Dependence and Underdevelopment: Latin America's Political Economy James D. Cockcroft, Andre Gunder Frank, Dale L. Johnson, 1972 This book challenges all of the most commonly held ideas regarding underdevelopment The process of development say the authors is not a matter of higher Gross National Products which to the contrary often serve to increase a country's long run underdevelopment Meaningful development is a political as well as an economic process which improves the quality of life for the people of a country. The authors argue that underdevelopment far from being an original or natural condition of the countries of the so called Third World is a condition imposed by the international expansion of capitalism The authors go on dispute some common assumptions regarding industrialization economic aid and the allegedly progressive nature of the international expansion of capitalism The authors go on to dispute some common assumptions regarding industrialization economic aid and the allegedly progressive nature of native bourgeoisies. The theory of development and underdevelopment presented in this book is supported by case studies of Mexico Venezuela Chile and other Latin American nations but the implications extend to Asia Africa the Middle East and the internal colonies of the **United States** Dependence, Class and Politics in Latin America André Gunder Frank, 1972 Latin America and Underdevelopment Andre Gunder Frank, 1970 Collection of essays on obstacles to economic development in Latin America with particular reference to the adverse effects thereon of capitalist economic policy in Brazil and Mexico covers revolutionary changes in the economic structure and social structure since deconolization the role of USA in military
