Desire for God Jean Leclercq (O.S.B.),1962 *Building the Christian Academy* Arthur Frank Holmes,2001 Until Relatively Recently the history of higher education in the West was the story of a Christian academic tradition that played a major role in both intellectual history and the history of the church Over the last one hundred years however we have witnessed the progressive secularization of higher education George Marsden goes so far as to suggest that the American university has lost its soul But what was that putatively Christian soul Precisely what in the Christian tradition has now been lost And what should we know about that tradition as a condition of practical wisdom for the present **This Monastic Moment** John De Gruchy,2023-09-28 Kairos is used in the New Testament to signify a pivotal moment in history a critical time of judgement and opportunity where chaos must be faced and one must change their ways before it becomes irreparable Confronted by the Covid 19 pandemic and mandatory isolation John de Gruchy felt a similar need to adapt and respond In doing so he found a deepening in his desire for authentic humanity genuine community and the opportunity affirm his conviction that true humanity is rooted in God wisdom and the struggle for justice *Loving Through Enmity* Marvin E. Wickware, Jr.,2025-05-20 Wickware responds to the failure of Christian antiracist work to translate love of the enemy into societal transformation Centering a structural idea of enmity he explains how love of the enemy involves embracing our need for those whose interests are opposed to ours under white supremacy engaging in mutual aid and committing to accountability

When Children Love to Learn Elaine Cooper,2004-04-07 They re hallmarks of childhood The endless why questions The desire to touch and taste everything The curiosity and the observations It can t be denied children have an inherent desire to know Teachers and parents can either encourage this natural inquisitiveness or squelch it There is joy in the classroom when children learn not to take a test not to get a grade not to compete with each other and not to please their parents or their

teachers but because they want to know about the world around them Both Christian educators and parents will find proven help in creating a positive learning atmosphere through methods pioneered by Charlotte Mason that show how to develop a child's natural love of learning The professional educators administrators and Mason supporters contributing to this volume give useful applications that work in a variety of educational settings from Christian schools to homeschools A practical follow up to Crossway's *For the Children's Sake* this book follows a tradition of giving serious thought to what education is so that children will be learning for life and for everlasting life *The American Benedictine Review*, 2020 *Painful pleasures* Christopher Vaccaro, 2022-07-12 This timely volume ventures into the subject of sadomasochism in varied aspects of medieval life Saint's Lives and mystical treatises provide evidence of failed sadism and empowering masochism Literary culture in the form of epics and courtly tales preserve stories of eroticised power These exciting chapters join together to form a picture of medieval culture that is kinky in its practice and deeply psychological at its core *Learning to Love God* Richard Peace, 2015-04-28 God is alive and personal but he is also spirit So having a relationship with God is different than having a relationship with any other person This study will help you discover how you can grow and nurture your relationship with the living God You'll learn how to study the Bible as you examine and discuss topics such as Encountering God Knowing God Being Sure We Know God Learning about God Conversing with God Worshiping God Following God Each chapter has three main sections Group Study materials for a sixty to ninety minute small group Bible study Study Resources notes and comments for use in both group and personal study Personal Study a series of reflection questions for use by group members on their own during the week Extra help is available at the end of the book in the sections The Art of Leadership tips on how to lead a small group and Small Group Leader's Guide notes on each session The goal of PILGRIMAGE GUIDES is to understand what it means for us to meet and know Jesus Through an examination of the spiritual disciplines of Bible study prayer and worship we experience what it means to be a spiritual pilgrim walking in a new way with God And we look at how this new way changes the way we view others and live our lives in Christ PILGRIMAGE GUIDES Learning to Love God Learning to Love Ourselves Learning to Love Others *The Redeeming Love of God* John Watkins Pitchford, 1872

Champion Hearts Thando Mgenge, 2011-11-17 Champion hearts is a book delineating the pitfalls fuelled by hunger for success It was inspired by the events observed in the workplace while I was shaping my career Factually the observation started at the university subsequent to my conversion to Christianity Looking at the world in the precepts of Christ helped me realise that we human species are doing massive damage than good on earth Learning that university promotes rational thinking in general confused me because that is the place where I saw the most skewed thinking exercised Academics showed me one thing that has engulfed every area of life they taught that a person should mind their own business Academics do this disfavour excellently because they should appear broadminded A broadminded makes everyone feels at home Feeling at home means doing as you please I continually asked my heart that if it knows the truth that should be told

