only a serious commitment to the Christian ideas of forgiveness and reconciliation can meet the needs of today's troubled world and the church must take the lead in this process. Partly a survey of existing attitudes and partly a how-to manual for developing an active public church, this book highlights the importance of forgiveness and reconciliation in both congregational life and society and it traces out the intricacies of making them happen. After discussing common views of human nature and exploring the concepts of forgiveness and reconciliation as found in Scripture and church tradition, Robert Browning and Roy Reed put forth an innovative four-pronged approach integrating recent scientific studies of forgiveness with bold, theologically grounded ministry proposals.

M. Wibberley, 2010-06-11 Families And Forgiveness: Healing Wounds In The Intergener Terry Hargrave, 2013-06-17

Unflinchingly honest yet deeply optimistic the volume is based on a complex therapeutic process that Dr Hargrave has used quite successfully with numerous clients who have suffered severe violations of love and trust within their intergenerational families He conceptualizes the work of forgiveness as four stations on the journey toward this goal These include Station One Insight which addresses the origins of family pain and how insight can be used to make initial inroads to trustworthiness by stopping and blocking the perpetuation of unjustified and harmful actions Station Two Understanding pertains to the origins

of guilt and shame and how the client can rework his or her perspective to ultimately reduce pain. The tough and risky work of forgiveness is the subject of Station Three: Giving the Opportunity for Compensation. It is here that forgiving is considered as a process by which the victim gives the victimizer the opportunity to demonstrate love and trust in the present so that the family can be reworked. Station Four: The Overt Act of Forgiveness is a step by step process whereby a confrontation between the victim and relational culprit can result in a restoration of love and trust. The author provides vivid case histories from his own practice that demonstrate how each of the four stations plays out in a therapeutic situation. Practitioners will also benefit greatly from a discussion of the therapeutic issues facing the therapist who is helping an individual or family work through painful violations. Dr. Hargrave addresses the goals, pace, and assessment of forgiveness, ever vigilant to maintain the client's integrity and protection as well as the role the therapist should play in each station.
