

Robert Dallek

Author of
AN UNFINISHED LIFE: JOHN F. KENNEDY, 1917-1963

A color photograph of Lyndon B. Johnson, the 36th President of the United States. He is shown from the waist up, standing in a room with large white columns, likely the White House. He is wearing a dark suit, a white shirt, and a striped tie. His arms are crossed, and he has a serious expression. The lighting is soft, coming from the side.

Lyndon B. Johnson

Lyndon B Johnson Portrait Of A President 1 Vol Abridgement:

Lyndon B. Johnson Robert Dallek,2005 This superb one volume biography of Lyndon Baines Johnson is by the bestselling author of *An Unfinished Life* John F Kennedy 1917 1963 *Media Management in the Age of Lyndon B. Johnson* Benjamin W. Quail,2022-01-01 This book looks broadly at how the contentious relationships between the media and US President Lyndon B Johnson affected the national consciousness during the turbulent period of his leadership Johnson had to deal with a particularly difficult and divisive period in American history and his relationship with the press undoubtedly contributed to an atmosphere of friction within the United States A more specific purpose of this research monograph is ultimately to shine a light on the trials and tribulations that Johnson faced as a president dealing with new forms of communication in the 1960s It aims to show the difficulties that he had in adapting a very personal style of leadership which had served him well in the Senate in the role he undertook as leader of a nation Further to this it builds on this foundation to argue that Johnson developed a reactive passive stance to dealing with the media one that ultimately contributed to a loss in popularity and status as leader a blow he never recovered from during his time in office **US Foreign Policy Decision-Making from Kennedy to Obama** A. Hybel,2014-03-13 This book analyzes the foreign policy decision making processes of Presidents John F Kennedy Lyndon B Johnson Richard Nixon George H W Bush George W Bush and Barack Obama during military intervention by way of contemporary foreign policy decision making models FPDMS **When Things Go Wrong** Charles F. Hermann,2012-03-12 The question of how to deal with adverse feedback to high stakes foreign policy speaks to a number of important current scenarios in international relations The esteemed contributors to this book offer explanations and illustrative case studies of critical choice points in foreign and national security policy Competing theories from several of disciplines primarily psychology political science and management offer insights into a subject that has been very little studied in foreign policy yet is as current as today s headlines American Book Publishing Record ,2004 **In the Shadow of FDR** William E. Leuchtenburg,2011-03-15 A ghost has inhabited the Oval Office since 1945 the ghost of Franklin Delano Roosevelt FDR s formidable presence has cast a large shadow on the occupants of that office in the years since his death and an appreciation of his continuing influence remains essential to understanding the contemporary presidency This new edition of *In the Shadow of FDR* has been updated to examine the presidency of George W Bush and the first 100 days of the presidency of Barack Obama The Obama presidency is evidence not just of the continuing relevance of FDR for assessing executive power but also of the salience of FDR s name in party politics and policy formulation **Annual Report of the Director of the Mint** United States. Bureau of the Mint,1965 The Video Source Book David J. WEINER,1990 □□□□ □ □•□□,2024-04-10 2024 3 000 11 1492 vs vs vs vs vs Library of Congress Catalogs Library of Congress,1970 *Video Source Book* Gale Group,1999-10-28 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction

Library of Congress Catalog Library of Congress, 1965 A cumulative list of works represented by Library of Congress printed cards *The British National Bibliography* Arthur James Wells, 1960 *In the Shadow of FDR* William Edward Leuchtenburg, 1993 Reprint of the Cornell UP revision of 1985 The first edition 1983 is cited in BCL3 Annotation copyright by Book News Inc Portland OR **The 20th Century Go-N** Frank N. Magill, 2014-03-05 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography Violence in America Ted Robert Gurr, 1989-06 An excellent companion to *Violence in America: The History of Crime* this volume provides fascinating insight into recently developed theories on the sources of recurring conflict in American society With their main focus on traumatic issues that have generated group violence and continue to do so the contributors discuss the most intractable source of social and political conflict in our history the resistance of Black Americans to their inferior status and the efforts of White Americans to keep them there Other intriguing topics include the emergence and decline of political terrorism and the continuation of violent threats from right wing extremists such as the Klan the Order and the Aryan nations The basic assumption underlying all interpretations is that group violence grows out of the dynamics of social change and political contention The idea presented is that the origins processes and outcomes of group violence like the causes and consequences of crime must be understood and dealt with in their social contexts This volume is essential reading for students and professionals in history criminology victimology political science and other related areas SEE QUOTE W VOLUME ONE *Subject Guide to Books in Print*, 1991 **Subject Catalog** Library of Congress, 1965 **American Book Publishing Record Cumulative, 1950-1977** R.R. Bowker Company. Department of Bibliography, 1978 **Resources in Education**, 1994