how can I mind my business because I am not an island Before reaching the workplace situations we face in tertiary institutions initiates us for the animal kingdom Animal kingdom is the workplace that has no moral teaching where everyone fights to survive It is a place where people have a make believe thought of a punitive free world It is a place where people have a make believe thought of a consequence free world for their immodest deeds Sadly whatever is done in the secret shall one day be in the light Before it is in the light a heart that has committed despicable deed fights impossible war of hiding the secret This game always puts a fighter in vulnerability As old as I am I have never heard of someone who ever won the conscience fight To prove my statement sit down a friend who trusts you as the confidant Go down memory lane with them to check what really bothers them most Decisions done with the hope of fulfilment that did not bring happiness are the main regrets many souls are suffering from Whereas other deeds are easily traced because of the glaring evidence of their happenings there are those that require the victim to confide in someone Such things are a burden that many souls have decided to harbour In the process achievements are put tops at the expense of the hearts rest A heart not at rest with its soul is life poorly led I am afraid to say that in the quest for success we have Christian sisters who have decided to make sure that they stay in the league of the achievers according to the worldly standards and failed to foresee the after effects one must try to suppress for the rest of her life if ignoring conscience remains the only option in the eyes of the victim Calling this person victim is a sympathetic terminology Really this person is a volunteer victim She is a volunteer victim because she voluntarily chose to ignore scriptural advice Fortunately the same volunteer victim can be a heroine If one has been bartered they can be used by God to help possible future victims avoid mistakes It starts by warning them of the dangers of choosing the wrong loftiest dream in place of taking God at His word in the scriptures about our safe providence in His hand A heart devoted to helping others avoid pitfalls becomes a champion heart in heavens Creator uses it again for His master plan in restoring lost mankind In that way more champions are encouraged to hold fast till Messiah comes back That is the message of the cross I like the Father for remaining faithful to His promises He promised to never leave us nor forsake us This He has done in my life and that of many believers on this planet I can say being a champion heart is the long term process that requires constant reviewing of the championship status otherwise champions may grow complacent and die emotional paupers hence permanently backslidden elect This book takes a deep look at the woman who decided to ignore God Nomusa made the common silliest mistake of sleeping her way to success She did that after experiencing Assuming Responsibility Jennifer A. Herdt,2022 This book explores the debates surrounding eudaimonism virtue and happiness It argues that we should embrace ecstatic or goodness prior eudaimonism whilst rejecting welfare prior forms of eudaimonism This Monastic Moment John W. de Gruchy,2021-10-30 Kairos refers to moments in chronological time when all hell is breaking loose and we are called to change our ways before we are dragged into the abyss Kairos is apocalyptic time and it is here and now Such is the time in which we need to listen again to St Benedict of Nursia Far too many of us Christians have either been seduced by

the false values of the age and the spirit of Christian triumphalism or else have been attracted to gnostic forms of spirituality that provide a means of escape from reality and responsibility Any delay in responding to this kairos moment increases the danger that we fail to change our ways and grasp the opportunity God gives us to receive the coming kingdom in greater fullness now So St Benedict __een hundred years a_er he wrote his Rule continues to tell us to listen wake up and run while there is still light _is is a time for both contemplation and action prayer and doing justice a time for mystics and prophets to join hands and hearts for the sake of the world From the Prologue

The Sunrise of the Soul Gerard Thomas Straub,2020-07-21 The Sunrise of the Soul is the fruit of the last 24 years of an unexpected new life and a journey of transformation that took Gerry Straub from the glamour of Hollywood to the horror of the worst slums on earth Straub s journey began in an empty church in Rome during a moment of grace in which the hard shell of his ardent atheism was penetrated by a spark of light allowing him to see that God was real and loved him just as he was Eventually Straub felt God telling him to stop filming the poor and to go live among the poor He now lives in a crowded slum in Haiti where he operates a home of hope and healing for 69 abandoned kids 24 of whom are still in diapers Straub says his journey is far from over and will never be finished As Karl Rahner reminded us In the torment of the insufficiency of everything attainable we ultimately learn that here in this life all symphonies must remain unfinished Living in a home with 69 kids in Haiti means that the stillness and silence needed for contemplation are virtually nonexistent After more than four years of intense work in Haiti Gerry began to commit himself to the rejuvenating power of authentic solitude in order to turn his attention to his own inner spiritual poverty In the silent predawn darkness of each Haitian morning he waits reflects and prays This book emerged slowly from those many lonely hours of silence

Biblical Critical Theory Christopher Watkin,2022-11-08 With a foreword from Tim Keller A bold vision for Christians who want to engage the world in a way that is biblically faithful and culturally sensitive In Biblical Critical Theory Christopher Watkin shows how the Bible and its unfolding story help us make sense of modern life and culture Critical theories exist to critique what we think we know about reality and the social political and cultural structures in which we live In doing so they make visible the values and beliefs of a culture in order to scrutinize and change them Biblical Critical Theory exposes and evaluates the often hidden assumptions and concepts that shape late modern society examining them through the lens of the biblical story running from Genesis to Revelation and asking urgent questions like How does the Bible s storyline help us understand our society our culture and ourselves How do specific doctrines help us engage thoughtfully in the philosophical political and social questions of our day How can we analyze and critique culture and its alternative critical theories through Scripture Informed by the biblical theological structure of Saint Augustine s magisterial work The City of God and with extensive diagrams and practical tools Biblical Critical Theory shows how the patterns of the Bible s storyline can provide incisive fresh and nuanced ways of intervening in today s debates on everything from science the arts and politics to dignity multiculturalism and equality You ll learn the moves to make and the

tools to use in analyzing and engaging with all sorts of cultural artifacts and events in a way that is both biblically faithful and culturally relevant. It is not enough for Christians to explain the Bible to the culture or cultures in which we live. We must also explain the culture in which we live within the framework and categories of the Bible, revealing how the whole of the Bible sheds light on the whole of life. If Christians want to speak with a fresh, engaging and dynamic voice in the marketplace of ideas today, we need to mine the unique treasures of the distinctive biblical storyline. **St. Mary's Chimes**, 1920
