Johnson Library (Austin, Tex.), 1988      *Lyndon B. Johnson, a Bibliography: without special title* , 1984      Historical Dictionary of the U.S. Presidency Richard S. Conley, 2015-12-14 This book covers the development of the presidential office within the context of constitutional interpretations of presidential power and socio political and economic developments as well as foreign affairs events from 1789 2015 It provides details on the men who have held the office and biographies of vice presidents unsuccessful candidates for the office and noteworthy Supreme Court and other appointees The Historical Dictionary of the U S Presidency contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on the development of the institution of the presidency and details the personalities domestic and foreign policy governing contexts elections party dynamics and significant events that have shaped the office from the Founding to the present day This book is an excellent resource for students researchers and anyone wanting to know more about the U S Presidency      **Monthly Catalog of United States Government Publications** , 2004      Dictionary Catalog of the Department Library United States. Department of the Interior. Library, 1969      **Launching the War on Poverty** Michael L. Gillette, 2010-07-09 Head Start Job Corps Foster Grandparents College Work Study VISTA Community Action and the Legal Services Corporation are familiar programs but their tumultuous beginning has been largely forgotten Conceived amid the daring idealism of the 1960s these programs originated as weapons in Lyndon Johnson s War on Poverty an offensive spearheaded by a controversial new government agency Within months the Office of Economic Opportunity created an array of unconventional initiatives that empowered the poor challenged the established order and ultimately transformed the nation s attitudes toward poverty In *Launching the War on Poverty* historian Michael L Gillette weaves together oral history interviews with the architects of the Great Society s boldest experiment Forty nine former poverty warriors including Sargent Shriver Adam Yarmolinsky and Lawrence F O'Brien recount this inside story of unprecedented governmental innovation The interviews capture the excitement and heady optimism of Americans in the 1960s along with their conflicts and disillusionment This new edition of *Launching the War on Poverty* adds the voice of Lyndon Johnson to the story with excerpts from his recently released White House telephone conversations In these colorful and brutally candid conversations LBJ exercises his full arsenal of presidential powers political leverage and legendary persuasiveness to win one of his most difficult legislative battles The second edition also documents how the OEO s offspring survived their volatile origins to become broadly supported features of domestic policy      Monthly Catalog of United States Government Publications United States. **The 20th Century Go-N** Frank N. Magill, 2014-03-05 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography

**President Johnson's War On Poverty** David Zarefsky, 2005-08-21 Illustrates the interweaving of rhetorical and historical forces in shaping public policy In January 1964 in his first State of the Union address President Lyndon Johnson announced a declaration of unconditional war on poverty By the end of the year the Economic Opportunity Act became law The War on Poverty illustrates the interweaving of rhetorical and historical forces in shaping public policy Zarefsky suggest that an important problem in the War on Poverty lay in its discourse He assumes that language plays a central role in the formulation of social policy by shaping the context within which people view the social world By terming the anti poverty effort a war President Johnson imparted significant symbolism to the effort it called for total victory and gave confidence that the war was winnable It influenced the definition of the enemy as an intergenerational cycle of poverty rather than the shortcomings of the individual and it led to the choice of community action manpower programs and prudent management as weapons and tactics Each of these implications involves a choice of language and symbols a decision about how to characterize and discuss the world Zarefsky contends that each of these rhetorical choices was helpful to the Johnson administration in obtaining passage of the Economic Opportunity Act of 1964 but that each choice invited redefinition or reinterpretation of a symbol in a way that threatened the program

**Focus On: 100 Most Popular 20th-century American Politicians** Wikipedia contributors, *The Spacelab Story* Ben Evans, 2024-04-24 Between 1983 and 1998 Spacelab provided NASA with a vital short term laboratory in space Across more than a dozen missions Spacelab's pressurized research modules and science pallets supported hundreds of experiments from the life to microgravity sciences from Earth science to astrophysics and from materials processing to fluid dynamics For the first time *The Spacelab Story* sheds light on all the Spacelab missions that served as pathfinders for the eventual International Space Station along with all the flights that never came to be The book chronicles over two decades of service and international partnership with Germany Japan Canada Russia the member states of the European Space Agency and others The very same international co operation that led to Spacelab's genesis also conspired to create its end Science writer Ben Evans chronicles this tumultuous history showing how as tensions between the superpowers cooled in the 1990s and the Shuttle came to be increasingly used to fly joint missions to Mir many Spacelab missions were delayed and eventually cancelled This book is a must read for anybody interested in the science conducted aboard the Shuttle the experimental precursors of the ISS and the international

