Or why everyone seems to be talking about Mars and Venus and their influence on intimate relationships? In Lovestrology, the author draws on the predictive powers of astrology and the ancient art of numerology to create revealing romantic portraits that provide everything you need to know to enjoy great relationships. The book is divided into two sections: Part One, The 366 Birthdays of the Year, gives a comprehensive individual romantic profile for each birth date; Part Two, Men and Women, shows how Mars and Venus delineate the drives and passions associated with each sign.
