Ratul's dad and Ronita herself **Raja Yoga** Swami Vivekananda, 2016-02-18 For thousands of years extraordinary and supernatural phenomena have been studied, investigated and generalised. The whole ground of the religious faculties of man has been analysed and the practical result is the science of Raja Yoga. In the modern times Swami Vivekananda has been the most authoritative oracle to propound this age-old science of God-realization. The main theme of the book is concentration of mind as a means to superconscious state. The first part of the book comprises several lectures to classes delivered by the Swami in New York. The second part is a rather free translation of the aphorisms of Patanjali with a running commentary. This book, published by Advaita Ashrama, a publication centre of Ramakrishna Math, Belur Math, is invaluable and indispensable for all the practitioners of meditation.

Love Comes with a Price Bianca, 2016-01-28 Kadee Brown has been dealing with her boyfriend Jayce for the last 6 years and he has put her through hell and high water and she has finally had enough. Will she be able to finally move on after Jayce commits the one discretion that she never thought he would commit but will Jayce let her move on peacefully? Kadee's parents have been keeping a secret from her ever since she was born and when the secret comes out she worries how the secret will affect her friendship with her girls. Briana Jackson is the HBIC. She has a bad attitude and she does what she wants and when she wants and does not care who she hurts in the process. She has everything that she could possibly want in life but she feels like she is missing one thing: the love of her biological father, Tristan Triple T Thompson. Briana turns to different men looking for that love and affection that she has never gotten from Trip. Will he help her get her life back on track or will he lead her down a path of more destruction? Jaslyn Roberson is the quiet and rational thinker of the group. Jaslyn finds herself in an abusive relationship and along with home issues she sometimes doesn't know which way is up. After a tragic event she seeks solace into the arms of another man. Jaslyn can sense that this new guy is keeping a secret from her but can't quite put her finger on it.

Choosing Stillness, Knowing Love Christine Dixon, 2016-06-03 Often our default is to turn for guidance to external sources rather than connecting to the God-given Spirit of Love within us. We may effectively forfeit our direct connection to God and become dependent on outside authorities, causing our spiritual roots to remain shallow and insecure. *Choosing Stillness, Knowing Love* offers a practical daily plan that makes connecting to the Spirit of God personal and tangible. Through guided journaling, awareness and stillness exercises, this book encourages the reader to develop the habit of creating space to listen to the still, small voice of God. This leads to deeper roots that result in healing, wisdom and a natural production of the fruit of the Spirit. This book is designed to focus on one person at a time, one moment at a time.

Love's Destiny Ngozi M. Obi, 2010-08 *Love's Destiny* introduces Naeerah, a somewhat naïve young

woman whose entire life's schedule is suddenly interrupted by a chance meeting with a Christian rock star named Luke. She's immediately thrown into the spotlight of being a rock star's girlfriend and all that lifestyle entails. Her father is not happy with their relationship because he fears it will take her off course. Defying her father, she moves to Luke's hometown for a chance to get to know him better, only to find out when she gets there that she doesn't fit the mold of what those closest to Luke would like to see him with. Through a whirlwind of dramatic circumstances, she's forced back home with her parents and is separated from the love of her life. Will divine destiny unfold in their lives when there seems to be no hope? **Just Another Love Song** Kerry Winfrey, 2022-08-02 Two high school sweethearts get a second chance at their perfect ending in this charming new romance by Kerry Winfrey, author of *Very Sincerely Yours*. Once upon a time Sandy Macintosh thought she would have her happily ever after with her high school sweetheart Hank Tillman. Sandy wanted to be an artist; Hank was the only boy in town who seemed destined for bigger things, and they both had dreams to escape town together. But when Sandy's plans fell through, she stayed in their small town in Ohio while Hank went off to Boston to follow his dreams to be a musician, with the promise to stay together. Only that plan fell through, too. Fifteen years later, Sandy runs a successful greenhouse while helping her parents with their bed and breakfast. Everything is perfect until Hank rolls back into town, now a famous alt-country singer with a son in tow. She's happy with the life she's built by herself, but seeing Hank makes her think about what might have been. There aren't enough cliché love songs in the world to convince Sandy to give Hank another chance, but when the two of them get thrown together to help organize the town's annual street fair, she wonders if there could be a new beginning for them or if what they had is just a tired old song of the past. **Can I Love Again , When Love Meets Fear** Richo, David, 2022 Everyone is afraid. Sometimes fear is inappropriate and unnecessary. At other times we have good reason to be afraid. But in every case, fear reduces our ability to be ourselves. It convinces us we shouldn't take chances or risks. This book is for people who want to let go of unreasonable fear or act more creatively in the face of reasonable fear. It explores the roots of fear: the fear of change, of self-disclosure, of giving and receiving, of being alone. Beneath all of these is the greatest fear of all: the fear of loving and being loved. This 25th anniversary edition speaks of the enduring message of the book, and this new edition has been greatly updated and expanded to include more contemporary developments in psychology and current events. Every chapter of the book has been rewritten and revised with a new audience in mind. Some new sections have been added, and existing sections revised. This revised and updated edition reflects the author's growing understanding of the ageless concern in our lives: becoming free from fear so that we can be more resourceful in our life. **To Selena, with Love** Chris Perez, 2012-03-06 Chris Perez tells the story of his relationship with music superstar Selena in this heartfelt tribute. One of the most compelling and adored superstars in Latin music history, Selena was nothing short of a phenomenon who shared all of herself with her millions of devoted fans.
