between the Holy Spirit and the devil talking to me I had to learn to walk by faith to step out and obey God I had to learn that as I read the Word of God my trust in Him and my faith would grow and go beyond what I could ever ask or think The Key of Love is designed to be a study guide to get you from where you are to where God wants you to be Have your Bible with you as you read and take the time to look up and study the numerous references to scripture herein as well as cross references which appear in parentheses following many of the Bible quotations If you experience a closer walk with God you will come to know God and to understand just how much He loves and cares for you Ask the Holy Spirit to help you as you study John 16 13 Look up each scripture read several verses before and after the noted verse and study it meditate on it and let the Word of God be your final judge God has sent the Holy Spirit into your life to guide you unto all truth John 16 13 I Thessalonians 5 21 Take full advantage of all that God has provided for you to make your life everything

that He has created it to be To understand God one must understand that there are Keys to the Kingdom of Heaven that unlock the mystery of how we can know God and achieve what he has planned for us
