Old-Fashioned Luggage Labels Carol Belanger Grafton,2002-07-24 Evocative of luxury ocean liners and steamer trunks packed with elegant evening clothes this treasury of antique luggage labels reveals a glamorous bygone age Fifty three colorful stylish stickers recall the grand hotels of Rome Cairo London Amsterdam Z rich and other cities as well as Air France Matson Steamship Line and other carriers *Color Your Own Old-Fashioned Travel Posters and Luggage Labels* Eric Gottesman,2006-09-15 Technological marvels such as railroads ocean liners and airplanes helped create an explosion in pleasure travel during the early 20th century At the same time poster art with its dynamic images and bold letters inspired travelers to see the world Loaded with first class fun this coloring book is on the travel itinerary with thirty full page images of glamorous and luxurious vacation spots Based on authentic posters and labels of the period the dramatically rendered signs advertise the sunny beaches of France and Italy the excitement of Grand Prix racing in Monaco winter sports in the French Alps the marvelous sights of European capitals and other scenic areas **Luggage Labels** David Craig,1988-10 David Craig has collected the most striking and exotic luggage labels from around the world These miniature works of art were used for decades by first class hotels to identify their guests suitcases and trunks and then by the guests themselves to display their itineraries to the world Here reproduced in full color and actual size are over 100 beautiful labels representing a wide variety of graphic styles dating back to the last century Jacket **Luggage** Susan Harlan,2018-03-08 Object Lessons is a series of short beautifully designed books about the hidden lives of ordinary things You can t think about travel without thinking about luggage And baggage has baggage Susan Harlan takes readers on a journey with the suitcases that support accessorize and accompany our lives Along the way she shows how the materials of travel the carry ons totes trunks and train cases of the past and present have stories to tell about displacement home gender class consumption and labor Luggage considers bags as carefully curated microcosms of our domestic and professional selves charting the evolution of travel across literature film and art A simple suitcase it turns out contains more than you might think Object Lessons is published in partnership with an essay series in The Atlantic *Britain and the Narration of Travel in the Nineteenth Century* Kate Hill,2017-05-15 Interrogating the multiple ways in which travel was narrated and mediated by and in response to nineteenth century British travelers this interdisciplinary collection examines to what extent these accounts drew on and developed existing tropes of travel The three sections take up personal and intimate narratives that were not necessarily designed for public consumption tales intended for a popular audience and accounts that were more clearly linked with discourses and institutions of power such as imperial processes of conquest and governance Some narratives focus on the things the travelers carried such as souvenirs from the battlefields of Britain s imperial wars while others show the complexity of Victorian dreams of the exotic Still others offer a disapproving glimpse of Victorian mores through the eyes of indigenous peoples in contrast to the imperialist vision of British explorers Swiss hotel registers guest books and guidebooks

offer insights into the history of tourism while new photographic technologies the development of the telegraph system and train travel transformed the visual audial and even the conjugal experience of travel The contributors attend to issues of gender and ethnicity in essays on women travelers South African travel narratives and accounts of China during the Opium Wars and analyze the influence of fictional travel narratives Taken together these essays show how these multiple narratives circulated cross fertilised and reacted to one another to produce new narratives new objects and new modes of travel
