Insert image here If it were not for my creativity imagination obsession with love and my compulsion to write about it I would be forced to live in the real world I simply can never let that happen It would be the death of me and everything I believe in I seek only those things that surround me with beauty and where love s reign inspires *The Book of English Verse* Various Authors,2020-09-28 FOR this Anthology I have tried to range over the whole field of English Verse from the beginning or from the Thirteenth Century to this closing year of the Nineteenth and to choose the best Nor have I sought in these Islands only but wheresoever the Muse has followed the tongue which among living tongues she most delights to honour To bring home and render so great a spoil compendiously has been my capital difficulty It is for the reader to judge if I have so managed it as to serve those who already love poetry and to implant that love in some young minds not yet initiated My scheme is simple I have arranged the poets as nearly as possible in order of birth with such groupings of anonymous pieces as seemed convenient For convenience too as well as to avoid a dispute royal I have gathered the most of the Ballads into the middle of the Seventeenth Century where they fill a languid interval between two winds of inspiration the Italian dying down with Milton and the French following at the heels of the restored Royalists For convenience again I have set myself certain rules of spelling In the very earliest poems inflection and spelling are structural and to modernize is to destroy But as old inflections fade into modern the old spelling becomes less and less vital and has been brought not I hope too abruptly into line with that sanctioned by use and familiar To do this seemed wiser than to discourage many readers for the sake of

diverting others by a scent of antiquity which to be essential should breathe of something rarer than an odd arrangement of type But there are scholars whom I cannot expect to agree with me and to conciliate them I have excepted Spenser and Milton from the rule Glosses of archaic and otherwise difficult words are given at the foot of the page but the text has not been disfigured with reference marks And rather than make the book unwieldy I have eschewed notes reluctantly when some obscure passage or allusion seemed to ask for a timely word with more equanimity when the temptation was to criticize or appreciate For the function of the anthologist includes criticizing in silence Praying with Jesus Rick Rannie,2024-02-14 Praying with Jesus uncovers the four aspects of having a successful prayer life The main key is realizing that the Father Jesus and the Holy Spirit are with us in prayer The Scripture in Acts 10 38 talks about how Jesus was anointed with the Holy Ghost and power and went about doing good healing all that were oppressed of the devil for God was with Him It is knowing God is with us that will cause us to realize nothing is impossible for us in prayer *New Spain, or Love in Mexico, an Opera.* [Written by J Scawen.] ... the Music intirely [sic]New ... adapted for the Harpsichord, Piano-Forte or Violin ...