politics surrounding NASA's pioneering space endeavors

**The Most Dangerous Area in the World** Stephen G. Rabe, 2014-06-30 In March 1961 President John F. Kennedy announced the formation of the Alliance for Progress, a program dedicated to creating prosperous, socially just democratic societies throughout Latin America. Over the next few years, the United States spent nearly 20 billion in pursuit of the Alliance's goals, but Latin American economies barely grew. Latin American societies remained inequitable, and sixteen extraconstitutional changes of government rocked the region. In this close critical analysis, Stephen Rabe explains why Kennedy's grand plan for Latin America proved such a signal policy failure. Drawing on recently declassified materials, Rabe investigates the nature of Kennedy's intense anti-Communist crusade and explores the convictions that drove him to fight the Cold War throughout the Caribbean and Latin America, a region he repeatedly referred to as the most dangerous area in the world. As Rabe acknowledges, Kennedy remains popular in the United States and Latin America in part for the noble purposes behind the Alliance for Progress. But an unwavering determination to wage Cold War led Kennedy to compromise even mutilate those grand goals.

**U.S. Presidents during Wartime** Sean N. Kalic, Ethan S. Rafuse, 2023-09-21 From the American Revolution to the War in Afghanistan, the United States has had no shortage of conflicts on both domestic and world stages. All provide insight into the values of the presidents who led the nation through them. *U.S. Presidents during Wartime: A History of Leadership* takes readers through chronological entries of presidents who participated in key wars throughout U.S. history. An overview essay first considers the social, economic, and political factors that affected presidents during war. Entries, beginning with the presidency of George Washington and ending with that of George W. Bush, comprehensively cover each war therein, as well as the responses of the relevant presidents. Primary documents in each entry depict the perspectives of the presidents and offer opportunities for comparing and contrasting the presidents' engagements in wartime strategies. Ending each entry are chronologies of the various events and conflicts that marked the president's time in office. Moreover, entries build upon each other to help readers toward a broader understanding of the sum impact of the wars that the presidents led. While the book emphasizes the historical record, it also explores ongoing conflicts through the lens of contemporary U.S. presidents to provide readers with a complete picture of the changing nature of war over time.

*NASA Scientific and Technical Publications*, 1993 [Tragedy and Triumph in Orbit](#) Ben Evans, 2012-06-01 April 12, 2011, is the 50th anniversary of Yuri Gagarin's pioneering journey into space. To commemorate this momentous achievement, Springer Praxis is producing a mini-series of books that reveals how humanity's knowledge of flying, working, and living in space has grown in the last half-century. *Tragedy and Triumph* focuses on the 1980s and early 1990s, a time when relations between the United States and the Soviet Union swung like a pendulum between harmony and outright hostility. The glorious achievements of the shuttle were violently arrested by the devastating loss of Challenger in 1986, while the Soviet program appeared to prosper with the last Salyut and the next generation Mir orbital station. This book explores the continued rivalry between the two superpowers during this period, with each

attempting to outdo the other the Americans keen to build a space station the Soviets keen to build a space shuttle and places their efforts in the context of a bitterly divisive decade which ultimately led them into partnership [Current Catalog](#)  
National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70 **An Unfinished Love Story**  
Doris Kearns Goodwin, 2024-04-16 The 1 New York Times bestseller from America's historian in chief New York magazine An  
Unfinished Love Story A Personal History of the 1960s by Doris Kearns Goodwin one of America's most beloved historians  
artfully weaves together biography memoir and history She takes you along on the emotional journey she and her husband  
Richard Dick Goodwin embarked upon in the last years of his life Dick and Doris Goodwin were married for forty two years  
and married to American history even longer In his twenties Dick was one of the brilliant young men of John F Kennedy's  
New Frontier In his thirties he both named and helped design Lyndon Johnson's Great Society and was a speechwriter and  
close advisor to Robert Kennedy Doris Kearns was a twenty four year old graduate student when selected as a White House  
Fellow She worked directly for Lyndon Johnson and later assisted on his memoir Over the years with humor anger frustration  
and in the end a growing understanding Dick and Doris had argued over the achievements and failings of the leaders they  
served and observed debating the progress and unfinished promises of the country they both loved The Goodwins last great  
adventure involved finally opening the more than three hundred boxes of letters diaries documents and memorabilia that  
Dick had saved for more than fifty years They soon realized they had before them an unparalleled personal time capsule of  
the 1960s illuminating public and private moments of a decade when individuals were powered by the conviction they could  
make a difference a time like today marked by struggles for racial and economic justice a time when lines were drawn and  
loyalties tested Their expedition gave Dick's last years renewed purpose and determination It gave Doris the opportunity to  
connect and reconnect with participants and witnesses of pivotal moments of the 1960s And it gave them both an opportunity  
to make fresh assessments of the central figures of the time John F Kennedy Jacqueline Kennedy Martin Luther King Jr  
Robert Kennedy Eugene McCarthy and especially Lyndon Johnson who greatly impacted both their lives The voyage of  
remembrance brought unexpected discoveries forgiveness and the renewal of old dreams reviving the hope that the youth of  
today will carry forward this unfinished love story with America
